[X-MOVEMENT - May 14 - 16](#)

Silver Pines will be participating in X-movement, an engaging wellness program from May 14th to May 16th. With the support of our School Council Fundraising, the cost for students is only **\$4.00**. Please make payment on school cash online. Families are invited to join in on **Thurs. May 16 from 5:00-7:30pm**. Please see attached flyer. Thank you to our Parent Council for supporting this event.

[SILVER PINES IS A NUT SAFE SCHOOL](#)

We would like to remind you that **Silver Pines Public School is a Nut Safe School.**

Please note that students are not permitted to bring food that contain any nut products. In addition, food items are never to be shared at school. Please check the ingredients carefully before sending food to school.

Please remember that several of our children will experience anaphylactic shock if they are exposed to even a tiny amount of peanut oil or peanut butter. In fact, some children will go into anaphylactic shock if they even smell peanuts or peanut products. When this happens, the child must be immediately injected with an epi-pen and then transported to the hospital for emergency treatment. If treatment is not given immediately, the results can be fatal.

For this reason the school **MUST be a PEANUT AND NUT-SAFE ZONE**. What this means is that no peanut or peanut products of any kind may be brought into the school. We are asking for your assistance in dealing with these children's allergies. Talking about the situation with your children will also help, since the more information they have, the better they will understand the reality of the risk to those children with peanut allergies.

PARENT REQUESTS FOR CLASS PLACEMENT

A number of additional considerations are included in our decision making when creating classes. Regrettably, we are unable to accept specific teacher requests. Rather than suggesting a teacher, please indicate the learning style or classroom structure which would be most appropriate for your child. When teachers get together to create new class lists, we will use this information to help make our final decisions. Should you have information to share with us, please email a letter to Ms. Zarif by May 27th at sherry.zarif@yrdsb.ca. The staff at Silver Pines care deeply about student needs. Years of meeting the learning needs of children give them the unique qualifications to recommend placement decisions. It takes hours of discussion, reflection, revision and consideration of alternatives to arrive at the best organization for our school. Rest assured that the organization will include our best opportunities for student achievement.

PLUSH TIME- We are excited to introduce "Plush Time" to our Silver Pines students! Plush Time is a reading club designed to encourage students to continue to embark on their reading journey with the help of our intermediate students and plushies. Students in Grade 1 -2 are invited once a week on Mondays to the library at Lunch Time to read a book of their choice. We will provide students with a fun stuffed animal while reading. This club was created to encourage our younger students to read to improve their writing and reading skills, which will further impact their success in their school journey.

SNACK SHACK- Every Tuesday during the first half of recess, 10:10 AM → 10:25 AM The Grade 8 students will be selling snacks for \$2.

CELL PHONES AT SCHOOL

A reminder about the use of cell phones in school. Cell phones and other personal communication devices are to be turned off and kept out of sight during instructional time, unless otherwise permitted by the teacher for instructional purposes. Cell phones are not allowed outside at recess, lunch or anytime in hallways or washrooms. If students need to contact parents, they are expected to do so through the office with the permission of their teacher. Students should not be texting at school, taking photos of any kind, or going on social media. Failure to abide by this may result in confiscation of the electronic device. Please speak to your child about this at home and help us keep our school safe. Should you need to contact your child during the school day, please call the office.

END OF DAY - EARLY PICK UP

Though we encourage families to make appointments and other engagements outside of our school hours, we understand that sometimes this is not possible. To limit disruptions to end of day routines in classrooms, we ask that any early pick-ups to be **completed by 2:30pm**. The last 30min of the school day is a busy time for

students and staff who are engaged in many end of day activities, and we would like to limit any additional disruptions to the learning of all of our students during this time. As always, please try to inform the office and your child's teacher by email/Edsby ahead of time. Thank you for your cooperation!
