## *A Message from Administration....*

Fall has proven to be an exciting time at Silver Pines P.S.! Thank you to all of our staff, parents and volunteers for your continued commitment to our students at Silver Pines P.S.

We would like to take this opportunity to share many of the superb events that have been happening here at SPPS. In the classroom, we continue to build fundamental math skills and literacy skills and engage our students in relevant and meaningful problems across the curriculum. We are committed to raising the achievement and well-being of all our students. Outside of the classroom, students have also been actively involved in a number of activities including Cross Country, Volleyball, the Social Justice League, We Day, Peace Tree Conference and Our Voice Conference.

We are proud of our students who raised \$3157.80 for the Terry Fox foundation and doubled last year's total! Many thanks to Team Terry, under the leadership of Mr. McLean and Mr. Scarlato, for all their hard work to support and oversee this important campaign.

We appreciated the opportunity to welcome our families at Curriculum Night on October 3<sup>rd</sup> and share the work being done in our classrooms. Our first School Council meeting took place on Monday, October 1st, where we elected our council. We value the involvement of our parents and appreciate all contributions being made to support our school. Our next School Council meeting is on Monday, December 3<sup>rd</sup> at 7:00 p.m. We hope you will be able to join us.

Our EQAO results have provided us with valuable information to support us in improving our practice as educators and to help us improve our students' achievement. You can view our results on the following page. The graphic provides you with contextual, attitudinal and achievement data highlights. During our staff meetings, we will continue to analyze the data in depth and have discussions about how to better serve the needs of our underperforming students.

Once again, thank you to everyone for a very successful start to the 2018-2019 school year.

*Best Regards,*

*Lindsey Diakin      Lisa Hascal*

## **Remembrance Day**

Every year on November 11th, Canadians pause in a moment of silence to remember the men and women who have served, and continue to serve our country during times of war, conflict and peace. We honour those who fought for Canada in the First World War (1914-1918), the Second World War (1939-1945), and the Korean War (1950-1953), as well as those who have served since then. More than 1,500,000 Canadians have served our country in this way, and more than 100,000 have died. They gave their lives and their futures so that we may live in peace.

By remembering their service and their sacrifice, we recognize the tradition of freedom these men and women fought to preserve. They believed that their actions in the present would make a significant difference for the future, but it is up to us to ensure that their dream of peace is realized. On Remembrance Day, we acknowledge the courage and sacrifice of those who served their country and acknowledge our responsibility to work for the peace they fought hard to achieve. This year we will be commemorating the 100th anniversary of the end of World War 1.

**At Silver Pines, we will be holding our Remembrance Day assembly on Friday, November 9th at 9:40am for Primary students and 10:45am for Junior/Intermediate students.**

*Parents and community members are welcome to attend.*

***IMPORTANT REMINDER - FOOD POLICY @ SILVER PINES P.S.***

All students and staff are entitled to safe and healthy learning environments in YRDSB schools. This position constitutes a major challenge in those cases where a student has a life-threatening allergy (anaphylaxis). There are three key categories to consider in providing a safe environment for anaphylactic students:

- information and awareness for the entire school community;
- avoidance of the allergen that causes anaphylactic reactions;
- an emergency response procedure in case of accidental exposure.

We have many anaphylactic students at Silver Pines P.S. We have confirmed the following foods are banned and may **NOT** be brought to Silver Pines. Please assist us with avoiding these foods being sent to school in snacks and lunches:

1. Peanuts and peanut products
2. All Tree Nuts and nut products

***Classroom Interruptions***

There are ongoing classroom interruptions with students forgetting to bring what they need for school (eg. lunches, assignments, etc). Just a friendly reminder that students should come to school prepared. We would greatly appreciate your help in maintaining the learning environment by decreasing the number of interruptions. A lunch table is available to drop off your child's lunch.

***Absence/Late Reporting***

Please continue to report your child's absence before 8:30 a.m. on the day of absence or late  
Phone: 905-508-7303 Option 1

***School Council***

Our next School Council Meeting of the year will take place December 3rd. **Meetings are open to all parents. We hope to see you there!**

***Lunch Lady Program***

IF THE BUSES ARE CANCELLED ON A LUNCH LADY SERVICE DAY – THERE IS **NO** LUNCH LADY DELIVERY!

You will need to pack a lunch from home for your child. All Lunch Orders will be **CANCELLED** and credited to your Lunch Lady Account. If you have any questions, please email [lavinia@thelunchlady.ca](mailto:lavinia@thelunchlady.ca)

# School CLUBS

## *Social Justice League (SJL)*

The Social Justice League (SJL) is an enthusiastic group of young leaders in grade 6,7, and 8. They meet every Tuesday at lunch recess. They are currently planning the "Fall Ball: Dress and Dance how you feel" scheduled to take place on the afternoon of October 31st. They are also accepting donations to the Richmond Hill Food Bank. The SJL is an important part of keeping Silver Pines a safe, accepting and caring school family.

## *Writer's & Director's Guild*

It is a pleasure to introduce our 1st year of the Writer's & Director's Guild. After the success of last year's Avengers of OZ, several students have shown an interest in creating and directing plays. This will start in November and be opened to students in Grades 6-8 and acting from Grades 5-8 with the Directors being from Grades 7-8. The goal is stage three short plays through the year with themes inspired by Global issues that concern the students. We are looking forward to see how the students inspire, create and stage their own productions.

## *Art Club for Grade 6 to 8*

The Art Club meets at lunch recess on Day 4. The Art Club explores different media and ways to express ideas visually. Currently, they are working on a piece of Art that uses Radial Symmetry.

## *"Lighten Up" the Musical Revue*

On Wednesday, December 12th, the Kindergarten to Grade 4 classes will be performing this year's school musical "Lighten Up". There will be one afternoon performance and one evening performance (details to come). We hope to see you then!

# School Bus Cancellation Notice

School bus service may be cancelled from time to time due to inclement weather, extreme temperatures and/or poor road conditions. In these cases, parents and students should develop alternate care/transportation arrangements.

Since some bussing schedules begin by 7:00 a.m. or earlier, all cancellation decisions must be made by 6:00 a.m. to ensure the safety of our students. Cancellation decisions will only be made after thorough consultation with school bus companies servicing York Region. Decisions are based on several factors including precipitation, air temperature and road conditions.

Please note the following:

- A decision to cancel school bus transportation may be **system wide** (where all buses in York Region are cancelled) **or municipality specific** (where buses in one or more municipalities are cancelled).
- If school bus transportation in your municipality is cancelled and your child attends school in a different municipality where service is operational, your child **will not** be transported to/from school.
- If school bus transportation in your municipality is operational and your child attends school in a different municipality where service is cancelled, your child **will not** be transported to/from school.
- **If buses are cancelled in the morning, they will not operate in the afternoon. Therefore students transported to school by parents will require the same transportation home.**

Parents, students and school staff are asked to access the following radio and television stations after 6:00 a.m. to receive bus cancellation information:

## The Facts of Lice

Yes, like everywhere else, there are head lice in York Region and At Silver Pines. A reminder that it's important to check your child's head if they've been in contact with someone who has lice or if they appear to have an itchy scalp and are scratching a lot. Don't panic! Be sensitive to your child's feelings and check your child's head right away. Checking for lice takes patience, diligence and plenty of time.

### Effective treatment means:

Check all family members

Treat only family members that have head lice

Apply a head lice treatment as directed

Remove all the nits (eggs)

Know the facts - talk to a Public Health Nurse

If your children have lice, Please let the school know. If you have any questions or concerns contact York Region Health Services or Ms Diakiw.

## Dressing for Cooler Weather

All our students will be expected to be outside before, during and after school in all weather conditions (i.e., rain or shine, snow or heat). Students need to come to school dressed to play outside during recesses. Boots (for rain or snow), rain jackets, hats, mitts, scarves and snow pants will help make recess an enjoyable time. It is advisable for children to keep extra pants and socks at school in case they get wet. To avoid adding to our clothing collection in the Lost and Found Bin, please be sure to label all articles of clothing.

## Math Homework Help for Grades 7-10

The Ontario Ministry of Education and the Independent Learning Centre launched a new project called **Homework Help**. Again this year, all Ontario Mathematics students enrolled in Grades 7 to 10 have access to this resource.

Students log on to Homework Help and using an interactive chat room, they can obtain personalized tutoring from a certified Ontario mathematics teacher. Chats take place Sunday to Thursday evenings from 5:30 - 9:30 p.m. and all sessions are recorded for students to access at a later date. **Homework Help is free, live, and anonymous.**

Students will also have access to both guided and independent learning in a unique environment that combines technology and personal interaction. To log in, students require their Ontario Educational Number (OEN), Birthdate and grade. If you don't know your child's Ontario Educational Number is available if you contact the office

## It's time to remind children about being safe in our community.

It's a good time for parents to remind children about personal safety.

Here's what children need to know:

- Their name, age, telephone number, address, city and province. This can be done through rhyme or song.
- How to contact their parents at any time, by memorizing cell or work numbers.
- How and under what circumstances to call 911.
- To never approach or enter a stranger's vehicle. A responsible adult would never ask a child for directions or any other question for that matter.
- Make sure they know they have a right to say "no" to an adult, especially when the adult is asking them to do something they have been taught is wrong or feels uncomfortable. Reminding children of this right is important because children are taught from a young age to respect adults.
- To always tell parents where they will be and to never enter someone's home without their parent's permission.
- If home alone, never admit it when answering the phone. Never answer a knock at the door or speak through it. Adults can be very persuasive. Teach your child to call you if there is a knock at the door and if they fear for their safety, teach them to call 911. Make sure they know that police officers are there to help them and would not get mad if it were a false alarm.
- If they think they are being followed or are in danger they should run home or to a public place. If someone grabs them, they should try to get away, yelling and screaming while doing so.
- It is important to play in safe areas, never take shortcuts and stick with a buddy whenever possible.

It is never too early or too late to teach children the importance of personal safety. Common sense, communication and consistency are the keys. Remind children to alert a responsible adult if something strange happens that makes them feel uncomfortable. Remember, crime prevention is everyone's responsibility.

## Legalization of Cannabis:

As of October 17, 2018, it will be legal for individuals **19 and older** to buy, use, possess and grow recreational cannabis. It remains illegal for anyone under the age of 19. This is the same as the minimum age for the sale of tobacco and alcohol in Ontario.

**Regardless of age, cannabis is not allowed on school property or at school-related events at any time.**

It is illegal for **anyone** regardless of age to smoke or vape any substance, including cannabis:

- at school, on school grounds, and all public areas within 20m of these grounds
- on children's playgrounds and public areas within 20m of playgrounds
- in child care centres, or where an early years program is provided
- in places where home child care is provided – even if children aren't present\*

*\*Please note that these are the provincial regulations and by-laws could be different at a municipal level*

There will be consequences for students if they are believed to be in possession or under the influence of alcohol, illegal drugs or cannabis. Suspension will be considered. There are exceptions if the medicinal use of cannabis is outlined in the student's Health Care Plan. If a student gives alcohol or cannabis to anyone under the age of 19, the school will contact police, suspend the student and consider expulsion.

In YRDSB, we want families and students to be informed about the facts of cannabis legalization. To support this learning, you may find the following resources helpful . You can also request a hard copy through the school office.

[Cannabis: What Parents/Guardians and Caregivers Need to Know](#)  
[Cannabis Talk Kit: Know How to Talk With Your Teen](#)

We will continue to provide students with information and support to make positive and healthy decisions.

If you have any questions, please do not hesitate to contact the school's administration.

# FLU SEASON IS HERE

## Get the flu shot as early as possible

The first and best step to preventing the flu (or influenza), is to **get the flu shot every year**. The flu spreads quickly and easily from an infected person to others and anyone can get it. Getting the flu shot can protect you, your family and those around you.

Students may be at higher risk of getting the flu as they come together in close public spaces including the classroom, gymnasium, lunch room and library.

The flu shot is especially important for students who have a chronic condition (e.g. asthma, diabetes) or those who live with or have close contact with a pregnant woman, kids less than five years old, or a resident of a nursing home or other chronic care facility since these groups are at higher risk of getting very sick or being hospitalized because of the flu.

Flu shots are **free** and are readily available at:

- Health care provider's offices for people six months of age and older
- Participating pharmacies, for people five years of age and older

In addition to getting the flu shot annually, here are some other health tips that can help prevent the spread of the flu:

- Wash your hands well and often with either soap and water or alcohol based hand rub
- Cover your mouth and nose when you cough or sneeze (if you do not have a tissue, cough into your upper sleeve)
- Avoid touching your eyes, nose and mouth
- Stay home when you're sick
- Clean and disinfect surfaces and shared items

It's important to get the flu shot as early as possible as it can take nearly **two weeks** for the influenza vaccine to take full effect.

To learn more about flu and flu vaccine, visit [york.ca/flu](http://york.ca/flu).
