## Guest Speaker: Paul Davis

Paul Davis has 25+ years of IT knowledge and expertise, which he brings to his speaking engagements. He has presented to over 335 000 students from grades 4-12 across North America and 40 000 parents. Relating to kids as a father himself, and to parents as a professional, his presentations are targeted so that each audience leaves with a wealth of knowledge and empowerment for their age level.

## Date and Time:

Thursday April 27, 2017

7:00PM – 9:00PM

Light refreshments will be served

## Location:
