A Message from the Administration

On Thursday, March 30th, Stonebridge Public School held a Math Information Night for parents. The parents who attended enjoyed listening to Ming Huang, a YRDSB Math consultant speak about the Comprehensive Math Program that teachers in our board are using along with the Ontario Mathematics Curriculum to provide deep math learning opportunities for students. Parents had the opportunity to participate in hands on learning with Stonebridge teachers. They experienced learning math utilizing puzzles and games, solving authentic problems and mini lessons. Please view this video if you are interested in learning more about the Comprehensive Math Program. <https://www.youtube.com/watch?v=SjmoqMpsrEA>

“Inspiring Your Child to Learn and Love Math” is a tool kit for parents developed by the Council of Ontario Directors of Education (CODE). This toolkit was created specifically for parents of children in the elementary grades in Ontario (Junior Kindergarten to Grade 8). The toolkit emphasizes the many ways in which your help and support plays an important role in inspiring children to learn and love mathematics. The goal of this resource is to provide you with the most significant research-based information to help you be the best, most knowledgeable and most confident supporters for your child’s mathematics education.

“Inspiring Your Child to Learn and Love Math” provides modules with simple but effective methods and materials for you to support your child’s math learning. It will show you how to get involved in your child’s learning, and offers guidance for working with students of different ages. This Parent Tool Kit was developed by experts in mathematics education, with input and advice from parents and students. (EduGains excerpt)

The complete tool kit is available at:

http://www.ontariodirectors.ca/parent_engagement-math/en/index.htm

Your engagement in your child’s education is very important to us. We are always looking for ways to include you in our work at school. We hope that you find this kit useful. If you have any questions about math at Stonebridge, talk to your child’s teacher about the learning activities that your child is involved in at school.

Sincerely,

Yvonne Chan and Shelley Jones

Greetings from the School Council

There will be a Presentation by Michelle Cassidy on April 27th, 2017 from 6:30 pm - 8:30 pm. The presentation will be about the connection between academic success and mental health. A notice will be coming home next week.

There will be a Fun Fair that will take place on May 18th. We are excited about the opportunity to enjoy an evening of family fun. We continue to require volunteers for our Fun Fair. If you are able to volunteer a few hours to support this exciting event, please call Sharon Fernandez in the school office

The council would like to thank everyone that contributed to the Fund Raisers.

Upcoming Events

School Council Meeting on Monday April 3rd

Presentation by Michelle Cassidy April 27th, 2017,

The Fun Fair on May 18th, 2017.

School Council Meeting on Monday June 5th

As always, the council can be contacted via our email address

stonebridge.ps@sc.yrdsb.on.ca

Thank you for your support,

The School Council

School Assistants

SCHOOL ASSISTANTS REQUIRED

Stonebridge P.S. is hiring additional School Assistants to work an hour a day, during Lunch Recess (12:45-1:45 pm). School Assistants supervise students while they eat and play during lunch. It is a paid position.

If you are interested in being a School Assistant at Stonebridge, please come in and speak with Ms. Khan in the office.

World Autism Awareness Day

The ninth annual World Autism Awareness Day is April 2, 2017. Every year, autism organizations around the world celebrate the day with unique awareness-raising events. For example, Canada's National Tower (CN Tower), the tallest structure in the Western Hemisphere at 553.33 m will [Light It Up Blue](#) on Sunday, April 2, 2017 in honor of World Autism Awareness Day!

At Stonebridge, we will be using the month of April to educate our community about autism, and promote inclusion and acceptance in our classrooms and beyond.

To kick off the month of April, please wear blue on Monday, April 3rd.

International Day of Pink

WEAR A PINK SHIRT on April 12th!

April 12, 2017 is the *International Day of Pink*. It is a day when communities across Canada and across the world unite to celebrate diversity and raise awareness about the need to stop homophobia, transphobia, discrimination and all forms of bullying.

On this annual day in April, individuals wear pink to show respect for diversity and to demonstrate support for learning and working environments which are safe and inclusive of people from all different backgrounds.

GUYS & DOLLS

This year, the Junior / Intermediate students will present the popular Broadway Musical **Guys and Dolls**.

We invite everyone to come out and watch as Sky Masterson, the famous gambler, falls in love with the missionary Sarah Brown. Cheer on Miss Adelaide as she encourages Nathan Detroit to change his ways and finally agree to get married after fourteen years of being engaged. Come out and laugh as a group of gamblers bet their souls on the roll of a dice. Come out and enjoy the songs that have become Broadway hits.

All are invited to attend this year's musical.

Performances will be

Wednesday May 3rd

Thursday May 4th

at 7:00.

Tickets will go on sale April 17th.

Come out for a great evening of singing, dancing and musical theater.

Math Information Night at Stonebridge PS

On March 30th, 2017, Stonebridge Public School invited the community to take part in our Math Information Night. Staff members led parents through math games, mini lessons, math talk and meaningful problems. As part of our ongoing commitment to student achievement, parents were provided with a gift bag of math manipulative and activities to support the mathematical thinking of their child at home. By developing a strong partnership between home and school, we continue to set up our students for success.

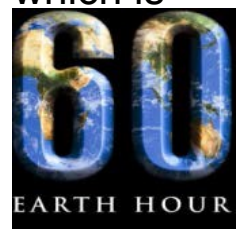

Stonebridge Public School would like to thank all those who participated, volunteered and took part in helping with the Family Math Night.

World Wildlife Fund's Earth Hour

On Friday, March 24 Stonebridge staff and students participated in the World Wildlife Fund's Earth Hour campaign by turning out lights and electronics from 2:00 to 3:00 pm. This event is a symbolic gesture that is used to open up discussion about global warming and ways in which we can save energy every day.

During that hour, our school saved 56 kilowatts of energy which is the similar to turning out 5 fluorescent light bulbs in 644 homes. We really can make a difference!

Learning Commons

Doodle for Google And Win Prizes!

Hey Stonebridge Families! Here's a COOL CONTEST that your child(ren) might love to enter! It's called Doodle 4 Google. Google Canada is sponsoring a national contest inviting students from Kindergarten to Grade 12 to redesign the logo for the Google.ca homepage for a day. In keeping with Canada's 150th Anniversary, Google is inviting students to imagine what the next 150 years will look like and to creatively come up with their very own Google doodle!

Get this! The winning doodle will be featured on the Google Canada homepage for 24 hours! The winning student will also receive a \$10,000 university scholarship, a Google Chromebook, and a \$10,000 technology award for their current school along with a trip to the final event on June 13, 2017! Now's the time for our students to show their optimism, creativity and imagination in producing their own dynamic doodles!

Full details are available @ <https://doodles.google.ca/d4g/> Don't delay! Contest entries close on May 2, 2017!

Heath's & Leong's Grade 5 Students Paint Masterpieces reflecting Native Art

Flowers and Birds by Sarah Z.

Family of Birds by Nicole T.

Ms. Leong's and Ms. Heath's students are featured in this month's Canada 150 tribute. In their Grade 5 social studies unit on Canada's native people, the students learned about the talents of Canada's very own Norval Morrisseau, an Ojibway Canadian artist who is known as the "Picasso of the North."

The students painted pictures depicting nature and native Canadian legends demonstrating their awareness of Morrisseau's woodland art. The student masterpieces showed Morrisseau's style of using bright colours and black outlines. Thank you, **Ms. Leong's and Ms. Heath's Grade 5 students** for letting us display the art and for making our Learning Commons feel like an art gallery! To the left are two examples of Stonebridge's young artists.

Stonebridge's Own Battle of the Book Competition is Coming up on Friday, April 28, 2017!

A keen group of boys and girls in Grade 4 to 6 continue to read books on our Battle of the Books booklist. It is fun to gather together and quiz them to guess the title, author or character of various books. The students like to quiz me, too, so I have to keep on my toes! I enjoy reading the clues that the students post on our school's Battle Moodle; I can see the excitement building as more students post their clues. If any student in our Battle Club is having trouble logging in, please remind them to speak to Mrs. Miyata and we'll address this issue.

We will be holding our own Battle of the Books competition at Stonebridge on Friday, April 28, 2017 from 9:15-10:45 in the gym. After our in school battle, we will be choosing a team of 6 students to represent our school at the Area Battle of the Books event that will take place on May 11, 2017 at Highgate Public School in the evening. Stay tuned for more news in upcoming newsletters.

Happy Reading, all!

Mrs. Miyata J&

From the Learning Commons, introducing **What we think...**

Welcome to **What we think.**

Over the next few months, the Learning Commons will have a place for students to share what they think about questions posed to them about Canada, being Canadian and Canada 150. They are invited to write their thoughts and we shall be placing some of their thoughts in our newsletter.

What is a Canadian? Answers from Stonebridge students.....

- ✚ A person who respects other religions and cultures along with never hesitating to help another one out . Qusay 7H
- ✚ Being Canadian isn't just coming from a country but being able to show others how your country helps others and impacts others. Eethan 8T
- ✚ A Canadian is someone who respects diversity. Cynthia 5L
- ✚ Being Canadian means getting mad when you don't win anything on "Roll up the Rim." Michelle 8T
- ✚ Canadians make everybody in all races, religions and gender equal. Ashar 8T
- ✚ A Canadian is someone who values friendship and each other. I am proud to be a Canadian. The land where Shawn Mendes and Justin Bieber came from. Megan 6C
- ✚ To be very nice and respect others. Jaydon 6M
- ✚ A Canadian is someone who treats all races equally and says "Eh?" after every sentence eh? Nicholas 6C
- ✚ Being Canadian is to treat others the way they want to be treated. Bryan 5 L
- ✚ A Canadian is a person who respects others, no matter the person. He/she respects the rights of others. Joshua 6 M
- ✚ Being Canadian means you stand up for what is right even if you stand alone amongst others. Eethan 8T
- ✚ A Canadian is a person who respects others, no matter the person. He/she respects the rights of others. Joshua 6 M
- ✚ Being Canadian is to hold the doors for each other. Chevy 5L

Eco Reuse from CEC East Office

REUSE

CEC EAST

The focus this month is on reusable containers. Staff are encouraged to use reusable containers for food and beverage as a means to reduce waste. Look around, there are lots of items that can be reused in our daily lives.

Grocery Bags

Lunch Containers

Silica Gel Packs

Packaging

Do you know which plastic containers are safest to Reuse?

HDPE (High Density Polyethylene) — in milk, detergent, oil bottles, toys & plastic bags

LDPE (Low Density Polyethylene) — in shrink wrap, garment bags, squeezable bottles & plastic bags

Plastic containers with these numbers found mostly at the bottom or on a lid are safest to use. Remember these numbers by singing in your head “2, 4, 5, keep yourself alive” as these 3 types of plastics leach the least amount of toxins.

PP (Polypropylene) — in bottle tops, disposable diapers, carpeting, bags, food wraps, yogurt & margarine

Do you know how to use silica gel packs?

Found in the packaging of vitamin bottles, and even in seaweed snacks, these small silica gel packs can be reused to combat excess moisture in your home. Larger packs are available at the hardware store for bigger jobs.

Here are six ways to use them:

1. **Dress it Up** — To battle **moisture**, put them in dresser drawers or seasonal clothing storage bins.
2. **Camp it Up** — To prevent **mould** & mildew, put a few in the tent bag or storage of camping gear.
3. **De-stink it Up** — To prevent **odours**, throw gel packs into damp running shoes / stinky hockey gloves.
4. **Sparkle it Up** — To prevent **tarnish**, put a few gel packs into the silverware drawer / jewelry box.
5. **Snack it Up** — To prevent **sogginess**, add to reusable-resealable plastic bags to store snacks and baking.
6. **Spice it Up** — To prevent **clumping**, add a gel pack or two to each jar or container of sugar, salt, herbs and spices.

Community Partners Fair

The York Region District School Board
presents a

Community Partners Fair

For Parents, Guardians and Educators

Thursday, April 27, 2017
Sir William Mulock Secondary School

3:30 P.M. – 6:30 P.M.

Connect with community partners about what services they provide, who is eligible for their services, and how to access their services.

Build relationships among people who support both students and their families.

We wish to thank the following community partners for supporting this event:

360 Kids; Addiction Services York Region; Association for Bright Children; Autism Ontario; Blue Hills; Canadian National Institute for the Blind; Children's Treatment Network; Community Living – Aurora/Newmarket; Easter Seals; Kerry's Place; Kinark; Learning Disabilities Association of Ontario – York Region; Mackenzie Health; Parents for Children's Mental Health; Public Health; Special Olympics; VOICE for Deaf and Hard of Hearing Children; York Support Services Network; Community Care Access Centre

Location Information:

Sir William Mulock Secondary School
705 Columbus Way
Newmarket, ON
L3X 2N7

The Importance of Mindfulness

Take a Moment From Your Day and Just Breathe...

Mindfulness is a life skill to help improve one's overall health and well-being. It is training the muscle of attention; learning to be present in the moment and directing our attention with an open mind.

The benefits of mindfulness include:

- Improved memory
- Increased attention
- Better academic skills
- Emotional regulation
- Self-esteem
- Improved moods
- Decreased anxiety, stress and fatigue
- Meditation and deep breathing are some simple examples of mindfulness exercises and self-care techniques

As a parent, try to role model and practice mindfulness with your child. With practice, you and your child can learn to maintain attention, making way for a calmer approach to all aspects of life.

If you are interested in learning more about strategies to help your children to decrease stress, anxiety and improve focus, come

Stonebridge Chess Club

Exciting Chess Club News!

The Canadian Chess Challenge is an Annual National Championship by grade level, hosted by the Math'N Chess Association of Canada.

Congratulations to the intermediate chess players for winning the Intermediate Championship at the Markham/Thornhill regional Team Event! In the Individual Event category, the following students achieved the top 3 scores in their grades and qualified to play at the Provincial Tournament in April. Congratulations to Kevin Z. in grade 8, Quinton M. in grade 8, Robert D. in grade 7, Patrick H. in grade 6, Jason S. in grade 6, Paco L. in grade 4, and Michael L. in grade 3.

Chess club after school will continue as we prepare for the Area East Tournament on April 21. April will be the last month for chess this year.

Thanks to Mrs. D. Chow for another year of Chess at Stonebridge PS.

Connected PARENTING

Presents:

Connected PARENTING

An Evening on Understanding Strategies to Connect with our Children
living with Learning Disabilities and Attention Deficit Hyperactivity Disorder

Workshop: Connected Parenting Strategies as it pertains to LD/ADHD

Presented By: Jennifer Kolari from Connected Parenting

A workshop on how to use the tools that therapists implement to help children develop the emotional and neurological hardware they need to deal with whatever life throws at them! As the author of Connected Parenting, Jennifer will discuss her CALM technique which helps to de-escalate behaviour while building trust and increasing emotional resilience in children.

About the Author

Jennifer Kolari, M.S.W., R.S.W., author and founder of Connected Parenting is a therapist who has been helping children, teens and families get connected for 20 years.

Teaching techniques used by therapists, Connected Parenting empowers parents to use mirroring and empathy to attune to their child's feelings. This helps to set limits, shift negative behaviours and avoid ugly power struggles. Parents learn to help their children and teenagers organize and control their emotions – so they become more confident and emotionally resilient.

Time:

Wednesday April 26th 2017

6:30pm — 8:00pm

Location:

York Catholic District
