Photo Day – Wednesday September 26

Annual Terry Fox School Run

On Thursday September 27, 2018 students in grades 9-12 at our school will be taking part in the annual Terry Fox School Run on a special course set up on school property.

Students will have the opportunity to discuss the heroic efforts of Terry over the next few weeks and raise much needed funds for cancer research. Through their participation in the annual School Run, we hope that our students will view themselves as positive agents of change giving the best of themselves to Canada, just like Terry did.

Our goal this year is that every student will give a **toonie for Terry**. However, any amount of donation is greatly appreciated and donations of \$20.00 or more that are listed on a Terry Fox pledge sheet (with a full name and address) will automatically receive receipts for tax purposes. Cheques and cash will both be accepted. Please make any cheques payable to The Terry Fox Foundation. All monies raised will be forwarded to The Terry Fox Foundation. Those students unable to bring in donations are welcome to participate in the event as well.

Please return any pledge forms and all monies by **Friday September 21st** to your child's 5th period teacher.

Donating online is fast and easy. Simply, go to www.terryfox.org, click "Terry Fox School Run" and "Give to a Student", or click <http://www.terryfox.ca/StouffvilleDistrictHigh> which will take you to our school page on the Terry Fox Foundation website. Your child may also choose to set up their own fundraising page in the "Give to a Student" section. By doing this, they will be able to email friends and family a direct fundraising link.

We are very pleased to be a part of this year's Terry Fox Event as we encourage our students to develop a sense of volunteerism and goodwill, while celebrating school spirit. Thank you in advance for your support!

Sincerely,
Christina Giles

We have six colleges who will be in attendance, along with York Works, a representative from YRDSB who will discuss Dual Credits, and the Royal Military College. This is a fantastic opportunity for students to learn valuable information and ask questions that will help them make the right decisions in their grade 12 year. Did you know that YRDSB offers 15 International Languages CREDIT courses at 4 different high schools? Did you know that learning another language can...

- strengthen your first language and second language skills,
- create pride in your own culture and a better understanding of other cultures, and also
- can potentially enhance your career options?!

So what are you waiting for?! Now is the time to take advantage of this opportunity. Visit your Guidance office today to get a registration form for September 2018 classes.

Student Drop off Zone

Parents are reminded that the front of the school is reserved for bus drop offs. If you are driving your child to school, please use the designated drop off area at the east side of the school. Thank you.

No Parking / Designated Fire Routes

PLEASE DO NOT PARK IN DESIGNATED FIRE ROUTES

Any designated Fire Route needs to be clear of vehicles and ready for use by emergency vehicles.

In an emergency (fire, medical, lock down etc.) time is of the essence and emergency vehicles need access.

Fire Routes are signed “No Parking.” What does that mean?

1. This means that you cannot stop your vehicle and get out of the vehicle even for a short period of time.
2. You must obey the signs at all times regardless of the time of day or night.

In 2017, the Town of Whitchurch-Stouffville will adopt a zero tolerance approach to vehicles parked in designated Fire Routes. By-law Officers, Parking Officers, and Fire Prevention Officers will be issuing tickets when infractions are witnessed, to ensure the safety of all those using our schools and other buildings within the Municipality.

If you have questions or concerns, please contact: Whitchurch-Stouffville Fire & Emergency Services at **905-640-9595** OR By-Law Department at **905-640-1900 Ext. 2258**

Important bussing information sent from our Student Transportation Services of York Region

School Bus Cancellation Notice

To ensure the safety of students, school bus service may be cancelled due to inclement weather, extreme temperatures and/or poor road conditions. In these cases, parents and students should develop alternate care/transportation arrangements.

Cancellation decisions will only be made after thorough consultation with the Safety Officers of school bus companies servicing York Region and are based on several factors including precipitation, air temperature, road conditions and weather forecast.

Please note the following;

- A decision to cancel school bus service will be **region-wide** meaning all school buses, vans and taxis will not operate.
- **School bus routes may be cancelled when severe weather may not be affecting all municipalities in York Region.** Both the YRDSB and YCDSB operate many regional educational programs. Students attending these programs are transported over large attendance areas encompassing several municipal boundaries. This limits the ability to cancel bus service using a municipality or zone methodology.
- When bus service is cancelled all school tests and/or examinations will be cancelled and rescheduled.
- Student trips involving the use of school buses will also be cancelled.
- Unless otherwise stated, schools will remain open and parents can make arrangements to transport their children to and from school even if school bus service is cancelled. **If buses are cancelled in the morning, they will not operate in the afternoon. Therefore students transported to school by parents will require the same transportation home.**

Parents, students and school staff are asked to access the following radio and television stations after 6:00 a.m. to receive bus cancellation information:
