School Council

Thank you to the families who came out to our School Council meeting on September 23. All meeting minutes can be found on the [school website](#). Our next meeting will be on November 18th at 7:00 in the library or you can join virtually through [Google Meet](#).

School Photos

Any student who has not yet had a photo taken for their student card/ yearbook should have one done on Monday, October 7. Students will be called down alphabetically by last name. Please listen for your alpha call.

National Day for Truth and Reconciliation and Orange Shirt Day

At the end of September, we recognize National Day for Truth and Reconciliation and Orange Shirt Day. On this date, we commemorate the harm done to Indigenous peoples by the residential school system. We pause to honour the victims and survivors, and we reflect on the Truth and Reconciliation calls to action.

Georgina Island First Nation Pow Wow, September 28-29

One of the many actions we can take toward truth and reconciliation is attending events such as pow wows.

Georgina Island First Nation is our closest Indigenous partner and our partner in education. It is our great honour and privilege to again host the [Georgina Island First Nation Pow Wow](#) at Sutton D.H.S on September 28-29.

Pow wows are gatherings and celebrations of culture. We were so pleased to see so many staff and families from the

school board attending over the past few years. Visitors are welcome to attend and should familiarize themselves with pow wow [protocols](#) to ensure you are being respectful. It's a wonderful opportunity for celebration, learning and developing and enhancing relationships.

Parent Teacher Interviews – Oct 24th 6:30-8:30

October is Islamic Heritage Month

The Government of Canada declared the month of October as Canadian Islamic History Month in 2007. In 2016, Ontario passed the Islamic Heritage Month Act to recognize, celebrate and affirm the significant contributions that Muslims continue to make as part of the vibrant social, economic, political and cultural fabric of this province.

This year's Islamic Heritage Month (IHM) theme is Health and Healing. For more information about IHM's theme visit: <https://www.islamichistorymonth.ca/>

October is Latin American Heritage Month

October is Latin American Heritage Month. As proclaimed by the Government of Canada, October is a month to recognize and celebrate the significant contributions of the Latin American community to the social, economic and political fabric of the nation.

Latin American heritage and identities are vast, diverse and intersectional. People with Latin heritage and of the diaspora may come from Spain, Mexico, Central and South America, and the Caribbean.

October is Women's History Month

In 1992, the Government of Canada proclaimed October as Women's History Month. This is a month dedicated to honour and recognize girls and women of the past, present and future who work collectively to create inclusive and equitable environments.

The theme of Women's History Month is: Through Her Lens: Celebrating the Diversity of Women. The theme focuses on engaging in the diverse perspectives, experiences and barriers of women from diverse backgrounds and social identities including Indigenous women from 2SLGBTQI+ communities; women with disabilities; and newcomer, racialized, and migrant women. For more information about this month's theme visit the [government website](#).

Important Back-to-School Reminders

As we finish the first few weeks of school, we want to share a few important reminders and updates.

Contact Information: We ask families to ensure the school office has the most up-to-date contact information. This is important in case of emergencies and to ensure you receive important school communications. If your contact

information has changed, please contact the school office. This includes phone numbers, addresses and email addresses.

School Start-Up Forms: Parents/guardians received an email from YRDSB Update with a link to school start-up forms. These forms must be completed as soon as possible at the start of the school year as they contain information and permissions. The forms can be found at <https://startupforms.yrdsb.ca/>. Translated versions are also available. Tips are available on the Board website if you need additional information on how to log in to the Student GAPPs account to complete the forms. Please note:

- You must sign in to your child's student GAPPs account to complete the form.
- You must complete a separate form for each child attending school. Please ensure you log out of one student account before logging into another. You will not be able to submit the form twice logged into the same student account.
- If you prefer to complete the forms on paper or have questions about the information in the forms, please contact the school office.
- Secondary school students can complete the secondary school student form at <https://startupforms.yrdsb.ca/students>. They will also receive the link in their student GAPPs account. Elementary school students do not need to complete these student forms.

Board Website: Helpful information can be found on the YRDSB website at www.yrdsb.ca. A translation tool at the top of each page can translate content into over 80 languages. On the website, you can find information about board programs and student supports, as well as online tools for students, community supports and family resources such as translation information and the Guide to the School Year.

Family Dashboard

York Region District School Board is looking forward to launching a family portal later this year. The portal will make it easier for you to access information about your child's education in a secure and accessible way. To access the portal, it will be essential that the school has an updated email address for you. Please contact the school office if you need to update your email address. We look forward to sharing more information about this initiative with you soon.

In this first phase, the dashboard will include:

- parent/guardian authentication
- secure access to report card links
- links to useful information for parents/guardians

Updates to Student Use of Personal Mobile Devices in Schools

Students must now **store their mobile device out of view**, and power off or set to silent mode during instructional/class time. As you may know, in 2024, the Ontario Ministry of Education introduced a directive modifying the use of personal mobile devices in classrooms. YRDSB already has [Policy and Procedure 194.0 - Appropriate Use of Technology](#) and

many measures around personal mobile devices in place. The changes you may see will bring alignment with the new Ministry Directive. The following expectations for students' use of personal mobile devices are outlined in the revised [Provincial Code of Conduct \(PPM 128\)](#), and the York Region District School Board's Policy #668 Caring and Safe Schools.

A personal mobile device is any personal electronic device that can be used to communicate or access the internet, such as a laptop, cellphone, tablet or smart watch.

Expectations

Students are responsible for their personal mobile device, how they use it and the consequences of not following the provincial or school board policy.

Students' personal mobile devices must be **stored out of view and powered off or set to silent mode**, except under the circumstances outlined below:

- for educational purposes, as directed by an educator
- for health and medical purposes
- to support special education needs

Students in secondary school can bring a personal mobile device to school, but will be able to use it only during non-instructional time.

New Practices at School

If an educator sees a personal mobile device that is not **stored out of view and powered off or set to silent mode**, even after staff reminders, the student may be required to place their personal mobile device in a storage area in a location designated by the educator for the class or period.

Your child may face consequences if they use their personal mobile device inappropriately. Progressive discipline may apply and families may be notified.

Take Your Kids To Work Day

"Take Our Kids to Work" (TOKW) is an initiative that provides Grade 9 students with the opportunity to OBSERVE a work environment for one day. This program will support students to begin planning their future career path by helping them better understand the world of work.

On Wednesday November 6, 2024, Grade 9 students will have an opportunity to spend the day at a workplace of a parent/guardian, relative or family friend. There will be no formal instruction/lessons for Grade 9 students on November

6th. Grade 9 students have the choice of attending a workplace to observe, or stay home and complete activities linked below.

Parents/guardians are asked to go to School Cash Online to check-off the option that reflects the plans for their Grade 9 child/ward on "Take Our Kids to Work Day"

For students who cannot find a job shadow placement there is an asynchronous career exploration activity to be completed at home. Students/families must register for these online activities at <https://studentscommission.ca/events/tokw2024/>. All grade 9 students will receive an email in their GAPPS account with the required work to complete for November 6.

Parents/guardians are asked to complete this form on School Cash Online <https://schoolcashionline.com/> by Friday October 25, 2024 .

Family Dashboard

We are pleased to introduce the YRDSB family portal called the Family Dashboard. The dashboard will give you secure one-stop access to information and applications related to your child's education. It is designed to make it easier for families to engage with their child's education.

In this first phase, the dashboard will include secure access to report cards and links to useful information for parents/guardians.

By the end of October, you will receive an email from YRDSB Update inviting you to register for the dashboard. Please ensure your school office has your up-to-date email address to ensure you receive the invitation. We also encourage parents/guardians to have individual email addresses to access the Family Dashboard, rather than one shared email address.

Please note, you can still request a printed copy of your child's report card if you prefer by contacting your child's school. For additional support and frequently asked questions, please [visit the Board website](#). We will continue to update information on this page. A temporary call centre will be available to support families in setting up their accounts.

Important Back-to-School Reminders

As we finish the first few weeks of school, we want to share a few important reminders and updates.

Contact Information: We ask families to ensure the school office has the most up-to-date contact information. This is important in case of emergencies and to ensure you receive important school communications. If your contact information has changed, please contact the school office. This includes phone numbers, addresses and email addresses.

School Start-Up Forms: Parents/guardians received an email from YRDSB Update with a link to school start-up forms. These forms must be completed as soon as possible at the start of the school year as they contain information and permissions. The forms can be found at <https://startupforms.yrdsb.ca/>. Translated versions are also available. Tips are available on the Board website if you need additional information on how to log in to the Student GAPPs account to complete the forms. Please note:

- You must sign in to your child's student GAPPs account to complete the form.
- You must complete a separate form for each child attending school. Please ensure you log out of one student account before logging into another. You will not be able to submit the form twice logged into the same student account.
- If you prefer to complete the forms on paper or have questions about the information in the forms, please contact the school office.
- Secondary school students can complete the secondary school student form at <https://startupforms.yrdsb.ca/students>. They will also receive the link in their student GAPPs account. Elementary school students do not need to complete these student forms.

Board Website: Helpful information can be found on the YRDSB website at www.yrdsb.ca. A translation tool at the top of each page can translate content into over 80 languages. On the website, you can find information about board programs and student supports, as well as online tools for students, community supports and family resources such as translation information and the Guide to the School Year.

2025 Prime Minister's Awards Guidelines

The Prime Minister's Awards for Teaching Excellence: These awards honour outstanding and innovative elementary and secondary school teachers in all disciplines for their remarkable educational achievements and for their commitment to preparing youth for a digital and innovation-based economy.

The Prime Minister's Awards for Teaching Excellence in STEM: These awards recognize inspirational Science, Technology, Engineering, and Mathematics (STEM) teachers at the elementary or secondary school level who keep students engaged in STEM learning and who help develop the culture of innovation that Canada needs today, and in the future.

Start the process today by downloading a nomination form. Nominations for the 2025 Prime Minister's Awards must be submitted to the Prime Minister's Awards office by January 15, 2025 (11:59 PM Pacific standard time). **Here is the full list of eligibility criteria**

If you have any questions or encounter any issues during the nomination process, please contact the Prime Ministers Awards by:

- Email: primeministersawards-prixdupremierministre@ised-isde.gc.ca

October is Islamic Heritage Month

The Government of Canada declared the month of October as Canadian Islamic History Month in 2007. In 2016, Ontario passed the Islamic Heritage Month Act to recognize, celebrate and affirm the significant contributions that Muslims continue to make as part of the vibrant social, economic, political and cultural fabric of this province.

This year's Islamic Heritage Month (IHM) theme is Health and Healing. For more information about IHM's theme visit: <https://www.islamichistorymonth.ca/>

October is Latin American Heritage Month

October is Latin American Heritage Month. As proclaimed by the Government of Canada, October is a month to recognize and celebrate the significant contributions of the Latin American community to the social, economic and political fabric of the nation.

Latin American heritage and identities are vast, diverse and intersectional. People with Latin heritage and of the diaspora may come from Spain, Mexico, Central and South America, and the Caribbean.

October is Women's History Month

In 1992, the Government of Canada proclaimed October as Women's History Month. This is a month dedicated to honour and recognize girls and women of the past, present and future who work collectively to create inclusive and equitable environments.

The theme of Women's History Month is: Through Her Lens: Celebrating the Diversity of Women. The theme focuses on engaging in the diverse perspectives, experiences and barriers of women from diverse backgrounds and social identities including Indigenous women from 2SLGBTQI+ communities; women with disabilities; and newcomer, racialized, and migrant women. For more information about this month's theme visit the [government website](#).

SDSS Post-Secondary Fair:

On Tuesday November 7, Stouffville DSS will be hosting a post-secondary fair where **over 30 institutions** will be coming. The fair begins at 6:30 p.m. with panel sessions where the various colleges, universities, and trade representatives will share important information. The next session is from 8:15 - 9:00 p.m. where booths will be set up in the gym and representatives will provide materials and answer any questions you may have. Come by and check it out!

OCAS/OAUC OEN and MIDENT Distribution for Graduating Students:

For the 2024-2025 school year, students applying to post-secondary school through OCAS and/or OUAC will be provided their OEN and MIDENT (BSID) through a secure centrally facilitated process (via ITS) to their GAPPs email. During the week of October 15, Grade 11 and 12 students will receive their information via GAPPs email; this will ensure a secure transfer of the information needed to complete the post-secondary application process. Please keep an eye out for this email as students will need this information to be able to apply to college or university.

Course Change Requests:

If you have any questions or want to change courses for Semester 2, please book an appointment on Teach Assist.

If your child would like to DROP a course, please complete the following [Drop Form](#) and ensure you [email the guidance department](#) for approval BEFORE booking a guidance appointment. **For Grade 11 and 12 students, before dropping a course, ensure you are on track to graduate on time.**

Reminder: If students book a guidance appointment, they are to come down to the guidance department at their selected time slot. The guidance team will not call into classrooms to interrupt lessons.

Dual Credit:

Semester 2 Dual Credit courses will open in November. If you are a Grade 11 or 12 student interested in earning a College **AND** High School credit, book an appointment with your guidance counsellor today for more information.

Mental Health Supports:

If students are in urgent need of mental health support they should come to Guidance to see a counsellor. If they are in a severe crisis they should access support by contacting one of the agencies below or should be taken to a local emergency room.

Ontario Secondary School Literacy Test (OSSLT)

As per the Ministry of Education students are required to work towards the literacy graduation requirement through participating in the OSSLT or the Ontario Secondary School Literacy Course (OSSLT). At this time, the York Region District School Board has decided that:

- Previously eligible Grade 11 and 12s and all grade 10 students will write the OSSLT in November 2023
- Students who are unsuccessful on the test this Fall will have another opportunity to write in the Spring
- Students will be supported in preparing through school-wide cross-curricular literacy activities and can also access the [EQAO's practice test here](#).
- Please mark the dates for the OSSLT at SDSS and avoid scheduling appointments on these dates if your child is

scheduled to write the Literacy Test: Wednesday, November 20th and Thursday, November 21st at 9:20 am.

After School Literacy Program

The Ministry of Education has provided funding for an **After School Literacy Program (ASLP)** for students to reinforce reading and writing skills in preparation for the Ontario Secondary School Literacy Test (OSSLT). While this is not a credit-bearing program, its goal is to build upon the reading and writing skills of students to enhance and support their literacy skills.

The ASLP at SDSS consists of 5 90-minute sessions from 3:30 pm to 5:00 pm.

The course will run on the following dates: Oct 30th, Nov 5th, Nov 7th, Nov 12th and Nov 14th.

While receiving additional assistance through the ASLP, your child will continue to receive regular literacy instruction from their classroom teachers related to the reading and writing skills required in each course. We believe that this program will make a difference in your child's knowledge and confidence related to literacy.

To register, please read and complete the [Student Registration Google Form](#).

Halloween

A few important reminders about Halloween for those choosing to dress up or wear black and orange to school on October 31:

- Costumes should be respectful of others. Symbols or objects representative of a person's race, culture, ethnicity, or religious beliefs, should not be worn as another person's costume, nor should costumes that caricature social identities through stereotyping. Be sensitive to images and media use
- **No** Halloween masks are to be worn and students should only use single use make-up (no sharing of make-up)
- **No** replica weapons of any kind are allowed

Updates to Student Use of Personal Mobile Devices in Schools

Students must now **store their mobile device out of view**, and power off or set to silent mode during instructional/class time. As you may know, in 2024, the Ontario Ministry of Education introduced a directive modifying the use of personal mobile devices in classrooms. YRDSB already has [Policy and Procedure 194.0 - Appropriate Use of Technology](#) and many measures around personal mobile devices in place. The changes you may see will bring alignment with the new Ministry Directive. The following expectations for students' use of personal mobile devices are outlined in the revised [Provincial Code of Conduct \(PPM 128\)](#), and the York Region District School Board's Policy #668 Caring and Safe Schools.

A personal mobile device is any personal electronic device that can be used to communicate or access the internet, such as a laptop, cellphone, tablet or smart watch.

Expectations

Students are responsible for their personal mobile device, how they use it and the consequences of not following the provincial or school board policy.

Students' personal mobile devices must be **stored out of view and powered off or set to silent mode**, except under the circumstances outlined below:

- for educational purposes, as directed by an educator
- for health and medical purposes
- to support special education needs

Students in secondary school can bring a personal mobile device to school, but will be able to use it only during non-instructional time.

New Practices at School

If an educator sees a personal mobile device that is not **stored out of view and powered off or set to silent mode**, even after staff reminders, the student may be required to place their personal mobile device in a storage area in a location designated by the educator for the class or period.

Your child may face consequences if they use their personal mobile device inappropriately. Progressive discipline may apply and families may be notified.

Take Your Kids To Work Day

"Take Our Kids to Work" (TOKW) is an initiative that provides Grade 9 students with the opportunity to OBSERVE a work environment for one day. This program will support students to begin planning their future career path by helping them better understand the world of work.

On Wednesday November 6, 2024, Grade 9 students will have an opportunity to spend the day at a workplace of a parent/guardian, relative or family friend. There will be no formal instruction/lessons for Grade 9 students on November 6th. Grade 9 students have the choice of attending a workplace to observe, or stay home and complete activities linked below.

Parents/guardians are asked to go to School Cash Online to check-off the option that reflects the plans for their Grade 9 child/ward on "Take Our Kids to Work Day"

For students who cannot find a job shadow placement there is an asynchronous career exploration activity to be completed at home. Students/families must register for these online activities at <https://studentscommission.ca/events/tokw2024/>. All grade 9 students will receive an email in their GAPPs account

with the required work to complete for November 6.

Parents/guardians are asked to complete this form on School Cash Online <https://schoolcashonline.com/> by Friday October 25, 2024 .

Hindu Heritage Month

On December 8, 2016, the province of Ontario designated November as Hindu Heritage Month as outlined in the [Hindu Heritage Month Act](#). November 2022 marked Canada's first official Hindu Heritage month. During this month, YRDSB recognizes and celebrates the past, present and future contributions and inspirational impact of Hindu Canadians in our communities.

Hinduism is considered by some as one of the world's oldest religions, dating back over 10,000 years. With over 900 million followers worldwide, Hinduism is the third-largest religion. Hinduism is a henotheistic religion that worships one God while acknowledging the existence of other gods. Some of these deities include Brahma, Shiva, Paarvathi, Lakshmi, Ganesha, Muruga, Kaali, and Vishnu, along with others. Hinduism consists of many traditions and festivities that are celebrated throughout the year. Diwali, Navaratri, and Ganesh Chaturthi are some celebrations in which Hindus participate in Ontario, Canada, and around the world. For Hindu Canadians, faith-based practices vary across communities, cultures and generations of people.

Albanian Heritage Month

November is Albanian Heritage Month as proclaimed by the Ontario government in 2015. Albania is situated in eastern Europe, and the main language spoken is Albanian. The majority of Albanians identify as Muslim followed by Eastern Orthodox and Roman Catholic. There are approximately 29000 Canadians with Albanian ethnicities. The month of November is significant to people of Albanian origin as it commemorates the Albanian Declaration of Independence which took place on November 28, 1912. Albania also recognizes Liberation Day, a day that Albania was liberated from Nazi Germany forces after the Albanian resistance on November 29, 1944.

The proclamation of November as Albanian Heritage Month recognizes the diverse ways in which Albanian Canadians have contributed to the intricate social and cultural makeup of Ontario. It is a month to celebrate Albanian identity and acknowledge the histories and lived experiences of Albanian Canadians.

Hindu Heritage Month

On December 8, 2016, the province of Ontario designated November as Hindu Heritage Month as outlined in the [Hindu Heritage Month Act](#). November 2022 marked Canada's first official Hindu Heritage month. During this month, YRDSB recognizes and celebrates the past, present and future contributions and inspirational impact of Hindu Canadians in our communities.

Hinduism is considered by some as one of the world's oldest religions, dating back over 10,000 years. With over 900 million followers worldwide, Hinduism is the third-largest religion. Hinduism is a henotheistic religion that worships one God while acknowledging the existence of other gods. Some of these deities include Brahma, Shiva, Paarvathi, Lakshmi, Ganesha, Muruga, Kaali, and Vishnu, along with others. Hinduism consists of many traditions and festivities that are celebrated throughout the year. Diwali, Navaratri, and Ganesh Chaturthi are some celebrations in which Hindus participate in Ontario, Canada, and around the world. For Hindu Canadians, faith-based practices vary across communities, cultures and generations of people.

Albanian Heritage Month

November is Albanian Heritage Month as proclaimed by the Ontario government in 2015. Albania is situated in

eastern Europe, and the main language spoken is Albanian. The majority of Albanians identify as Muslim followed by Eastern Orthodox and Roman Catholic. There are approximately 29000 Canadians with Albanian ethnicities. The month of November is significant to people of Albanian origin as it commemorates the Albanian Declaration of Independence which took place on November 28, 1912. Albania also recognizes Liberation Day, a day that Albania was liberated from Nazi Germany forces after the Albanian resistance on November 29, 1944.

The proclamation of November as Albanian Heritage Month recognizes the diverse ways in which Albanian Canadians have contributed to the intricate social and cultural makeup of Ontario. It is a month to celebrate Albanian identity and acknowledge the histories and lived experiences of Albanian Canadians.

Transgender Awareness Week and Day of Remembrance

Transgender Awareness Week is from November 13-19, 2024. This annual week of recognition aims to deepen awareness of historic and present day challenges, barriers and oppression faced by the trans community as well as uplift stories of joy, advocacy and justice. November 20 is Transgender Day of Remembrance, a day to pay tribute and honour the lives of the victims of transphobic violence.

Attendance

To report any student absences or late arrivals during this academic year, please direct all correspondence to the designated email address: stouffville.dss.attendance@yrdsb.ca. Stouffville is Going 1:1

In September 2025, Stouffville District Secondary School will be introducing a 1:1 (Bring Your Own Device) program for all our students. This program has each student bring their own digital device to school each day to support the use of digital tools in class to enrich their learning environment.

What is the 1:1 Program?

- An approach to education that revolves around improving student learning and engagement with the integration of technology into daily school life.
- Students enhance their critical thinking skills as creators with technology rather than passive consumers of technology
- All students are required to have access to a laptop, chromebook or tablet PC for education purposes. Students take ownership of their device and will not be required to share with others.
- Students are provided a locker to store their device to ensure its safe keeping while at school and not in use.

Benefits of 1:1 Learning:

- Increases collaboration within and beyond the classroom
- Provides immediate access to resources and information
- Improves organization and planning
- Promotes self-initiated learning and increases independence
- Develops the technological know-how students will need in their future endeavours

Technology Requirements:

- A cell phone is not a 1:1 device
- Students will not be required to purchase software. If they take a course that uses proprietary software, the school will provide resources for access.
- Families can choose with their child the device that is most appropriate for them. Chromebooks will suffice for this program.
- Battery life is the most important component for your child's device
- Students who cannot afford a primary device will work with their Vice Principal to have a long-term loan Chromebook assigned to them.

If you have any questions, please do not hesitate to contact Stouffville District Secondary School.

Student Trustee Applications Open

If you will be in grade 11 or 12 next school year and are passionate about student voice, consider becoming a student trustee, and representing students across YRDSB. Student trustees network with students, staff and the Board of Trustees to share information that gives students a meaningful voice. Learn more about the role and how you can apply at www.yrdsb.ca/studenttrustees. Applications can be submitted between November 25-December 9. The deadline to apply is December 9, 2024, 11:59 p.m.

All students in Grades 5-12 will have an opportunity to vote for the candidate who represents our area of the Board. There are four areas of the Board (central, east, north and west). Once the four final candidates are announced, students can vote for two of the four candidates to represent them as student trustees in the 2025-2026 school year. Students will receive information on how to vote in the election during the campaign and voting

Spartans - Variety Show

Do you have a unique performance or talent you are interested in showing your fellow peers and classmates? Whether it's singing, dancing, playing an instrument, comedy, showcasing an art piece, etc., we'd love to see it!

Spartans - Variety Show auditions will be held December 3 and 4 in the caf after school.

Kwanzaa Celebration

Students, staff and families, please join us as we come together to celebrate Kwanzaa! This special event will honour African heritage, unity and culture and will be a time to reflect on the seven principles of Kwanzaa, enjoy cultural traditions and foster community spirit.

Date: Monday, December 9, 2024

Time: 6:00 – 8:30 P.M.

Location: Dr. Bette Stephenson, 36 Regatta Avenue, Richmond Hill

Event Details:

- Storytelling on Kwanzaa's history and principles
- Music and performances celebrating African heritage and culture
- Crafts and activities for all ages
- A community feast

We look forward to celebrating this cultural holiday with you.

Signing Out Students for Sports Events

Please note that SDSS does not support signing out students to be spectators at sporting events. This guideline is in place to support the school’s commitment to maintaining academic engagement during instructional hours. While we encourage school spirit and participation in extracurricular activities, it is essential that such involvement does not compromise students’ learning time.

Undergraduate Scholarships - Horatio Alger Canada

Horatio Alger Canadian Scholarships and National Entrepreneurial Scholarships for the Class of 2026 will open December 1, 2024. More information can be found on the website [Scholarships](#) .

Grade 8 Open House

We are excited to invite you to our Grade 8 Open House on December 5th. This event will provide an excellent opportunity to learn more about our programs and offerings as your child prepares for the next step in their academic journey. Please see the attached flyer for further details. We look forward to welcoming you and answering any questions you may have.

Stouffville is Going 1:1

In September 2025, Stouffville District Secondary School will be introducing a 1:1 (Bring Your Own Device) program for all our students. This program has each student bring their own digital device to school each day to support the use of digital tools in class to enrich their learning environment.

What is the 1:1 Program?

- An approach to education that revolves around improving student learning and engagement with the integration of technology into daily school life.
- Students enhance their critical thinking skills as creators with technology rather than passive consumers of technology

- All students are required to have access to a laptop, chromebook or tablet PC for education purposes. Students take ownership of their device and will not be required to share with others.
- Students are provided a locker to store their device to ensure its safe keeping while at school and not in use.

Benefits of 1:1 Learning:

- Increases collaboration within and beyond the classroom
- Provides immediate access to resources and information
- Improves organization and planning
- Promotes self-initiated learning and increases independence
- Develops the technological know-how students will need in their future endeavours

Technology Requirements:

- A cell phone is not a 1:1 device
- Students will not be required to purchase software. If they take a course that uses proprietary software, the school will provide resources for access.
- Families can choose with their child the device that is most appropriate for them. Chromebooks will suffice for this program.
- Battery life is the most important component for your child's device
- Students who cannot afford a primary device will work with their Vice Principal to have a long-term loan Chromebook assigned to them.

If you have any questions, please do not hesitate to contact Stouffville District Secondary School.

Student Trustee Applications Open

If you will be in grade 11 or 12 next school year and are passionate about student voice, consider becoming a student trustee, and representing students across YRDSB. Student trustees network with students, staff and the Board of Trustees to share information that gives students a meaningful voice. Learn more about the role and how you can apply at www.yrdsb.ca/studenttrustees. Applications can be submitted between November 25-December 9. The deadline to apply is December 9, 2024, 11:59 p.m.

All students in Grades 5-12 will have an opportunity to vote for the candidate who represents our area of the Board. There are four areas of the Board (central, east, north and west). Once the four final candidates are announced, students can vote for two of the four candidates to represent them as student trustees in the 2025-2026 school year. Students will receive information on how to vote in the election during the campaign and voting

Attendance

To report any student absences or late arrivals during this academic year, please direct all correspondence to the designated email address: stouffville.dss.attendance@yrdsb.ca. This ensures that our records remain accurate and up-to-date, allowing us to provide the best possible support to our students and community.

OYAP Pathways Information Session

The Pathways Team in Curriculum & Instructional Services in collaboration with the York Catholic District School Board invites families of students in **Grades 9-11** to **attend a Skilled Trades and Technology Career Planning Information Night**. The goal of this event is to inspire students to take their first step towards a career in industries that are constantly innovating, on the cutting edge of emerging technologies, and making a critical difference in people's lives. Students will have the opportunity to learn about some of Ontario's 140+ trades through presentations and information booths. They will hear directly from the YRDSB Pathways team, tradespeople, and local employers about life-changing career opportunities. This event is taking place on **Monday, December 9, 2024** from **6:30 p.m. - 8:30 p.m.** at **Richmond Hill High School** (201 Yorkland Street, Richmond Hill, ON, L4S 1A2).

Registration Process:

- Students, their families and YRDSB educators are invited to register through our YRDSB [Skilled Trades and Technology Open House Registration](#).
- Schools can communicate this opportunity to your parent/guardian community using this [Pathways to Skilled Trades and Technology flyer](#) that can be included in school communications to families.

Grade 12 Mark Uploads to OCAS & OUAC

Guidance uploaded your semester 1 marks into OCAS on November 15 and to OUAC on November 19. We encourage students to log in to confirm the following:

- your personal information is correct
- that marks are correct
- that your currently enrolled courses are listed

It is a student's responsibility to ensure that the information in OUAC and OCAS is accurate and to report any errors to their guidance counsellor as soon as possible.

Undergraduate Scholarships:

Check out these amazing scholarship opportunities from [The Horatio Alger Association](#). The Horatio Alger Association is dedicated to facilitating the educational aspirations of promising Canadian undergraduates through its scholarship services. These scholarships are tailored to alleviate financial burdens and open doors to higher education for students who have displayed resilience and determination in the face of adversity.

Community Hours:

Attention Grade 12 students, please complete and submit your 40 hours of community service as soon as possible. You need these to graduate. Check out the Guidance Google Classroom or Guidance Instagram for volunteer opportunities.

Course Change Requests:

If you have any questions or want to change courses for Semester 2, please book an appointment on Teach Assist.

If your child would like to DROP a course, please complete the following [Drop Form](#) and ensure you [email the guidance department](#) for approval BEFORE booking a guidance appointment. **For Grade 11 and 12 students, before dropping a course, ensure you are on track to graduate on time.**

Reminder: If students book a guidance appointment, they are to come down to the guidance department at their selected time slot. The guidance team will not call into classrooms to interrupt lessons.

Dual Credit:

Semester 2 Dual Credit courses will open in December. If you are a Grade 11 or 12 student interested in earning a College **AND** High School credit, book an appointment with your guidance counsellor today for more information.

Mental Health Supports:

If students are in urgent need of mental health support they should come to Guidance to see a counsellor. If they are in a severe crisis they should access support by contacting one of the agencies below or should be taken to a local emergency room.

OYAP Pathways Information Session

The Pathways Team in Curriculum & Instructional Services in collaboration with the York Catholic District School Board invites families of students in **Grades 9-11** to **attend a Skilled Trades and Technology Career Planning Information Night**. The goal of this event is to inspire students to take their first step towards a career in industries that are constantly innovating, on the cutting edge of emerging technologies, and making a critical difference in people's lives. Students will have the opportunity to learn about some of Ontario's 140+ trades through presentations and information booths. They will hear directly from the YRDSB Pathways team, tradespeople, and local employers about life-changing career opportunities. This event is taking place on **Monday, December 9, 2024** from **6:30 p.m. - 8:30 p.m.** at **Richmond Hill High School** (201 Yorkland Street, Richmond Hill, ON, L4S 1A2).

Registration Process:

- Students, their families and YRDSB educators are invited to register through our YRDSB [Skilled Trades and Technology Open House Registration](#).
- Schools can communicate this opportunity to your parent/guardian community using this [Pathways to Skilled Trades and Technology flyer](#) that can be included in school communications to families.

Grade 12 Mark Uploads to OCAS & OUAC

Guidance uploaded your semester 1 marks into OCAS on November 15 and to OUAC on November 19. We encourage students to log in to confirm the following:

- your personal information is correct
- that marks are correct
- that your currently enrolled courses are listed

It is a student's responsibility to ensure that the information in OUAC and OCAS is accurate and to report any errors to their guidance counsellor as soon as possible.

Undergraduate Scholarships:

Check out these amazing scholarship opportunities from [The Horatio Alger Association](#). The Horatio Alger Association is dedicated to facilitating the educational aspirations of promising Canadian undergraduates through its scholarship services. These scholarships are tailored to alleviate financial burdens and open doors to higher education for students who have displayed resilience and determination in the face of adversity.

Community Hours:

Attention Grade 12 students, please complete and submit your 40 hours of community service as soon as possible. You need these to graduate. Check out the Guidance Google Classroom or Guidance Instagram for volunteer opportunities.

Course Change Requests:

If you have any questions or want to change courses for Semester 2, please book an appointment on Teach Assist.

If your child would like to DROP a course, please complete the following [Drop Form](#) and ensure you [email the guidance department](#) for approval BEFORE booking a guidance appointment. **For Grade 11 and 12 students, before dropping a course, ensure you are on track to graduate on time.**

Reminder: If students book a guidance appointment, they are to come down to the guidance department at their selected time slot. The guidance team will not call into classrooms to interrupt lessons.

Dual Credit:

Tamil Heritage Month (January)

Tamil Heritage Month aims to celebrate the richness of the Tamil language and its literature, and highlight Tamil Canadians' vibrant traditions, history, arts, and cultures. In addition, it seeks to recognize the significant contributions of Tamil Canadians in key areas of social, cultural, economic, and political spheres.

Tamil is considered one of the oldest ancient classical languages. The roots of the Tamil language originated in the Sangam Literature period (300 BCE), and is believed to be over 3000 years old. The use of the term 'Tamil' can be found in the Tholkappiyam, the most ancient Tamil grammar text. Tamil is an official language in South India, Sri Lanka, and Singapore, and Tamil speaking individuals can be predominately found in Malaysia, South Africa, North America, Western Europe and Singapore.

Help for Science

After the Winter Break, grade 9 & 10 science students have the opportunity to get help from science teachers during lunch. Grade 10 students will be hosted in room 2061. Grade 11 students should report to room 2063.

Wellbeing & Mindfulness Workshop

We are delighted to invite you to an engaging Wellbeing and Mindfulness Workshop designed to help students and families nurture balance, build resilience, and practice self-care in today's fast-paced world.

Tamil Heritage Month (January)

Tamil Heritage Month aims to celebrate the richness of the Tamil language and its literature, and highlight Tamil Canadians' vibrant traditions, history, arts, and cultures. In addition, it seeks to recognize the significant contributions of Tamil Canadians in key areas of social, cultural, economic, and political spheres.

Tamil is considered one of the oldest ancient classical languages. The roots of the Tamil language originated in the Sangam Literature period (300 BCE), and is believed to be over 3000 years old. The use of the term 'Tamil' can be found in the Tholkappiyam, the most ancient Tamil grammar text. Tamil is an official language in South India, Sri Lanka, and Singapore, and Tamil speaking individuals can be predominately found in Malaysia, South Africa, North America, Western Europe and Singapore.

BUILDING HEALTHY KIDS

This winter reboot your family's routine!

A new year is here, and it's a great time to think about your family's routines!

As you start to think about your family's goals for 2025 be realistic. Make sure to incorporate things you already enjoy, build upon on what's already working well, and be patient with yourself and your kids.

Help your family to continue building healthy habits for 2025 through daily movement, nutritious meals, and mental health promotion strategies you can use with your children all year round! During the winter months, try foods to keep you warm including soups, stews, casseroles, curries, and chili. Enjoy some family meals together and cooking with your children – it's a great way to connect, spend time together, and learn new skills.

If you are thinking about getting more active, consider getting outdoors to play! When children and youth are outside, they move more, get curious, and find joy. Interacting with nature, even when it is cold outside, has many benefits. It helps restore our ability to concentrate and pay attention. It improves mood, focus and our stress response. Remember to dress for the weather, it's the first step to enjoying being outside and the best way to do this is to layer clothing you can remove easily when it is warmer or put back on when it becomes colder. Make sure gaps such as wrists, ankles, neck, back and waist are covered and even though it is winter - don't forget sunscreen and sunglasses!

If you find things are tough at the start of the new year for you or your family, you can try breathing, visualization, muscle relaxation, journalling, listening to music, practising gratitude to help you cope. Try a variety of activities to see what works best. As a parent or caregiver, it is essential to take care of yourself, so you can care and support others. Your self care will help improve your energy, focus, ability to cope with challenges and you will be a model to your children.

Tamil Heritage Month (January)

Tamil Heritage Month aims to celebrate the richness of the Tamil language and its literature, and highlight Tamil Canadians' vibrant traditions, history, arts, and cultures. In addition, it seeks to recognize the significant contributions of Tamil Canadians in key areas of social, cultural, economic, and political spheres.

Tamil is considered one of the oldest ancient classical languages. The roots of the Tamil language originated in the Sangam Literature period (300 BCE), and is believed to be over 3000 years old. The use of the term 'Tamil' can be found in the Tholkappiyam, the most ancient Tamil grammar text. Tamil is an official language in South India, Sri Lanka, and Singapore, and Tamil speaking individuals can be predominately found in Malaysia, South Africa, North America, Western Europe and Singapore.

Lunar New Year

Lunar New Year is a vibrant and meaningful cultural celebration embraced by many communities around the world. While it is particularly significant for individuals of East and Southeast Asian heritage, as well as other members of the Asian diaspora, its joyful spirit resonates with diverse cultures and families globally. This festive occasion marks the first day of the Lunar Calendar, with dates determined by the moon's cycles, typically falling between late January and early February. For some, this time of year also holds deep religious significance.

Lunar New Year, also referred to as the Spring Festival, is a time when families and communities come together to celebrate and share in traditional foods and activities. Each culture brings its own unique customs to the occasion, creating a rich tapestry of celebration. Families gather to enjoy traditional meals, engage in meaningful rituals, and spend quality time with one another. Traditional customs may involve cleaning homes, settling debts, giving monetary gifts and mending relationships to signify a fresh start. Families may also perform rituals to honor their elders and ancestors.

Aquatic Leadership Programs

Become a lifeguard and/or swim instructor through eligible PLAY-funded aquatic leadership programs.

Aquatic leadership programs offer a unique opportunity for eligible youth and single parents to gain the skills needed to become recreation staff. Municipal recreation jobs offer rewarding seasonal part-time job opportunities with flexible hours and room for career growth.

Approved Programs:

- Ranger, Rookie and Star Patrol
- Bronze Star
- Bronze Medallion
- Bronze Medallion with Emergency First Aid
- Emergency First Aid
- Bronze Cross
- Bronze Cross with Standard First Aid
- Standard First Aid
- Assistant Instructor
- National Lifeguard Certificate
- National Lifeguard Instructor; or its equivalent, as approved by the Region

Check out this [resource](#) from the Lifesaving Society – Canada for details on how to become a lifeguard.

Eligibility

Family members who are eligible for PLAY may access an unlimited number of approved leadership programs each season, regardless of their individual or combined cost. Unlimited leadership programs cannot be combined with regular recreation program enrollments.

How to Apply

Please see the application instructions in the PLAY section to apply for PLAY funding. Detailed registration instructions will be provided if you are eligible for PLAY funding.

Once you are approved for PLAY, please check with your [local municipality](#) for program availability and registration dates. To work as a lifeguard or swim instructor in York Region, please check with your [local municipality](#) for a detailed list of job requirements and certifications.

Leadership Training Programs

York Region offers recreation subsidies to eligible youth to receive various certifications through local municipalities, including aquatic leadership programs, counsellor in training, babysitter courses and more. Leadership training is a great way to build confidence, meet new people and even help secure a part-time job. Through PLAY, eligible youth and single parents can enroll in the following leadership training opportunities and receive certifications

- Home Alone/Safe at Home
- Babysitter's Course
- Counsellor or Leader in Training programs

- High Five certification training
- Volunteer Leadership Program (City of Vaughan)
- Additional programs may be approved in consultation with municipal recreation departments

Eligibility

Family members who are eligible for PLAY may access an unlimited number of approved leadership programs each season, regardless of their individual or combined cost. Unlimited leadership programs cannot be combined with regular recreation program enrollments.

How to Apply

Please see the application instructions in the PLAY section to apply for PLAY funding. Detailed registration instructions will be provided if you are eligible for PLAY funding.

Once you are approved for PLAY, please check with your [local municipality](#) for program availability and registration dates.

Attendance

Grade 9 EQAO Math Results

Students will receive their EQAO Math results from their Math teacher on Mark Review Day. Families are reminded that EQAO Math is a multi-stage computer adaptive test, meaning that questions are adapted to the individual student's performance as they progress through the modules. Parents are invited to review the [scoring information posted by EQAO](#) for more details.

OSSLT Results

If your child wrote the OSSLT in November, results have been emailed to all parent/guardians and students. If you have any additional questions please contact Mr. Press at neil.press@yrdsb.ca.

Lunar New Year

Lunar New Year is a vibrant and meaningful cultural celebration embraced by many communities around the world. While it is particularly significant for individuals of East and Southeast Asian heritage, as well as other members of the Asian diaspora, its joyful spirit resonates with diverse cultures and families globally. This festive occasion marks the first day of the Lunar Calendar, with dates determined by the moon's cycles, typically falling between late January and early February. For some, this time of year also holds deep religious significance.

Lunar New Year, also referred to as the Spring Festival, is a time when families and communities come together to celebrate and share in traditional foods and activities. Each culture brings its own unique customs to the occasion, creating a rich tapestry of celebration. Families gather to enjoy traditional meals, engage in meaningful rituals, and spend quality time with one another. Traditional customs may involve cleaning homes, settling debts, giving monetary gifts and mending relationships to signify a fresh start. Families may also perform rituals to honor their elders and ancestors.

Attendance

To report any student absences or late arrivals during this academic year, please direct all correspondence to the designated email address: stouffville.dss.attendance@yrdsb.ca. This ensures that our records remain accurate and up-to-date, allowing us to provide the best possible support to our students and community.

Message from Our Trustee, February 2025

Welcome to the start of the second half of the school year.

Congratulations to secondary school students who have completed exams and culminating activities and are ready to start a new semester, and to elementary school students for all their hard work in the first term. I want to remind families that when report cards are available, you can now access your child's report card through the [Family](#)

[Dashboard](#).

For students looking at [course selection](#) for next year, the [Experience YRDSB pages](#) on our website will let you explore the areas that interest you and learn more about the courses, programs and opportunities available in your secondary school.

At the end of January, we recognized [Lunar New Year](#), commemorating the first day of the Lunar calendar. Throughout the month, we also recognized [Tamil Heritage Month](#). In February, we recognize Black History Month, I encourage you to check the [Board calendar](#) for upcoming events to celebrate Black excellence and recognize the contributions made by Black Canadians. You can also find information about other upcoming significant dates and events for families.

The [Student Trustee election process](#) is underway for the 2025-2026 school year. Student Trustees play an essential role in our system, representing student voices at the Board table when we are making important decisions, and we greatly appreciate their contributions to our discussions. I would like to congratulate all of the students who put their names forward for the position and encourage all students in Grades 5-12 to take the time to vote.

I'd also like to take this opportunity to thank current Student Trustees Hayden Lai and Mitusaan Kugathasan and Indigenous Student Trustee Natalie Pitawanakwat for their hard work, leadership and commitment to student voice.

As a Board of Trustees, we have several important roles that affect the daily life in our schools and Board.

One of those responsibilities is to set the [policies](#) that govern the operation of schools in YRDSB. Policies cover important topics, such as [assessment and evaluation](#), [field trips](#), [homework](#), [dress code](#), [caring and safe schools](#), [health supports](#), [student leadership](#) and more.

We regularly review Board policies to ensure they are updated and reflect the current context, [priorities](#) and needs of our community and system. An important part of this process is inviting feedback from the community, including families. You can find a [list of all policies and those currently out for comment](#) on our Board website and I encourage you to take a look.

Trustees are also responsible for setting the Board [budget](#). As we prepare to plan for the 2025-2026 school year budget, we will be once again reaching out to families and inviting you to share your input and feedback. Please take the time to review this information when you receive it; your voice is an important part of the process.

Semester 2 Timetable Changes

Please note that the final date to make any requests for semester 2 changes is **Friday February 7th at 3:30 p.m.** If your child would like to drop a course or make any changes, please have them complete the following [Form](#) and ensure an email is sent to sdss.guidance@yrdsb.ca for approval BEFORE they book a guidance appointment. *Grade 11 and 12 students should ensure they are on track to graduate on time.*

Inclement Weather Bus or School Cancellations

With winter weather here, we want to share some important reminders for families.

When an inclement weather or extreme cold day is declared, school transportation (including buses and taxis) is cancelled in the morning and afternoon. Schools will remain open. If you drive your child to school, or your child takes alternate transportation, you must make arrangements for your child to get home at the end of the day. Please call the school if your child will not be attending school on those days. Students will not be penalized for missing school on these days.

There may be rare instances when emergency winter events occur and we need to close all schools and Board locations. Please take the time to make plans in the event of an emergency school closure.

Information about transportation cancellations and Board closures will be shared through local media, [Board](#) and school websites and on [X @YRDSB](#).

Our process for extreme cold, inclement weather and emergency weather days is outlined in the Board's [Severe Weather policy](#).

Attendance

To report any student absences or late arrivals during this academic year, please direct all correspondence to the designated email address: stouffville.dss.attendance@yrdsb.ca. This ensures that our records remain accurate and up-to-date, allowing us to provide the best possible support to our students and community.

Report Cards and Family Dashboard

The YRDSB Family Dashboard will give you one-stop access to information and applications related to your child’s education. It is designed to make it easier for you to engage with your child’s education. Access the Family Dashboard at family.yrdsb.ca.

Report Cards

Term 1 Report Cards will be available in the Family Dashboard. Parents/guardians will receive an email letting you know when the report card is available for your child and how to access it.

Setting Up Your Account

If you do not have a Family Dashboard account, you can create one at any time by visiting family.yrdsb.ca, clicking on “No account?” and “Create one.” **When creating an account, you must use the email address you have on file at your child’s school.* Detailed instructions and frequently asked questions are available at <https://www2.yrdsb.ca/family-dashboard>.

Families are invited to share their feedback on the Family Dashboard through a [short survey](#) available in the Dashboard.

Looking Ahead to Next Year

As we begin our planning for the 2025-2026 school year, we kindly ask you to inform the school office if your family has plans to move over the summer, or if your children will not be returning in September for any reason. This information helps us to ensure a smooth transition for all students and to make necessary staffing arrangements for the upcoming academic year.

Your cooperation is greatly appreciated and helps us in planning effectively for the new school year.

FEBRUARY

BLACK HISTORY MONTH

Inclement Weather Bus or School Cancellations

With winter weather here, we want to share some important reminders for families.

When an inclement weather or extreme cold day is declared, school transportation (including buses and taxis) is

cancelled in the morning and afternoon. Schools will remain open. If you drive your child to school, or your child takes alternate transportation, you must make arrangements for your child to get home at the end of the day. Please call the school if your child will not be attending school on those days. Students will not be penalized for missing school on these days.

There may be rare instances when emergency winter events occur and we need to close all schools and Board locations. Please take the time to make plans in the event of an emergency school closure.

Information about transportation cancellations and Board closures will be shared through local media, [Board](#) and school websites and on [X @YRDSB](#).

Our process for extreme cold, inclement weather and emergency weather days is outlined in the Board's [Severe Weather policy](#).

Chinese Heritage Month

In December of 2024, the government of Ontario proclaimed February to be Chinese Heritage Month. Since the 18th century, the Chinese community has made a significant impact on the social, cultural, economic and political landscapes in Ontario. Ontario is home to more than 820,000 people of Chinese origin. February is of particular importance for the Chinese community as it may be when Chinese New Year and related celebrations take place. Chinese New Year is usually celebrated on the second new moon following the winter solstice. This year, Chinese New Year was celebrated on Wednesday, January 29th, 2025. By designating February as Chinese Heritage Month, the York Region District School Board honors the identities, diverse experiences and achievements of Chinese students, families and staff in our school board.

In 2019, the Government of Ontario proclaimed March as Hellenic Heritage Month. There are over 270,000 Canadians of Hellenic or Greek descent living in Canada, with more than half residing in Ontario. Since the early nineteenth century, immigrants from Greece have made significant contributions to Ontario's culture, economy, and various fields such as education, law, medicine, science, and politics. Greece's vast history, including its structures for democratic governance, philosophy, and scientific methodologies, have influenced many present-day practices and structures in Canada. Greek Independence Day, celebrated on March 25, marks Greece's liberation from the Ottoman Empire in 1821. By designating March as Hellenic Heritage Month, the York Region District School Board honors the identities, diverse experiences and achievements of Greek students, families and staff in our school board.

Bangladeshi Heritage Month

In 2016, the Government of Ontario proclaimed March as Bangladeshi Heritage Month. Ontario is home to over 50,000 people of Bengali heritage who have made significant contributions to the province's scientific, cultural, athletic, and political development. Every year on March 26th, Bangladeshis worldwide celebrate Independence Day, commemorating their nation's independence in 1971 with music, parades, and various gatherings. By designating March as Bangladeshi Heritage Month, the York Region District School Board honors the identities, diverse experiences and achievements of Bangladeshi students, families and staff in our school board.

International Women's Day

International Women's Day has been recognized for over a century, with the first IWD gathering of over a million people in 1911. In 1977, the United Nations General Assembly adopted a resolution calling on member states to proclaim a day for women's rights and gender parity. Following the United Nations' lead, Canada declared March 8 as International Women's Day. To achieve a gender equal world, it is essential to notice and name the existing inequality and examine and challenge unconscious biases and harmful gender-based stereotypes. The International Women's Day 2025 campaign exemplifies this commitment through the theme of [#AccelerateAction](#). Persian Heritage Month

In 2021 the government of Ontario proclaimed March as Persian Heritage Month to recognize the contributions of over 200,000 Ontarians of Persian descent. Since the 1970s to present day, the Persian community have played a significant role in shaping the province's economic, political, social, and cultural landscape. Rooted in one of the world's oldest civilizations, Persian culture has enriched Ontario's identity for generations. In the month of March, millions of Persians from around the world celebrate Nowruz, the beginning of their new year with a special

significance of the relationship between nature and human life. By designating March as Persian Heritage Month, the York Region District School Board honors the identities, diverse experiences and achievements of Persian students, families and staff in our school board.

New Attendance Management Procedure

Student learning and achievement are strongly connected to attendance. In an effort to support our students' achievement and well-being, we will be beginning a new management procedure to reinforce the importance of being in class consistently. Starting after the March Break, students with 5 absences will be contacted by Student Success. At 7 absences an administrator may be in contact. Consequences may include lunch time detentions.

Graduation

We would like to remind all graduating students and their families that the School Cash Posting for Graduation is now open. If you haven't made your purchase yet, please do so as soon as possible. The posting will close on March 28th.

Militia Co-op Presentations:

On Thursday March 27th (period 2), all grade 10 and 11 students are invited to attend a special presentation led by Sgt Karistinos of the 32 Canadian Brigade Group. This presentation will outline the opportunity for a semester 2 paid, 4-credit co-op position as an entry plan into the Canadian Armed Forces Primary Reserve. This paid opportunity equates to approximately \$9,000 for the duration of the COOP. Summer Employment after the COOP is also available, which equates to another \$7,500 if the student works July and August. Successful applicants will complete the same basic training that any member of the Reserves must take. Their Reserve service is non-contractual however students are encouraged to continue their military career on a part-time basis after COOP ends.

Training will be held at a local armoury (Aurora) 4 to 5 days a week from 8am to 5pm. Training includes, but is not limited to, weapons handling on the C7 assault rifle, standard first aid with CPR from St. Johns ambulance, navigation using map and compass, military regulations, drill/marching and physical fitness. During the field portion students will be bused to a Canadian Armed Forces base, meals and accommodation will be provided.

Any students that self-identify as First Nation, Métis or Inuit are invited to attend a second presentation led by Sgt Karistinos of the 32 Canadian Brigade Group at 12:00 in the library.

Sgt Karistinos will be presenting a unique military training program that combines Indigenous culture and teachings with military training that will help participants develop valuable skills such as self-confidence, self-discipline, teamwork, time management, respect and fitness. Participants train in Meaford, Ontario. The eight- week program is conducted from early July to late August each year. Grey Wolf is an established military training program for which students may gain credits through the provincial education system. See
