Expectations for Students on Field Trips

Field trips are a vital and integral part of many of the courses offered at Stouffville District Secondary School. They provide a different and valuable experience for each student. While particular instructions may be distributed by departments or by teachers at the time of the trip, the following guidelines apply to all school trips or activities whatever their length or destination:

- 1) Students shall travel to and from the activity with the teacher usually by school bus or by taxi. An administrator must authorize any other provision and the appropriate forms signed in advance.
- 2) Behaviour on any school trip is governed by rules in effect at the school building itself. For example, any student carrying or consuming alcohol on a school trip, whether of legal age or not, could expect to be suspended upon his or her return to school. Parents are responsible for transportation home if the school deems early return from a field trip necessary. Please refer to the student agenda for a more detailed listing of student expectations at SDSS.

Normally, students will share the costs for the field trip. Students forfeiting the privilege of attending the field trip due to misbehaviour, illness or family emergency will forfeit any fees paid. This is necessary since costs remain fixed once the school has committed for buses and admission charges.

A student needs to inform/remind a teacher of any specific health or dietary restrictions.

Please note that the York Region District School Board reserves the right, in its sole discretion to cancel any field trip for any reason, and more particularly in response to concerns about events internationally, nationally or locally which may compromise student an/or staff safety. Should the York Region District School Board decide to cancel this trip, please be aware that any deposit or monies paid up to and including the date of cancellation may not be refunded by the travel service providers. The York Region District School Board takes no responsibility for any money, which may not be refunded, as a result of the York Region District School Board's decision to cancel the trip. The responsibility for any and all money owing and/or forfeited as a result of the York Region Board's decision to cancel this trip is the sold responsibility of the student attending the trip and his or her parents/guardians.

Note: Form NP-679-02 "Trip Driver Authorization" must be completed for every trip in which a student will be driving a personal vehicle. The form must be given to the Main Office well in advance of the trip. Students are not to use their personal vehicle until the form, signed by the Parent/Guardian or Adult Student (18 years old), has been returned to the Main Office.
