High Performance Athlete (HPA) Program

- The High Performance Athlete (HPA) program is an option for students competing at the **provincial, national and/or international level in eligible sports.**
- It is designed to provide high performing student-athletes with timetable support to enable them to **attend their regular training and compete during times that would typically conflict with otherwise-regular academic programming.**

*Student-athletes may be eligible to enrol in up to two **Day School Online Courses** during the school year.

High Performance Athlete (HPA) Program

The requirements for consideration for the HPA Program are:

1. Student-athletes must attend their regular training and compete during times that would typically conflict with otherwise-regular academic programming.
2. The student-athlete must be competing in a qualifying sport* at the provincial, national or international level.
3. Training must be under the supervision of a certified coach (**not a parent/guardian**).
4. The number of hours of training is a minimum of 15 hours per week.
5. Completion of required documents:
 - a. [YRDSB High Performance Athlete Application Form](#)
 - b. [Provincial or National Sport Verification Letter](#)
6. The student-athlete must reapply for the program on a yearly basis using the [HPA Renewal Application Form](#).

HPA Program 2025/2026

Application Process:

1. Speak to your school about whether or not you qualify to be an HPA student.
2. Select HPA1 (Semester 1) and/or HPA2 (Semester 2) during course selection.
3. Submit required forms to your school (your guidance counselor) by **February 28, 2025.**

Post-Secondary Planning

How to Prepare

- Set realistic post-secondary goals that are well-suited to YOU!
- Research admission requirements for apprenticeships, college and/or university programs
- Create a post-secondary education plan that includes several options
- Develop questions for Guidance counsellors and/or college and university reps
- Attend (in person and/or virtual) post-secondary fairs or apprenticeship events
- Visit college and university campuses and/or apprenticeship workplaces and websites

Post-Secondary Planning - Apprenticeship

Apprenticeship Program and Admission Information: www.careersintrades.ca and www.ontario.ca/page/skilled-trades

- Requirements for Apprenticeship programs:
 - Most trades require a high school diploma
 - Some require or prefer strong knowledge of math and science
 - Must acquire employment with a company/journeyperson to begin apprenticeship training
- Notes:
 - OYAP (Ontario Youth Apprenticeship Program) allows grade 11 or 12 students to start apprenticing for a skilled trade while they are in high school
 - Pre-apprenticeship programs through high school, colleges, trade schools and the Ontario government allow students to explore skilled trades prior to starting an apprenticeship
 - Employment for apprenticeships can be found through networking (family, friends, etc), trade unions, training institutions, employment offices, and/or websites such as Monster.ca, indeed.com and apprenticesearch.com.

Gr. 11 Marks: Help NOT Hurt

November 26, 2024

Target date for Ontario universities to receive all midterm or final grades available for 4U/M courses from the OUAC.

January 23, 2025

Target date for Ontario universities to receive all application data and grades from the OUAC for applications submitted by January 15, 2025.

February 20, 2025

Target date for Ontario universities to receive all final grades available for 4U/M courses and current full-year grades for 4U/M courses from the OUAC.

- Universities see grade 11 and 12 only
- They use this information to help make decisions on admissions when grade 12 marks are not available
- Do not drop a grade 11 course based on worry they will see a low mark. Remember grade 11 marks help BUT DO NOT hurt. Universities care about your 4U/M courses.

MyBlueprint: Summer School

In February:

- pick a replacement elective course for the course you would like to be taking at summer school
- complete the “**Summer School Intention Form**” (click on “**Course Selection Resources**” box at the top right)

In the spring:

- you will need to officially register for summer school

Detailed instructions related to course replacement based on your summer school intention can be found in the [Course Selection Guide](#).

The screenshot displays the MyBlueprint Summer School interface. At the top right, there is a button labeled "Course Selection Resources". Below this, a modal window titled "Course Selection Resources" is open, providing instructions on how to access school course selection resources and offering links to "Co-op Applications" and "Summer School Intention". To the right of the modal, a "Graduation Indicator" shows a progress of 8/30 required credits, with a breakdown of 8 planned, 0 earned, and 8 total credits. Below the modal, a "Course Selection Guide" is visible, showing a list of disciplines with a dropdown menu open, listing various subjects like Arts, Business Studies, Canadian and World Studies, Career Studies/Civics, Computer Studies, Cooperative Education, Dual Credit, English, French as a Second Language, Health and Physical Education, Interdisciplinary Studies, Mathematics, Personalized Alternative Education, Science, Semester 1 Only, and Social Sciences and Humanities. At the bottom right, another "Course Selection Resources" button is visible.

IMPORTANT: MyBlueprint: Summer School

- If you decide to take a course in summer school and remove that course selection from MyBluePrint, **YOU ARE NOT GUARANTEED TO GET THIS COURSE BACK** if you end up NOT taking it during summer school.
- If you decide to take a summer school course last minute or we are not aware, please note that courses to replace it in Sept. will be limited and guidance might need to select a course for you based on availability.

Reminders

- Grade 11 students must choose 8 courses and 2 alternates
- Pick alternates wisely as they may be used in creating your timetable
