

Course Selection for Students Entering Grade 12

Notes from the Grade 12's

What I wish I could tell my grade 11 self

- Develop amazing **study habits** now - just writing notes is not enough!
- This isn't a competition, focus on YOURSELF!
- It's true what they say...**time flies by**. Take advantage of this year, and live it to your fullest.
- TAKE ADVANTAGE OF EXTRA HELP
- STOP blaming your teacher for your low grade, it's all on you. Instead, use it as an opportunity to grow, and do better next time!

Notes from the Grade 12's

- **Mental health matters!** - take care of yourself during tough times
- Get involved in extracurriculars that you are interested in
- **Seek help** when you need it
- Make sure you check your emails constantly!!
- Don't stress, you will get into a program! Good luck!

Notes from the Grade 12's

- **You don't need perfect grades** to get accepted by every university
- It's okay if you don't know what you want to do with your life by the time you apply.
- Grades matter, but a majority of schools also look at extracurricular activities or your portfolio
- Start doing the supplementary applications as soon as possible

We suggest that you do supplementary applications for programs you really want into even if they are optional as they give you a chance to provide more information about yourself beyond grades.

Language Requirements

For this program
you would need
3 other grade 12
U/M credits

Gr. 11 Marks: Help NOT Hurt

November 26, 2024

Target date for Ontario universities to receive all midterm or final grades available for 4U/M courses from the OUAC.

January 23, 2025

Target date for Ontario universities to receive all application data and grades from the OUAC for applications submitted by January 15, 2025.

February 20, 2025

Target date for Ontario universities to receive all final grades available for 4U/M courses and current full-year grades for 4U/M courses from the OUAC.

- Universities see grade 11 and 12 only
- They use this information to help make decisions on admissions when grade 12 marks are not available
- Do not drop a grade 11 course based on worry they will see a low mark. Remember grade 11 marks help BUT DO NOT hurt. Universities care about your 4U/M courses.

Early Admissions

- Early admissions dependent on University/College
- Admissions are sent out on a rolling basis
- If accepted for early admission, there are still conditions to be met.

To Accept: Read your Offer of Admission. By accepting, you confirm that you will meet/complete all conditions. Failure to meet/complete all conditions will result in the Offer of Admission being withdrawn.

You may accept only one Offer of Admission.

To Decline: Click the Decline button.

Accept

Overview Requirements Admission Contact

Offers of Admission

Basic Requirements for Admission

Ontario high school students must present the OSSD and complete six 4U/M courses. All required courses will be included in the calculation of your overall admission average.

Failed and Repeated Courses

We will consider the higher grade of the 2 attempts.

Alternative Offers

You will receive an offer of admission to only 1 program. Your highest listed choice is considered first when you indicate more than 1 Brock program on your application. If you are not eligible for your first choice, your subsequent choices will be considered in your indicated order of preference.

In most cases:

If you apply to only 1 Brock program but do not qualify, you will be considered for an alternative or related program. If you apply but are not admitted to a co-op program, you will automatically be considered for the regular, non co-op program.

UNIVERSITY WEBSITE

PROGRAM WEBSITE

- The majority of Universities will send you an alternate offer of admission.
- This means, if you do not get into your selected program (especially competitive ones), they will offer you a different program to be enrolled in.
- You can even call the University and ask for other alternate programs or offers!
- Western, Queens, Guelph-Humber, McMaster **DID NOT** provide alternative offers this year.

"The Scholarship Report" e-Newsletter

Scholarship Workshop Presentation

- We will host a scholarship workshop in September
- The first scholarship deadline is Early October so start planning now!
- Look at the scholarship report and use google to find scholarships

Benefits of 7 U/M Courses

How do we calculate an admission average?

Let's say you apply to a program that requires English, Biology, Chemistry, and a math course. You've chosen to take eight Grade 12 courses with the following final or mid-term marks.

- English (82%)
- Math (78%)
- Music (86%)
- Geometry (75%)
- International Business (81%)
- Chemistry (80%)
- Biology (84%)
- Dramatic Arts (83%)

Your admission average would be 82.2%. To get this, we take $82 + 84 + 80 + 78$ from the four required courses, add 86 (Music) + 83 (Dramatic Arts) to get a total of six courses, and then divide by six. If you don't have final grades in some of your courses, we'll use mid-term or predicted grades.

Program Dependent:

- Required courses **WILL** be included in your top 6 U/M.

OR

- You need to obtain the outlined mark in the required course but **MAY NOT** be included in your top 6 U/M.

Single Sections & Alternatives

SEMESTER 1	
Period 1	
Course	Code
Writer's Craft	EWC4U1
French	FSF4U1
Human Developm	HHG4M1
Philosophy	HZT4U1
Advanced Functio	MHF4U1
Chemistry	SCH4U1
Physics	SPH4U1
Construction	TCJ4C1

Here's a example of this that happened
in semester 1 2024-2025

- When choosing courses, some classes are only offered ONCE in the school year.
- If 2 or 3 of those single section courses that you select are in the same period, you will only get your top choice.
- As a result, the computer will schedule your alternate courses for you.

Graduation Requirements

30 Compulsory & Elective School Credits

Be sure to check the “Graduation Indicator” on [My Pathway Planner](#) to ensure your course selection includes:

- all compulsory courses that you have not yet achieved (especially your Group 1, 2, and 3 required credits)
- the courses that support (or are required for) your post-secondary program

Community Involvement

- 40 community hours are needed to graduate
- Prior to doing an activity, ensure that it is **eligible** (see back of activity sheet) and get it pre-approved through Guidance
- Opportunities are advertised in the Guidance office, on Instagram (@sdss_guidance), on the [SDSS Guidance Website](#) and the SDSS Guidance Google Classroom

Literacy Requirement

- If you have written the test at least once but have not been successful, you can take the Ontario Secondary School Literacy Course (OLC4O1) to meet this graduation requirement

Online Learning Graduation Requirement

Students must earn at least **TWO** online learning credits to get their Ontario Secondary School Diploma.

- **Opting out of the requirement is also possible.**
- Learn more at our [YRDSB Public Page](#)

▼ Online Learning Requirement

Online Learning Opt-Out

Grade 9-12 • OLOPTO • 0 Credits • Open

34 Credit Threshold

- Students may earn a maximum of 34 secondary school credits within 5 years of high school
- Once a student reaches the 34 credit threshold, they may earn credits through online learning, night school, summer school, adult day school, etc.
- Repeated courses count **twice** towards the threshold

Grade 12 Course Selection @ SDSS

Course Selection Process and Timelines

Course selection material will be available on the [SDSS Guidance Website](#)

2025/26 Course Selection runs from Thurs. Feb. 13, 2025 to Fri. Feb. 21, 2025

Online Course Selection due by 4:00 pm on Friday, February 21, 2025

Please know that:

- your course selection determines which classes run next year
- you will need to **submit your course selection AND parent/guardian approval email on time** to receive equal consideration for the courses you have selected

Alternates matter! Please choose wisely!

Grade 12 Course Selection

- Students must be enrolled full-time (3 courses per semester)
- Select at least 7 courses next year + 2 alternates
- One spare is permitted if you have achieved at least 23 credits
- **To choose a spare, leave one of your courses blank**
- **Pick alternates wisely as they often end up in your timetable!**

Grade 12 Compulsory Courses

	College	University	Workplace
English	ENG4C1	ENG4U1	ENG4E1

**In order to fulfill the requirements of an Ontario Secondary School Diploma (OSSD), students must achieve one Grade 12 credit in English*

Grade 12 Elective Courses*

- Accounting
- Advanced Functions
- Applied Design
- Biology (University)
- Business Leadership
- Calculus
- Canadian & World Issues
- Chemistry (University and College)
- Communications Technology
- Computer Science
- Computer Engineering Technology
- Construction Technology
- Data Management
- Drama
- Economics
- Equity & Social Justice
- Exercise Science (Kinesiology)
- Fashion
- French
- Hairstyling & Aesthetics
- Health Science
- Healthy Active Living (Female/Co-ed)
- History vs. Hollywood
- Hospitality & Tourism
- Human Development Throughout a Lifespan
- International Business
- Law
- Learning Strategies (students with IEP)
- Music
- Nutrition & Health
- Healthy Active Living (all gender)
- Personal and Fitness Activities (Female or Male)
- Philosophy
- Physics (University)
- Recreation & Healthy Active Living Leadership
- Repertoire (Band)
- Technological Design
- Transportation Technology
- Visual Arts
- World History
- World Politics
- Writer's Craft

Specialty Programs @ SDSS

Cooperative Education

- Co-op options include:
 - Teaching Assistant (COOP1)
 - Half Day (COOP2) or Full Day (COOP4)
 - HPA:High Performance Athlete Program (Sem 1 - HPA11, Sem 2 - HPA21)
 - OYAP/Accelerated OYAP: Ontario Youth Apprenticeship Program (COOP4)
 - Militia Co-op (COOP4)
- The Co-op Department will contact students who select Co-op for interviews in May
- Questions? See Mrs. Hewitt in Room 1068

Specialist High Skills Major (SHSM)

- At SDSS we offer SHSM programs in **Health & Wellness** and **Business**
- This program combines in-school courses with experiential learning through cooperative education and sector based certifications
- For more information, visit the [SHSM student site](#)
- You need a 2 credit Coop to earn your SHSM certificate***

Dual Credit

- Students earn a college credit AND a high school credit
 - Interesting courses related to careers in Hospitality, Technology, Business, Law, Design/Art, Skilled Trades, Healthcare, Media, & Social Sciences are available through this program
- Available to students in Grade 11 (Semester 2 only) and Grade 12
- The government covers the cost of tuition and transportation
- See us in guidance or [click here](#) for more information

Dual Credit (Grade 11/12)

Dual Credit	YYY4X1	Semester 1 College-delivered Dual Credit course	by application
Dual Credit	YYY4X2	Semester 2 College-delivered Dual Credit course	by application

Reminders

- Grade 12 students must choose a minimum of 7 course + 2 alternates
- Choose your alternates wisely as they may be used to create your timetable
- Course Selection information is available on the [SDSS Guidance Website](#) and the [Guidance Google Classroom](#)
- Visit us at our Pop-Up Shop from **Mon. Feb 3 - Fri. Feb 7** in the atrium to ask questions regarding course selections
- Book a Guidance appointment through Teach Assist for course selection support

Online Course Selections due by 4:00pm on Friday, February 21, 2025

My Pathway Planner: Prerequisite Courses

- Many courses have a prerequisite (a prior course needed to enter the course selected). When selecting courses, please ensure you have completed or are completing any prerequisite course(s).

Example: Grade 12 University Data Management (MDM4U1) requires Grade 11 University Functions (MCR3U1) OR Grade 11 Mixed Mathematics (MCF3M1).

- If you select a course and are missing the necessary prerequisite, a red exclamation mark will appear next to the selected course
- Use [My Pathway Planner](#) to plan ahead. You may select Grade 12 courses for post-secondary planning purposes, but **only** your Grade 11 course selections will be submitted in February.
