

Course Selection Presentation

FOR STUDENTS GOING INTO GRADE 11

Who am I ?

Where am I going?

- What are my academic Strengths....?
- Successes in Grade 10 courses.....?
- Interests and Hobbies.....?
- Volunteer experiences.....?

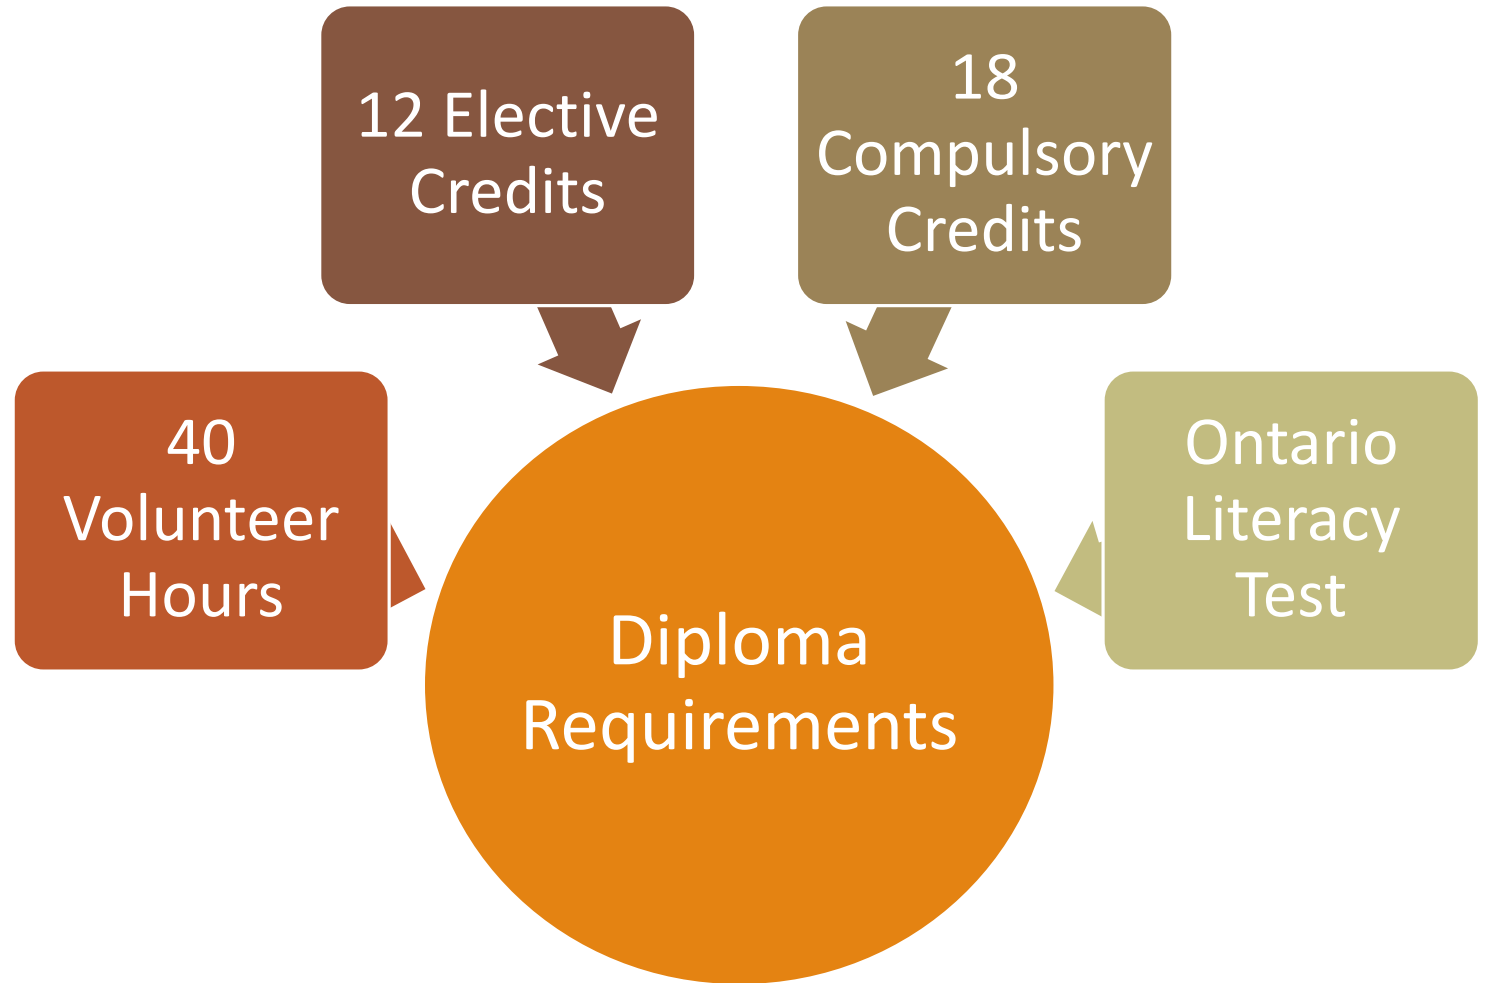

Post-Secondary Options

- guidance resources
- My Blueprint.ca
- www.universityinfo.ca
- www.ontariocolleges.ca
- Awareness of admission requirements for possible destinations – start some research
- Awareness of labour market trends

What do I need
to graduate...?

Compulsory Course Credits in Grade 11

- ❑ Choose courses in consultation with your teachers and in accordance with your achievement
- ❑ Ensure that you have the pre-requisite course you require to take the course you are choosing. My Blueprint will warn you when you have chosen a course without the correct pre-requisite

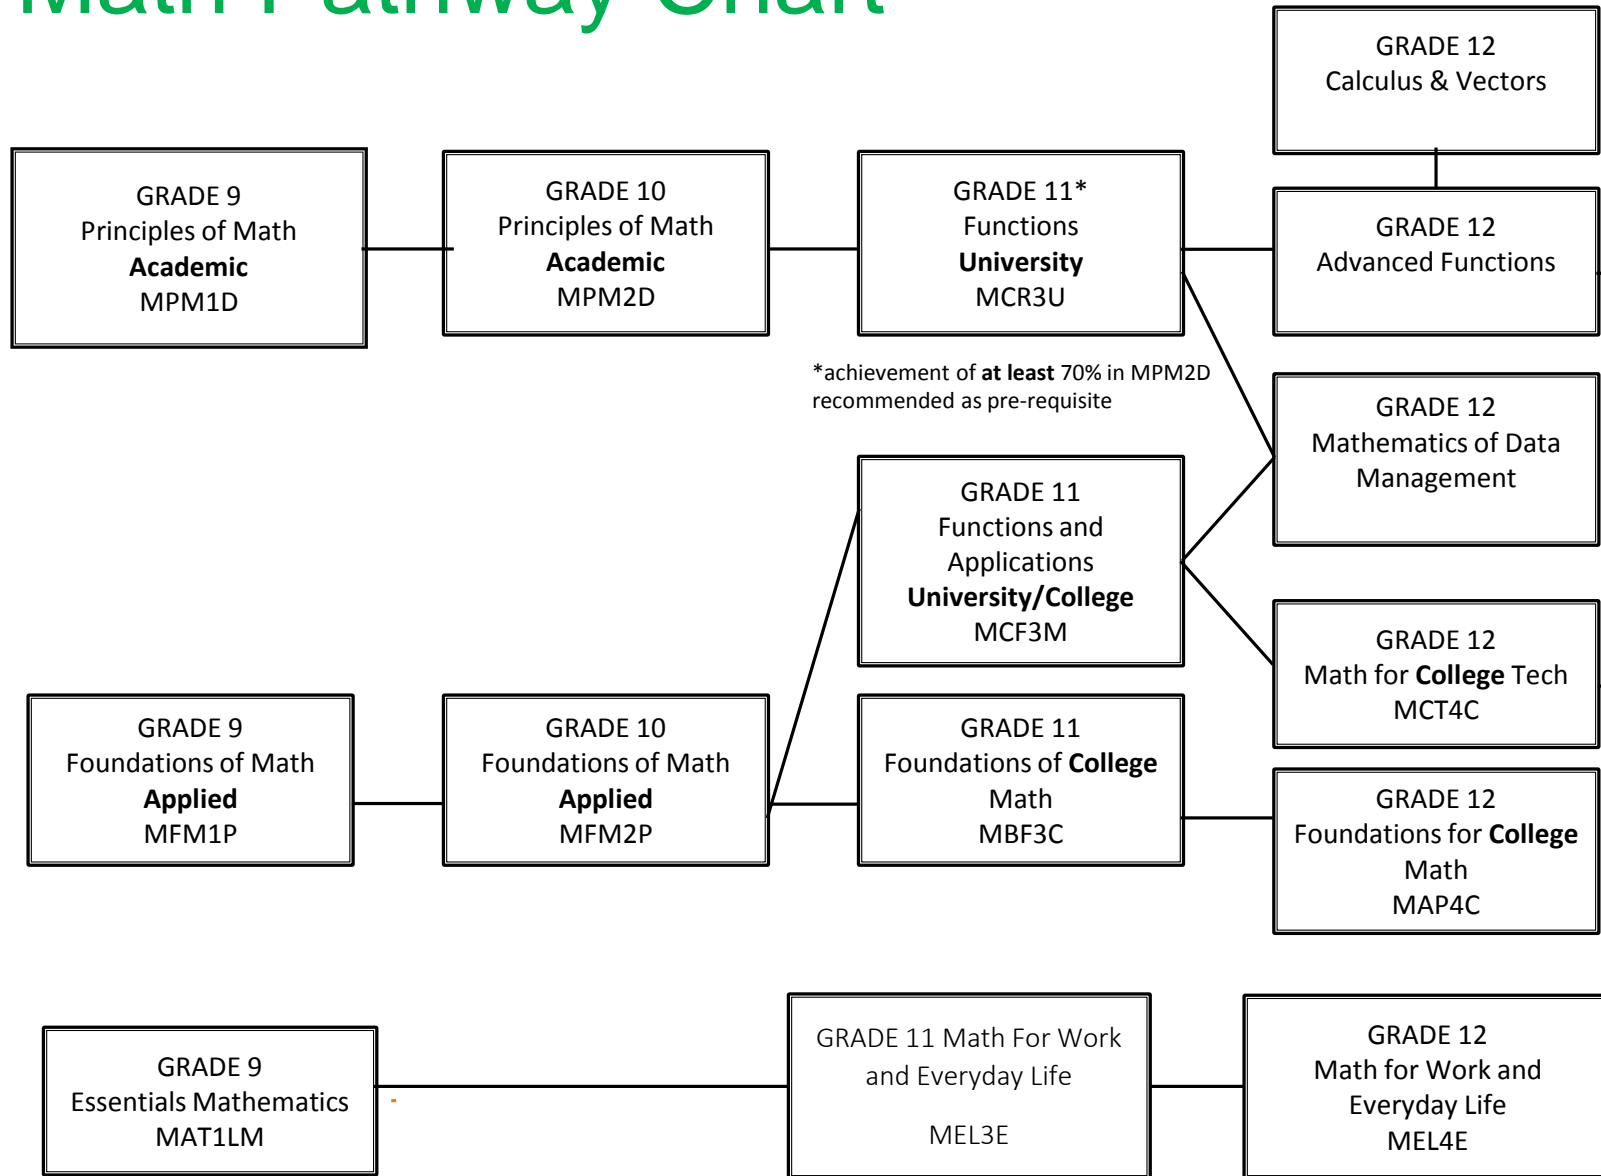

English

- ENG3U1 - University
- ENG3C1 - College
- ENG3E1 - Workplace

Math

- MCR3U1 - University Functions
- MCF3M1 – University/College
- MBF3C1 – College
- MEL3E1 - Workplace

Math Pathway Chart

Compulsory Credits Continue: Group Credits

- ❑ Co-op Credits or French can be used for two of the three group credits.
- ❑ Group Credits should be completed by the end of grade 11 to allow for unlimited choice in grade 12.

Group 1

- Social Sciences
- Canadian or World Studies
- International Language,
- Guidance / Learning Strategies

Group 2

- Business
- Physical Education
- Arts

Group 3

- Senior Science
- Technology
- Computer Studies

Course Electives:

- ❑ Choose courses in consultation with your teachers and in accordance with your achievement
- ❑ Ensure that you have the prerequisite course you require to take the course you are choosing. My Blueprint will warn you when you have chosen a course without the correct prerequisite

Guidance

- **GLE301**
(Learning Strategies)

Aboriginal, Metis & Inuit Studies

- **NBV3C1**
(Aboriginal, Metis & Inuit Studies)

Elective Courses: Social Sciences

- ❑ Choose courses in consultation with your teachers and in accordance with your achievement
- ❑ Ensure that you have the prerequisite course you require to take the course you are choosing. My Blueprint will warn you when you have chosen a course without the correct prerequisite

History

- HZB3M1 (Philosophy)

Family Studies

- HPC3O1 (Parenting)
- HNC3C1 (Fashion)
- HSP3C1 (Anthropology, Psychology & Sociology)

Elective Courses: Canadian & World Studies

- ❑ Choose courses in consultation with your teachers and in accordance with your achievement
- ❑ Ensure that you have the prerequisite course you require to take the course you are choosing. My Blueprint will warn you when you have chosen a course without the correct prerequisite

History

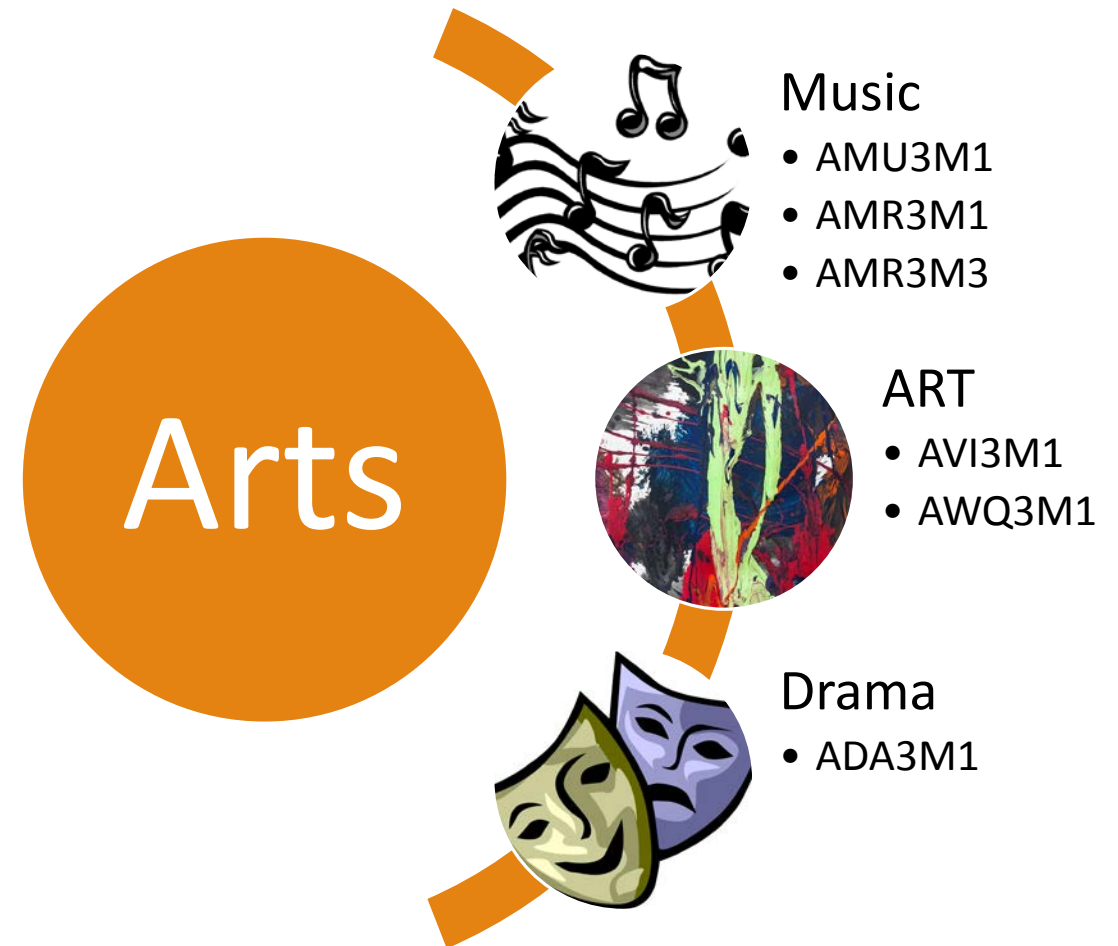

- CHA3U1 (American History)
- CHW3M1 (World History)
- CLU3M1 (Law)

Geography

- CGG301 (Travel & Tourism)
- CGF3M1 (Forces in Nature)

Elective Courses: The ARTS

- ❑ Every student must have one Arts credit for graduation.
- ❑ Arts Credits at SDSS should be taken in grade 9 or 10 become the pre-requisites for Arts credit in grade 11
- ❑ MUSIC – when choosing music you must now choose separately the option of Repertoire (BAND) and you must choose Repertoire last after all other electives in My Blueprint

Course Electives

- ❑ Choose courses in consultation with your teachers and in accordance with your achievement
- ❑ Ensure that you have the prerequisite course you require to take the course you are choosing. My Blueprint will warn you when you have chosen a course without the correct prerequisite

Science

- SBI3U1 (University Biology)
- SBI3C1 (College Biology)
- SCH3U1 (University Chemistry)
- SCH4C1 (College Chemistry)
- SPH3U1 (University Physics)
- SPH4C1 (College Physics)
- SVN3M1 (University/College Environmental Science)

Physical Education

- PAF309 (Boys' Fitness)
- PAF308 (Girls' Fitness)
- PPL309 (Healthy Active Living – Boys')
- PPL308 (Healthy Active Living – Girls')

Course Electives

- ❑ Choose courses in consultation with your teachers and in accordance with your achievement
- ❑ Ensure that you have the prerequisite course you require to take the course you are choosing. My Blueprint will warn you when you have chosen a course without the correct prerequisite

Business

- BAF3M1 (Accounting)
- BDI3C1 (Entrepreneurship)

Interdisciplinary Studies

- IDC3O1 (Sports & Entertainment Marketing)

Elective Courses

- ❑ Choose courses in consultation with your teachers and in accordance with your achievement
- ❑ Ensure that you have the prerequisite course you require to take the course you are choosing. My Blueprint will warn you when you have chosen a course without the correct prerequisite

French As a Second Language

- **FSF3U1** (University French)

Classical & International Languages

- **LWSCU1** (Spanish)

Computers

- **ICS3U1** (Computer Science)

HEALTH & WELLNESS

Workplace, Apprenticeship & Skilled Trades

This is a hands-on training program where 85 to 90% of learning occurs 'on the job' while 10-15% takes place in the classroom. Apprentices earn while they learn. Some require competencies in Math (MAP4C1 or MCT4C1), English and Science. There are over 130 apprenticeable trades providing work in four sectors

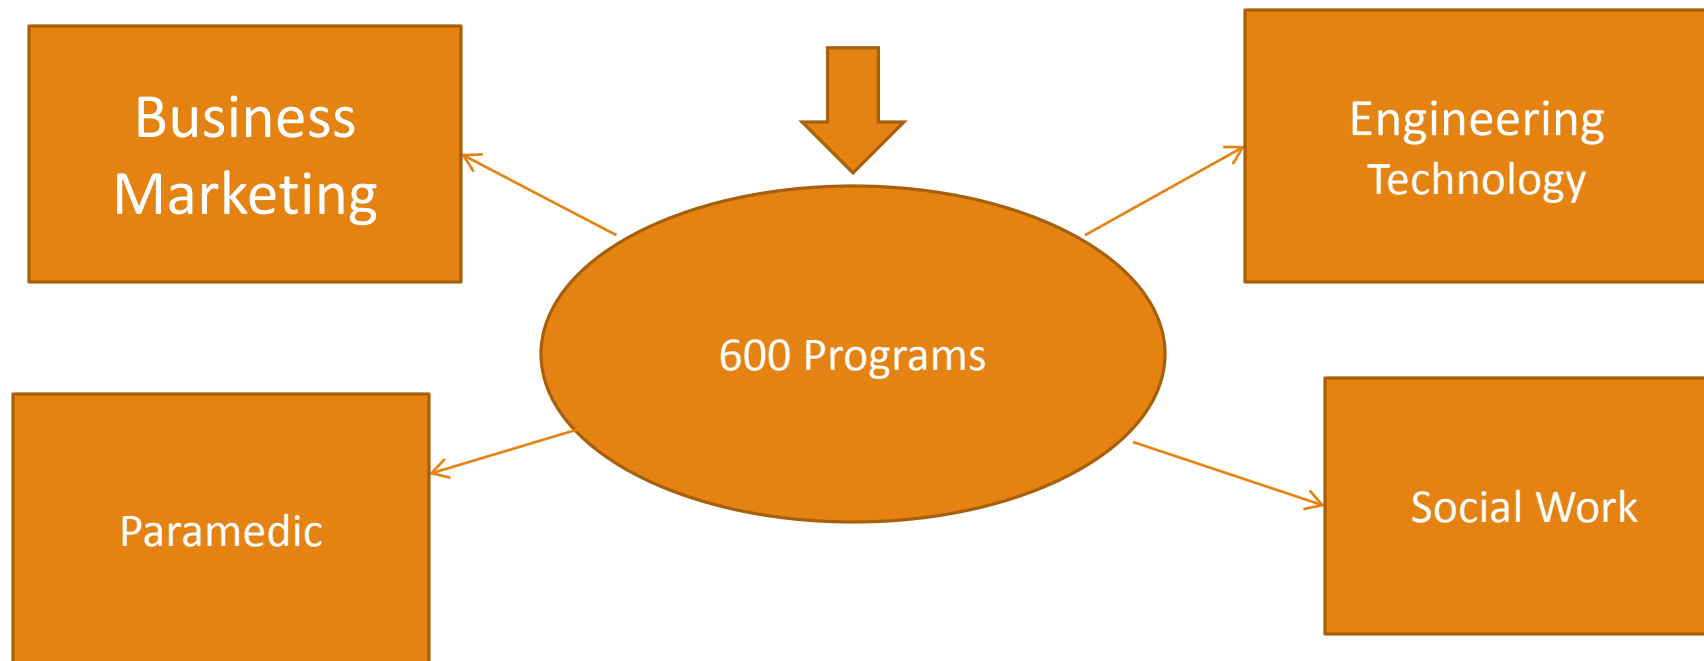

Workplace, Apprenticeship & Skilled Trade Destination

think COLLEGE!

Community college programs provide a valuable combination of academic and practical/technical skills training for a specific career. Students graduate with:

- Certificates (1+ yrs), Diplomas (2 -3 yrs), Advanced Diplomas (2-3 yrs), or
- Degrees (4 yrs) which are equivalent to those earned at a university

College Admission Guidelines

- ❑ High school diploma + possibly additional requirements such as interview, English entrance test, portfolio, etc.
- ❑ “C”, “M” &/or “U” type courses can be used for admission;
- ❑ Technology programs may require academic Gr. 10 Math, Gr. 11 Functions (M), then Gr. 12 Math for Technology (C) or a 12 U Math and perhaps grade 12 (C) Sciences.
- ❑ Health/Science programs may require grade 12 Math.
- ❑ Some programs are “highly competitive” and require very high marks

IMPORTANT!!: Visit www.ontariocolleges.ca to determine admission requirements (course and grade requirements) for all colleges and programs that interest you

University programs provide environments that develop academic skills in critical thinking, research and writing in large lecture formats or labs. Students graduate with Degrees with the opportunity to apply to: Post-Graduate Degrees (ie. Masters), Certificates, etc.

Arts & Science

Mechanical
Engineering

Biomedical
Science

Child, Youth and
Family

Toxicology

Urban Planning

University Admissions

- ❑ High school diploma required.
- ❑ Minimum overall average of 70% in **6 Gr. 12 “U” or “M” courses** (most have much higher admission averages).
- ❑ Some universities have a max. number of “M” level courses they will accept as part of the top 6 course marks
- ❑ Different programs and universities have different course and grade requirements. Sometimes certain courses are recommended by universities (to support success) but are not an entry requirement
- ❑ Universities have published their new program pre-requisites/requirements on websites (www.electronicinfo.ca), and in handbooks (available in Guidance)
- ❑ Universities **may** consider Gr. 11 and 12 (“U” and “M”) courses for admission &/or prerequisites.

University and College Links

- ❑ Program links between colleges and universities are increasing dramatically.
- ❑ Many colleges and universities are offering joint programs that will provide students with both the theoretical and practical skills required for their career and earn them a degree and a diploma in four years. Carefully check pre-requisites for these programmes.
- ❑ Applied degree/ Degree programs are now granted by many colleges. **These programs also require 6 grade 12 “U” or “M” level courses**
- ❑ Lots of opportunities to transfer between colleges and universities exist.
Visit www.ontransfer.ca to explore transfer opportunities

Program Planning Opportunities

Co-op

Co-op applications – An application must be, completed on-line ASAP for all Co-op requests, including TA. All students will be interviewed for a placement. An ideal opportunity to try out a variety of career choices.

ALT. ED.

ALT.ED. applications- can be picked up from Ms. Devos in Alt. Ed. through

SHSM

SHSM (Health and Wellness) - please see Mrs. Hewitt or Mrs. Chartrand for information and an application must be completed on-line.

E-Learning

Day School E-Learning – Interested students please see Mrs. Camara in Guidance

Special Education Option

- ❑ If you have support through the Special Education, consider taking the GLE301 to ensure direct support during one semester.

40 Volunteer Hours

- ❑ Check the Board website for suitable volunteer experiences
- ❑ Have your volunteer hours approved in Guidance prior to completing your volunteer experiences

STEP 1: Login to your myBlueprint account via The **Log In** button

STEP 2: From the Dashboard, click on **Plan Courses**

The screenshot displays a user dashboard with a dark blue header and a light blue sidebar. The header includes a 'Home' button and a navigation menu with 'Dashboard', 'Tasks', 'Classes', 'Goals', and 'Portfolios'. The 'Dashboard' menu item is active. The main content area is divided into two sections. The top section, titled 'Complete your IPP Tasks', shows a progress bar at 16% and a card for 'High School • Plan' titled 'Plan Courses to Graduation' with a '100 points' reward. The bottom section, titled 'High School Progress', contains a card for the 'Official High School Plan' with a progress bar and a 'Plan Courses' button. A red arrow points to this button. To the right of the 'Plan Courses' button is a card for 'COMPATIBILITY SURVEYS' titled 'Find your match'.

Description

This course examines interrelationships within and between Canada's natural and human systems and how these systems interconnect with those in other parts of the world. Students will explore environmental, economic, and social geographic issues relating to topics such as transportation options, energy choices, and urban development. Students will apply the concepts of geographic thinking and the geographic inquiry process, including spatial technologies, to investigate various geographic issues and to develop possible approaches for making Canada a more sustainable place in which to live.

Add Course

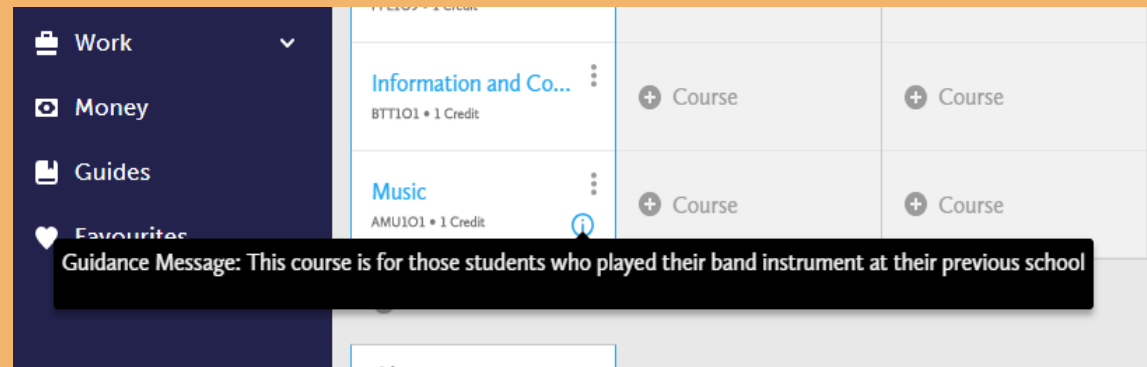

Adding Music Repertoire.....

Step 1: Complete course selection for all 8 courses. Add Course will automatically appear.

Check that you have chosen the correct music for grade 9. Click on the

If you are not returning to YRDSB....

The screenshot shows the 'High School' section of a web application. At the top, there are tabs for 'Plan' and 'Courses'. Below this is the 'Official High School Plan' header with a 'Course Calendar' link and a 'View Plans' button. A red error message states 'Your courses are Not Submitted' with a link to 'Summer School Plan'. A progress bar shows three steps: 'Step 1 Add Courses', 'Step 2 Review Courses', and 'Step 3 Submit Courses'. A blue button labeled 'Review Course Selections' is positioned to the right of the progress bar. Below the progress bar is a table with four columns: 'Grade 9 Current Year', 'Grade 10 Next Year', 'Grade 11 Plan Ahead', and 'Grade 12 Plan Ahead'. The 'Grade 10 Next Year' column is highlighted in blue. In the 'Grade 10 Next Year' column, the text 'English ENG2D1 • 1 Credit' is visible, followed by a vertical ellipsis. In the 'Grade 11 Plan Ahead' column, the text '+ English' is visible. In the 'Grade 12 Plan Ahead' column, the text '+ English' is visible. A red circle highlights the text 'Not returning next year?' in the top right corner of the interface.

Grade 9 Current Year	Grade 10 Next Year	Grade 11 Plan Ahead	Grade 12 Plan Ahead
English ENG1D1 • 1 Credit	English ENG2D1 • 1 Credit	+ English	+ English
Principles of Mathema	Principles of Mathema		

If you are not returning to a YRDSB school, you must click on the “Not returning next year?” to inform the system that you will be leaving.

You will be asked to provide a reason for your departure. A list of options will appear. Please click on the correct option.

Making Wise Course Selections

Think about your:

1. mark in the Grade 10 subject
**this is your foundation for the next level
2. subject teacher's recommendation
3. work habits & learning skills
4. interests & Post-Secondary Pathway
5. compulsory courses you still need

Something Else to Consider...

Number of classes in the timetable are based on the number of students who select the course in February

All classes have maximum numbers

There is very little flexibility to move between University and College level courses once the timetable has been built so choose your courses wisely!

About Timetables and Class Sizes...

Number of classes in the timetable are based on the number of students who select the course in February

All classes have maximum numbers

very little flexibility to move between Academic and Applied courses once the timetable has been built

Things to remember... course selection opens.....

9:00 a.m. on February 12, 2020

Grade 9 & 10 students must choose 8 courses

Grade 11 students must choose a minimum of 6 courses – please check graduation requirements to meet the 30 credits

Repertoire Music or Vocal can be chosen as a 9th option

All students should review their compulsory credit requirements prior to course selection.

Students selecting ESL must choose ESL for each semester, unless **ELSEO1** is their first option.

All students must choose 2 Alternative Courses

If you are not returning to a YRDSB school, you must click on “Not returning next year?”

Course Selection Due Date

Course Selection Sign-off forms, signed by parents/ guardians, must be submitted to Homeroom teachers on or before

February 19th.
