---

FOR STUDENTS GOING INTO GRADE 12

# Who am I ? Where am I going?

- What challenges, opportunities or problems do I want to work on in the future?
- What do I value? What's important to me?
- What are my interests and hobbies?
- What volunteer or work experiences have I enjoyed?
- Where have I experienced success in the past?
- What are my strengths, talents and skills?

# Workplace, Apprenticeship & Skilled Trades

This is a hands-on training program where 85 to 90% of learning occurs 'on the job' while 10-15% takes place in the classroom. Apprentices earn while they learn. **Note that some require competencies in Math (MAP4C1 or MCT4C1), English and Science.**

There are over 130 apprenticeable trades providing work in four sectors.

## OYAP

Earn high school credits/hours of training

## Accelerated OYAP

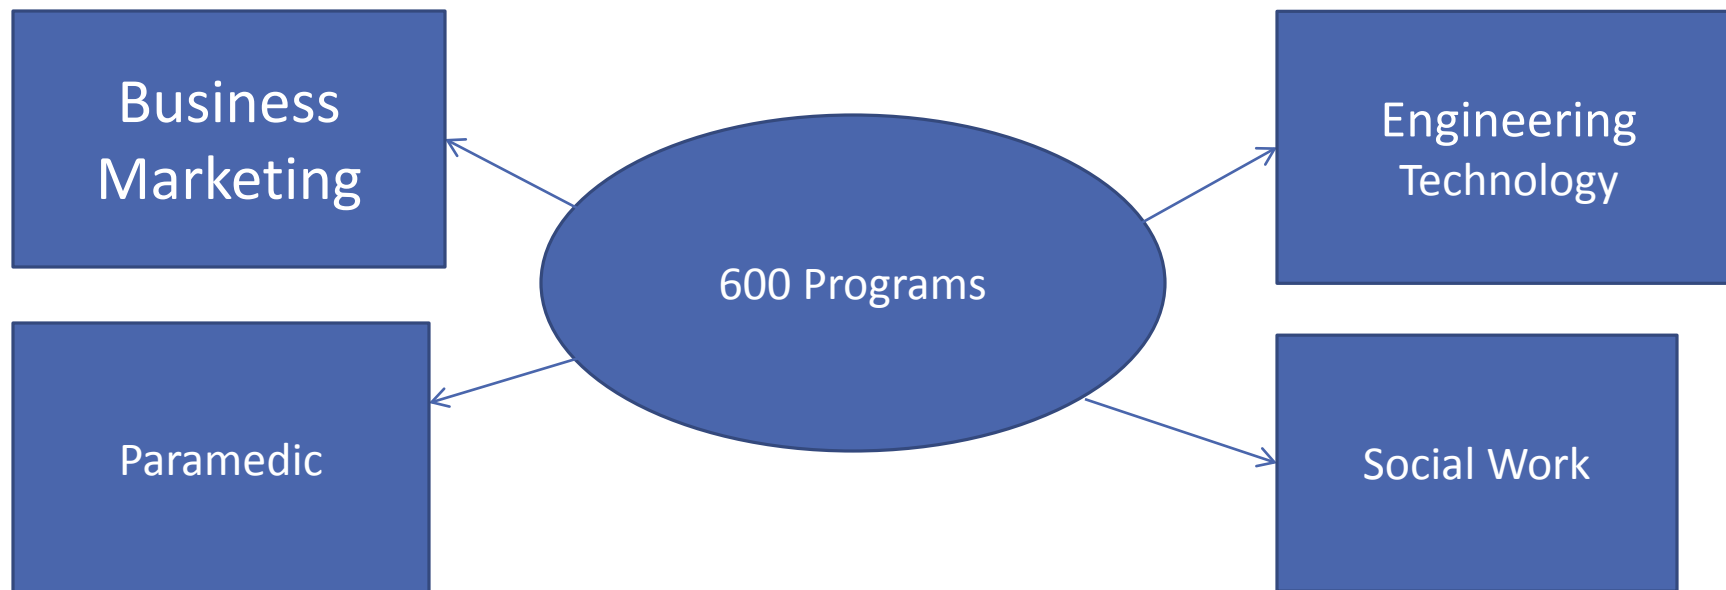

- Earn high school credits/hours of training with possible enrollment in a College course (Dual Credit)
- Board wide application based on experience, attendance & marks

For these Community based programs  
see the Co-op Department for applications

# think COLLEGE!

Community college programs provide a valuable combination of academic and practical/technical skills training for a specific career. Students who attend college graduate with:

- Certificates (1+ yrs), Diplomas (2 -3 yrs), Advanced Diplomas (2-3 yrs), or
- Degrees (4 yrs) which are equivalent to those earned at a university

# College Admission Guidelines

- ❑ High school diploma + possibly additional requirements such as interview, English entrance test, portfolio, etc.
- ❑ “C”, “M” &/or “U” type courses can be used for admission;
- ❑ Technology programs may require academic Gr. 10 Math, Gr. 11 Functions (M), then Gr. 12 Math for Technology (C) or a 12 U Math and perhaps grade 12 (C) Sciences.
- ❑ Health/Science programs may require grade 12 Math.
- ❑ Some programs are “highly competitive” and require very high marks

**IMPORTANT!!:** Visit [www.ontariocolleges.ca](http://www.ontariocolleges.ca) to determine admission requirements (course and grade requirements) for all colleges and programs that interest you

University programs provide learning environments in large lecture formats or labs that develop academic skills in critical thinking, research and writing. Students graduate with Undergraduate Degrees (3-4 yrs) with the opportunity to apply to and earn Post-Graduate Degrees (eg. Masters) or Certificates

# University Admissions

- ❑ High school diploma required.
- ❑ Minimum overall average of 70% in 6 Gr. 12 “U” or “M” courses (most have much higher admission averages).
- ❑ Some universities have a max. number of “M” level courses they will accept as part of the top 6 course marks
- ❑ Different programs and universities have different course and grade requirements. Sometimes certain courses are recommended by universities (to support success) but are not an entry requirement
- ❑ Universities have published their new program pre-requisites/requirements on websites ([www.universityinfo.ca](http://www.universityinfo.ca)), and in handbooks (available in Guidance)
- ❑ Universities may consider Gr. 11 and 12 (“U” and “M”) courses for admission and/or prerequisites.

# University & College Links

---

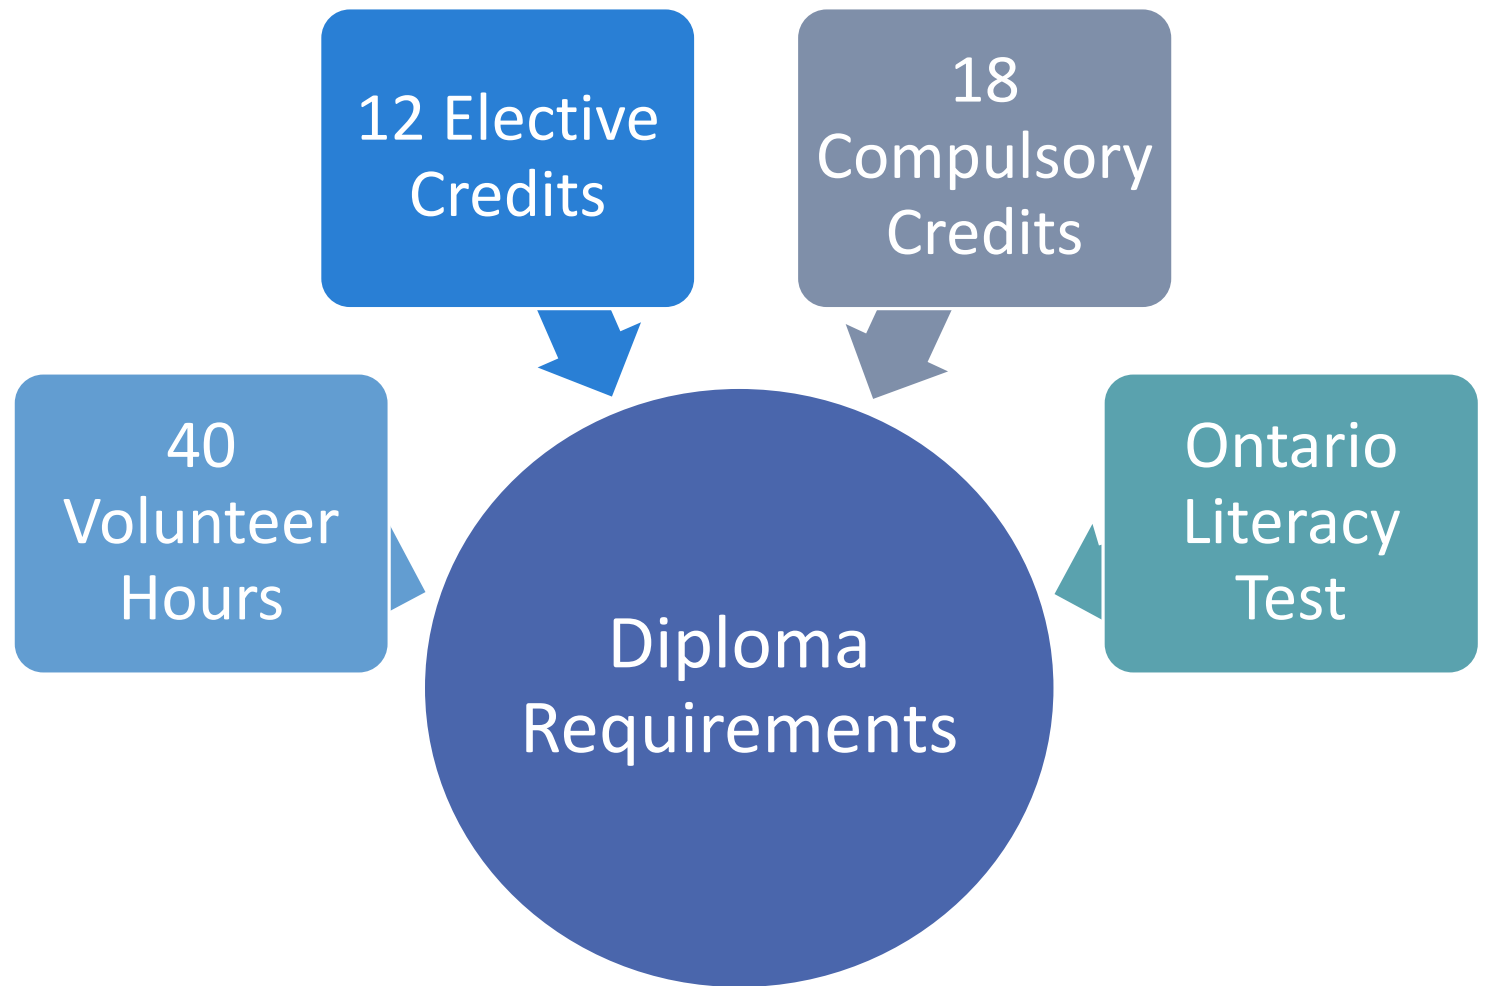

- ❑ Program links between colleges and universities are increasing dramatically.
- ❑ Many colleges and universities are offering joint programs that will provide students with both the theoretical and practical skills required for their career and earn them a degree and a diploma in four years. Carefully check pre-requisites for these programmes.
- ❑ Applied degree/ Degree programs are now granted by many colleges. **These programs also require 6 grade 12 “U” or “M” level courses**
- ❑ **Lots of opportunities to transfer between colleges and universities exist.**  
**Visit [www.ontransfer.ca](http://www.ontransfer.ca) to explore transfer opportunities**

# Full Disclosure

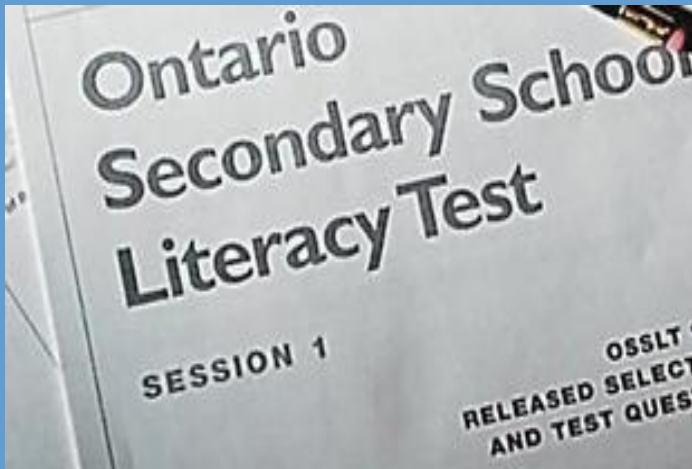

- ❑ The Ontario Student Transcript provides a record of a student's overall achievement in high school and is required by post-secondary institutions to assess admission to their programs
- ❑ In grades 9 & 10, only successfully completed courses appear on your transcript
- ❑ In grades 11 & 12, a list of ALL courses taken or attempted, with the percentage grade, will appear on your transcript and will be shared with post-secondary institutions
- ❑ Note that courses dropped before the full disclosure date (approx. midsemester) will not appear on your transcript

# What do I need to graduate?

# Meeting the Literacy Requirement

ALL students must meet the literacy requirement in order to graduate. This can be accomplished by:

- ☐ successfully completing the OSSLT in grade 10 or 11 or
- ☐ successfully completing the Ontario Literacy Course OLC4O1 (after attempting the test at least once)

Therefore, if you have not successfully completed the test and are entering grade 12 **you must select OLC4O1 when making your course selections!**

# 40 Volunteer Hours

- ❑ Check the Board website for suitable volunteer experiences
- ❑ Check the Guidance Bulletin Board for posted opportunities and resources
- ❑ Have your volunteer hours approved in Guidance prior to completing your volunteer experiences
- ❑ Choose experiences that allow you to explore careers or support your career path

## Compulsory Course Credits in Grade 12

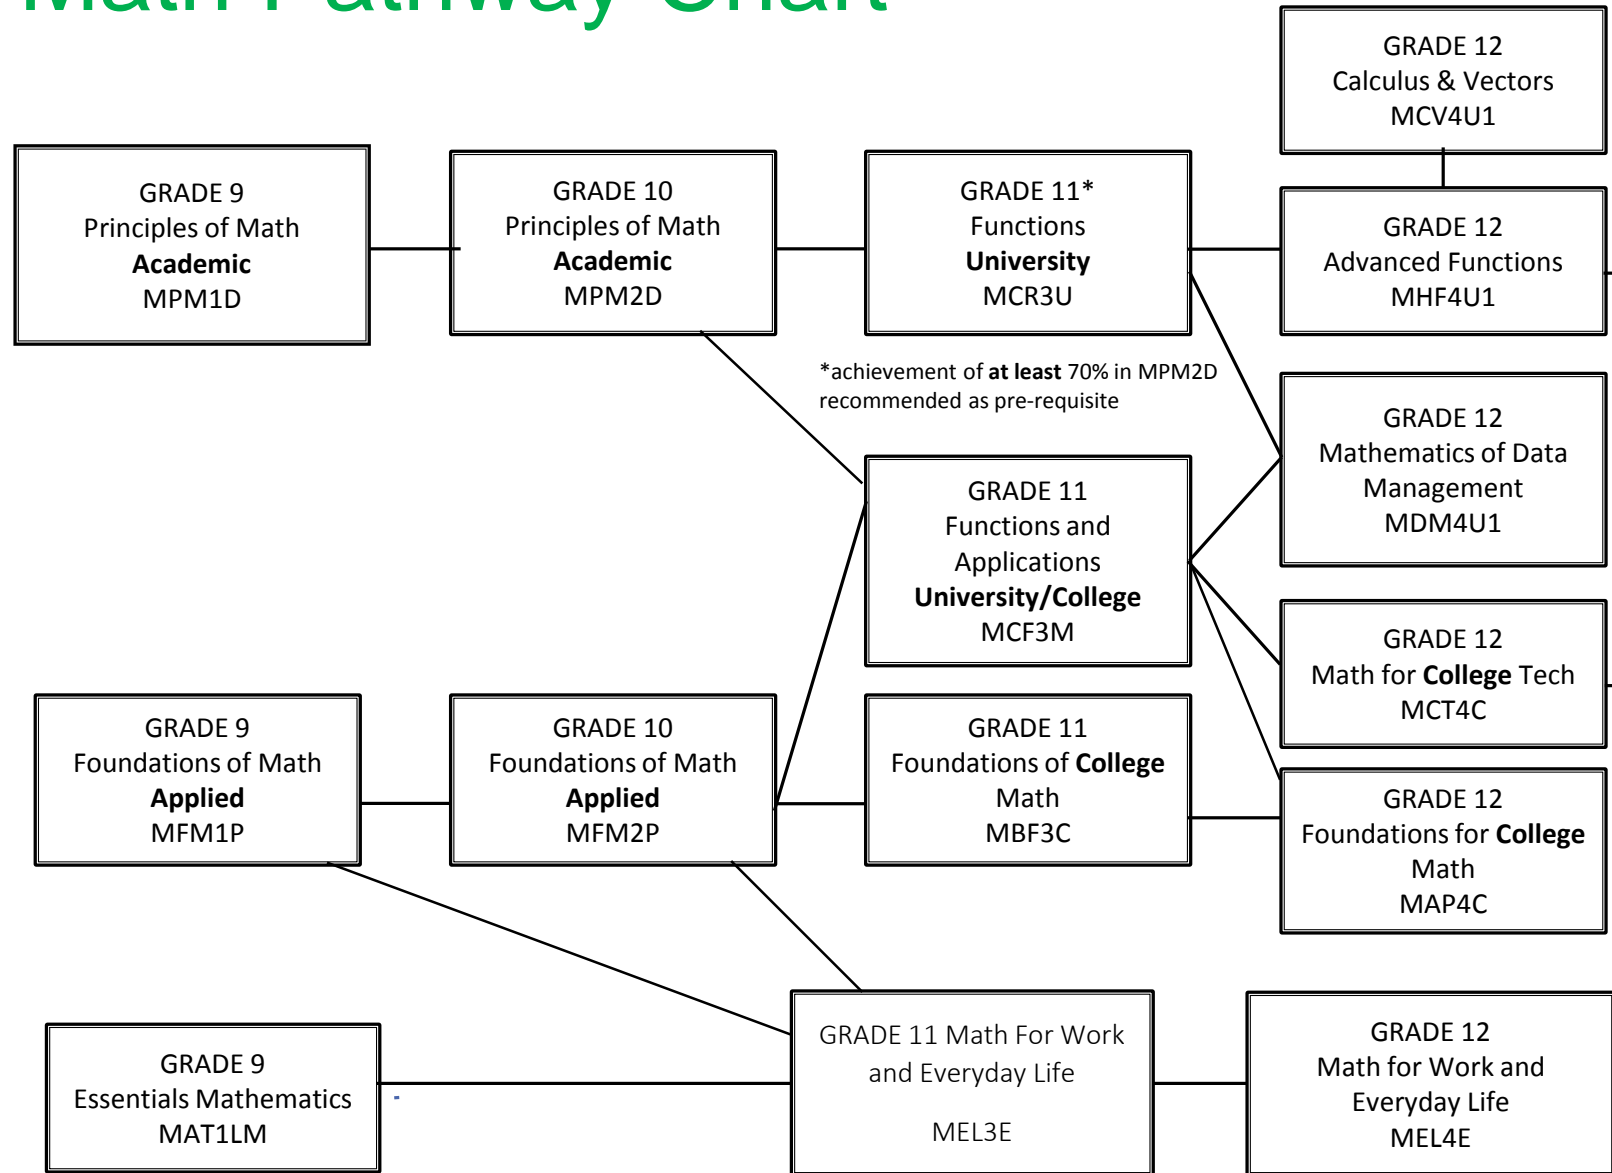

- ❑ Choose course in consultation with your teachers and in accordance with your past achievement
- ❑ Ensure that you have the pre-requisite course you require to take the course you are choosing. Career Cruising will stop you from submitting a course selection where you have chosen a course without the correct pre-requisite

# English

- **ENG4U1 – University**
- **EWC4U1 – Writer's Craft**

- COP4X0 & COP4X& (All day Co-op)

## SHSM

- 2 credit Co-op
- Consider choosing “Health Science” course

# Full Time Student Status

- ☐ Students are required to carry a full-time course load
- ☐ Grade 12 students must carry a minimum of six (6) courses (3 in each semester)
- ☐ Students in grade 12 however should consider taking seven courses (English and 6 electives) to ensure that they have options when submitting grades/marks necessary to meet admission requirements

# What is the 34 Credit Threshold?

- ❑ Most students will complete the 30 credits needed to graduate within four years. While enrolled in your first four consecutive years of secondary school, you may earn beyond 34 credits.
- ❑ If needed, you may earn up to 34 credits within five years.
- ❑ After secondary school, going beyond the 34 credit threshold is possible with:
  - E-learning, Night School, Summer School, Independent Learning Centres, Adult Day School.
- ❑ 34 Credit Threshold does not apply:
  - If you have an Individual Education Plan (IEP).
  - To English as a Second Language (ESL) core language courses and/or English Literacy Development (ELD) core language courses (e.g. Course Codes: ESL/ELDAO, ESL/ELDBO, ESL/ELDCO, ESL/ELDDO, ESL/ELDEO).

# SDSS Program Opportunities

---

Co-op

**Co-operative Education** – Provides students with an opportunity to explore a career path of interest. An application can be picked up from Guidance or Co-op offices and must be submitted ASAP for all Co-op requests, including TA. All students will be interviewed for a placement.

E-Learning

**E-Learning** – Allows students to earn credits through on-line courses. Interested students should see a guidance counsellor

Alt. Ed.

**Alternative Education** - Allows student to use paid work experiences to earn elective credits. Entry into this program requires an application process involving Guidance, Administration and Ms. Devos (Head of Alt. Ed.)

SHSM

**SHSM (Health and Wellness)** - Please see Mrs. Hewitt or Mrs. Chartrand for information. An application must be completed on-line.

Dual Credit

**Dual Credit** – Allows students to earn a high school credit and a college credit by attending a college course once a week. Free transportation and tuition included in the program. See Ms. Luciani in Guidance for information about programs.

# Special Education Option

- ❑ If you have support through the Special Education Department, consider taking Learning Strategies (GLE401) to ensure direct support during one semester.
- ❑ **Learning Strategies** courses can be found under the “Guidance” discipline when selecting your courses in MyBlueprint

## STEP 2: From the Dashboard, click on **Plan Courses**

The screenshot displays a user dashboard with a navigation bar at the top containing 'Home', 'Dashboard', 'Tasks', 'Classes', 'Goals', and 'Portfolios'. The 'Dashboard' link is underlined. Below the navigation bar, there are two main sections. On the left, a dark-themed box titled 'Complete your IPP Tasks' shows a progress bar at 16% and includes buttons for 'View All Tasks' and 'Show Prizes'. On the right, a white box titled 'High School • Plan' contains the text 'Plan Courses to Graduation' and '100 points'. Below these, there are two more boxes. The left box, 'High School Progress', shows 'Official High School Plan' with '13 credits until graduation' and a progress bar. It also features a 'Course Selection is now open!' message, a 'Not Submitted' status with a red 'X' icon, and a blue 'Plan Courses' button. The right box, 'COMPATIBILITY SURVEYS', is titled 'Find your match' and encourages taking a 'Who Am I' survey. A large red arrow points to the 'Plan Courses' button in the bottom-left box.

# Course Selection Due Date

---

**Course Selection Sign-off forms,  
signed by parents / guardians,  
must be submitted to Homeroom teachers  
on or before February 19<sup>th</sup>.**

# Things to remember...

---

Course Selection submission opens on MyBlueprint at .....

**9:00 a.m. on February 12, 2020**

Grade 11 students must **choose a minimum of 6 courses** – please check graduation requirements to meet the 30 credits

**Repertoire Music or Vocal** can be chosen as a 9<sup>th</sup> option

All students should **review their compulsory credit requirements** prior to course selection.

Students selecting ESL must choose ESL for each semester, unless **ESLEO1** is their first option.

All students must **choose 2 Alternative Courses**

# Making Wise Course Selections

---

## Think about your:

1. previous marks in the Grade 11 subject  
\*this is your foundation for the next grade/level\*
2. subject teacher's recommendation
3. learning skills & work habits
4. interests & post-secondary pathway
5. required compulsory courses

# Something else to consider...

---

- ❑ The number of classes in the timetable is based on the number of students who select the course in February
- ❑ If there are not enough students who select a course, the course may be cancelled
- ❑ All classes have maximum numbers
- ❑ With limited courses and limited space in classes it is difficult to move between University and College level courses once the timetable has been built so choose your courses wisely
