

Programs and Activities that Support Post-Secondary Pathway Planning

Experience Pathways

Experience Cooperative Education

Earn extra certifications and opportunities for learning outside the classroom!

Co-op is a way to “Test Drive” a career before spending a lot of time in the workplace and/or money on College or University.

Co-op is a grade 11 or 12 program that will give the experience, contacts and references needed to explore a successful career choice while obtaining high school credits.

OYAP & Accelerated OYAP

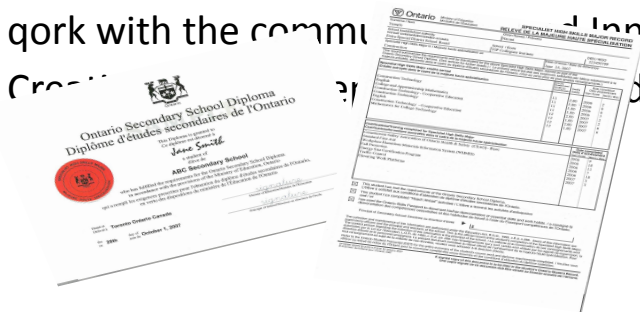

SHSM Program

In SHSM students in grade 11 and 12, focus on a career path that matches their skills and interests. Students receive the SHSM seal on their diploma when they:

- earn valuable industry certifications
- participate in various experiential learning activities and learn about a variety of post-secondary opportunities
- work with the community, innovation, and entrepreneurship

At SDSS we have an SHSM in the Health and Wellness sector.

For more information visit the [SHSM](https://www.ontario.ca/shsm) webpage.
