Vehicle #2

Make: _____ Model: _____

License Plate: _____ Colour: _____

Vehicle #3

Make: _____ Model: _____

License Plate: _____ Colour: _____

Note: Please read and sign the back of this form!

Parking at SDSS:

Student vehicles are to be parked in valid student parking spots (North, or West lots only). Students may not park in the South lot which is reserved for parents, visitors and staff. Cars dropping off or waiting for students before and after school must avoid the bus loading area.

Rules for driving and parking on school property:

1. Students register any vehicle they intend to drive to school and park on school property. A vehicle must be registered in the school's main office.
2. Students, visitors and staff will all receive a parking tag that must be clearly displayed in the front dash area of the vehicle.
3. A vehicle that is not registered in the school's main office or does not display a valid parking tag may be towed away at the owner's expense after multiple attempts to locate and inform the vehicle owner.
4. Drive cautiously on school property at all times. Speeding and careless driving will result in the loss of parking privileges and will involve notification of the police.
5. While on school property, your car's sound system must be kept low and must not disturb others.
6. Cars are for the purpose of transportation to and from school. Sitting in your car during the school day is unacceptable.
7. The school will assume neither responsibility nor liability for damage to vehicles parked on school property.
8. Students are not permitted to smoke in their cars while on school property.

I have read and understood the rules for driving and parking at Stouffville District Secondary School. I understand that if I fail to abide by the rules that my driving and parking privileges at SDSS may be revoked.
