	As part of the Equity and Inclusivity Advisory Committee's community consultations, recommended that School Councils allocate a small percentage of their school generated funds to a centralized "YRDSB Trust Fund" that will enable low income students to participate in various activities that require additional funding.
	A centralized "YRDSB Trust Fund" would assist in reducing barriers for inclusionary activities that some schools cannot support as much as they would like.
	Please indicate if your school is interested in supporting a centralized "YRDSB Trust Fund" by sharing some of your school generated funds.

E. Additional Support and Training

The <u>YRDSB Director's Action Plan</u>sets out six goals that align with the strategic plan and our Board's Mission, Vision and Values. Please indicate if there is a need for the Board to provide additional support and training to your school in the next school year: (Please check all areas that apply for your school)

a. Goal 1: Foster Well-Being and Mental Health (i.e., to build safe, healthy and inclusive learning and working
environments where students and staff feel they matter and belong)

b. Goal 2: Champion Equity and Inclusivity (i.e., to build a collective understanding of: the ongoing impact of colonialism on Indigenous Communities, Anti-oppression, and Culturally Responsive and Relevant Pedagogy [CRRP])
