May 2017

THE SUTTON STINGER

Principal: Roxanne Hibberd

Superintendent: Dianne Hawkins 905-895-5155

Vice Principal: Derek Totten

Administrative Assistants: Colleen Kirton and Lianne McAndrew

School Website: www.yrdsb.ca/schools/sutton.ps

Twitter: @SuttonStingers

For the safety of our students, no scents, peanuts or nut products please!

Principal's Message:

EQAO Provincial Testing for grades 3 and 6 students will be occurring during the last week in May (begins May 23rd) and the first week in June (ends June 2nd). In six one-hour sessions, students will complete a variety of assessment activities designed to allow them to demonstrate their knowledge relating to reading, writing, and mathematics as described in The Ontario Curriculum. Please plan appointments around the following EQAO times. Grade 3 students will be writing from 8:30 - 10:10 am and grade 6 students will be writing from 10:30 am - 12:00 pm.

EQAO has developed a section for parents on their website, "EQAO Tests: What Parents Need to Know" which includes information regarding the assessments and what to expect. To access these resources, go to the EQAO website at www.eqao.com and click on "Parents." Select "Primary Division (Grades 3) or Junior Division (Grades 6)."

Kind regards,

*R.Hibberd
Principal*

*D.Totten
Vice-principal*

School Council

School council provides advice on school matters. The council includes parents/guardians, school staff, and community members. School council involvement gives you the opportunity to be part of a team working to ensure a high quality of education. All parents/guardians and members of the school community are welcome to attend meetings.

www.edu.gov.on.ca/eng/parents/getinvolved.html

The next school council meeting is Monday, June 5th from 6:00-7:30 p.m

Kindergarten Registration for September 2017

Kindergarten registration started on **January 20th** for the 2017-18 school year. Registration forms are available on YRDSB's website: www.yrdsb.ca. Children who turn four or five years old during 2017, live within the school boundary, and whose parents are public school tax supporters will be eligible to register for kindergarten. A kindergarten information session for parents is being planned in May. For more information please visit the YRDSB website or contact your local school.

York Region Public Health Immunization for the 2017/2018 School Year

In the 2017/18 school year, York Region Public Health will visit all elementary schools to provide school immunization clinics to **Grade 7** students. The clinics offer vaccines for Hepatitis B, Human Papilloma Virus (HPV) and Meningococcal A, C, Y, W-135 at no cost.

Under the Immunization of School Pupils Act, meningococcal vaccine is required for school attendance, unless an exemption is filed with public health. Hepatitis B and HPV vaccines are recommended, but not required for school attendance.

Parents of students entering Grade 7 in fall 2017 will receive consent forms in the mail in June. Please complete the consent form and return it to York Region Public Health to allow your child to participate in the immunization clinics. Detailed instructions can be found on the forms and accompanying letter. If the consent form is not completed, your child will not be able to receive vaccines at the clinic.

Parents and guardians who do not consent should still complete the forms and return them, indicating that you do not authorize York Region Public Health to immunize your child.

Visit york.ca/immunizations and click on School Immunization Clinics for more information.

Did you know? If your child has missed a required vaccination on Ontario's routine immunization schedule, he/she can receive the vaccine at one of York Region Public Health's Community Immunization Clinics. These evening clinics are offered throughout the summer, giving students the opportunity to catch up before returning to school. Visit york.ca/immunizations and select Community Immunization Clinics to learn more.

Cram-a-Cruiser Event at Sutton Public School

The Pinball Clemons' Foundation is hosting the **JUST GIVE** Cram-A-Cruiser Food Drive again this year in partnership with the York Regional Police and LifeCorps Food Share, and **we need your help!** All eight police services in the Horseshoe area have accepted the challenge to host the **largest food drive in Ontario history** on Wednesday, May 17th and your school has been selected to participate. The school who raises the most money and the school who collects the most food will be given tickets to attend the Toronto Argonauts pre-season game on Thursday June 8th, 730 pm at BMO Field in Toronto!

Below is a list from the food bank of their most needed food items:

- Canned vegetables and fruit
- Pasta sauce
- 100% fruit juice
- Rice, Pasta
- High fibre/low sugar cereal and oatmeal
- Flour
- Granola bars
- Canned meat and fish in water
- Dried /canned beans
- Baby food and formula
- Olive oil

**Feeding the
Community**

Library News

Thank you to everyone who supported the Library by shopping at the Scholastic Book Fair. We managed to raise about \$1400 in profits, which means we have that amount as credit to spend with Scholastic. We will be able to purchase books and some exciting resources for Maker Spaces.

What is a makerspace?

"A makerspace is a collaborative work space inside a school, library or separate public/private facility for making, learning, exploring and sharing that uses high tech to no tech tools. These spaces are open to kids and adults and can have a variety of maker equipment including 3D printers, laser cutters and even sewing machines. A makerspace, however, doesn't need to include all of these machines or even any of them to be considered a makerspace. If you have cardboard, legos and art supplies you're in business. It's more of the maker mindset of creating something out of nothing and exploring your own interests that's at the core of a makerspace. These spaces are also helping to prepare those who need the critical 21st century skills in the fields of science, technology, engineering and math (STEM). They provide hands on learning, help with critical thinking skills and even boost self-confidence. Some of the skills that are learned in a makerspace pertain to electronics, 3d printing, 3D modeling, coding, robotics and even woodworking." ~**Makerspace.com**

We are beginning to develop some MakerSpaces within our school classrooms and Library. We have started with some Art, Puzzle, Greenscreening, Origami, ... spaces in the library. Watch for more exciting developments in the future. We also have a book club, knitting club and Lego club at recess.

Some students have also been busy voting for their favourite Forest of Reading books. Winners will soon be announced by the Ontario Library Association. Watch for winners in next month's newsletter. Students will then have the opportunity to sign these books out to share with you.

Happy reading!
Ms. Wilczek

Are You Moving??

The office is starting to prepare for the 2017/2018 school year.

In order to keep our records accurate, please contact the office at 905-722-3782, if you are moving out of our area over the summer months.

Thank you.
