Fight the Bite!
Protect yourself against West Nile virus and Lyme disease

If you are heading outdoors to keep active, go camping or work in your garden, protect yourself and your family against West Nile virus and Lyme disease. West Nile virus is spread to humans through the bite of an infected mosquito; Lyme disease is spread through the bite of an infected blacklegged tick.

What you can do:

- Cover up when you go outdoors with light coloured long sleeved shirts and pants;
- Use an insect repellent containing DEET;
- Check yourself and your children for ticks;
- Remove attached ticks as quickly as possible; and
- Clean up standing water around your home where mosquitoes like to breed.

You can still enjoy the great outdoors; just remember to ***Fight the Bite!*** For more information about West Nile virus and Lyme disease, including the safe removal of ticks, contact York Region Health Connection 1-800-361-5653, 1-866-252-9933 or visit the website: york.ca/westnile or york.ca/lymedisease.

Valid Absences

Only absences due to illness, medical/dental/legal appointments, bereavement, and school-sponsored activities are valid. All other absences, including missed buses and oversleeping are invalid. When a student is absent, it is the student's responsibility to ensure that his or her parent(s)/guardian(s) confirm knowledge of the validity of the absence. **Parent(s)/Guardian(s) are asked to call the Attendance Office at 722-3267 (accessible 24 hours daily) the morning of each day their child will be absent or write a note verifying the absence.** Informing of the absence to the day or on the day of the absence will allow the information to be entered and will prevent the need for a phone call home or for the student to obtain an admit slip upon return. If no phone call or note is received, students must obtain an admit slip from the office. In certain instances, medical documentation may be required. Students who are 18 years of age or older are to sign in and out at the Attendance Office when leaving or entering the school for any reason. **Students are responsible for informing teachers in advance of an anticipated absence. Students are responsible for all missed work (tests, assignments, class notes) when absent and are encouraged to obtain this work from their teacher beforehand when possible.**
