Congratulations to Emily Walsweer for being chosen as this week's "Student of the Week". Well done!

### **June 2016 Exam Schedule**

Final Exams start next week. Students have received a copy of the June [Exam Schedule](#). Please encourage your children to review their course binders, online content, past tests/summative assignments as they study for their exams. It is important that our students understand that all learners need to study and review key learning goals and concepts learned throughout the semester. Final exams can be very stressful for students so a good night's sleep and being well-prepared will help set learners up for success. For more information please see [Student Guidelines for Writing Exams](#) and [Tips for Writing Exams](#).

If you have any questions please call Candice Mott, Vice-Principal.

### Holidays and Observances

June 21 – National Aboriginal Day – A day declared by the Assembly of First Nations. – All First Nations’ organizations cease work during this day. This is a day where all Canadians can celebrate the contributions Aboriginal peoples have made to Canada. This day was chosen because it is also the summer solstice, the longest day of the year. For generations, many Aboriginal people have celebrated their culture and heritage on or near this day. For more information about the day’s activities about the day’s activities, visit the Indian and Northern Affairs Canada Website at [www.inac.gc.ca](http://www.inac.gc.ca) and look in the “Culture and History” section.

### Valid Absences

Only absences due to illness, medical/dental/legal appointments, bereavement, and school-sponsored activities are valid. All other absences, including missed buses and oversleeping are invalid. When a student is absent, it is the student’s responsibility to ensure that his or her parent(s)/guardian(s) confirm knowledge of the validity of the absence. **Parent(s)/Guardian(s) are asked to call the Attendance Office at 722-3267 (accessible 24 hours daily) on the morning of each day their child will be absent or write a note verifying the absence.** Informing of the absence to the day or on the day of the absence will allow the information to be entered and will prevent the need for a phone call home or for the student to obtain an admit slip upon return. If no phone call or note is received, students must obtain an admit slip from the office. In certain instances, medical documentation may be required. Students who are 18 years of age or older are to sign in and out at the Attendance Office when leaving or entering the school for any reason. **Students are responsible for informing teachers in advance of an anticipated absence. Students are responsible for all missed work (tests, assignments, class notes) when absent and are encouraged to obtain this work from their teacher beforehand when possible.**
