First Nations, Metis and Inuit Awareness Month

To help celebrate First Nations, Métis & Inuit Awareness month the PCL committee, Ms. Kelly & our FNMI students wish to invite all SDHS staff and students to events taking place at our school over the month of June.

Thursday June 2nd - Students and staff are invited to sample traditional foods & enjoy storytelling over the lunch hour. (Location: Courtyard *pending weather)

Friday June 10th - Open Lacrosse game for all students to watch or participate in during the lunch hour. The history of this sport pre-dates even the earliest European settlers to Canada. Lacrosse, which First Nations in our territory knew under names as **Baggataway** or **Tewaarathon** played a significant role in the community and religious life of many tribes across all of Canada for as long as anyone can remember. (Location: Field *pending weather)

Friday June 17th - Student led Smudge & Medicine Teachings. Students and staff are invited to join Ms. Kelly, Ms. Johnston & Liam Fennell conduct a smudge and learn about the traditional medicines FNMI people use in these ceremonies. (Location: Outdoor Classroom)

June 2016 Exam Schedule

Students have received a copy of the June [Exam Schedule](#). For further information please see [Student Guidelines for Writing Exams](#) and [Tips for Writing Exams](#). If you have any questions please call Candice Mott, Vice-Principal.

Fight the Bite!

Protect yourself against West Nile virus and Lyme disease

If you are heading outdoors to keep active, go camping or work in your garden, protect yourself and your family against West Nile virus and Lyme disease. West Nile virus is spread to humans through the bite of an infected mosquito; Lyme disease is spread through the bite of an infected blacklegged tick.

What you can do:

- Cover up when you go outdoors with light coloured long sleeved shirts and pants;
- Use an insect repellent containing DEET;
- Check yourself and your children for ticks;
- Remove attached ticks as quickly as possible; and
- Clean up standing water around your home where mosquitoes like to breed.

You can still enjoy the great outdoors; just remember to ***Fight the Bite!*** For more information about West Nile virus and Lyme disease, including the safe removal of ticks, contact York Region Health Connection 1-800-361-5653,

1-866-252-9933 or visit the website: york.ca/westnile or york.ca/lymedisease.

Grade 12's Graduates

Please have all Grade 12s who are planning on graduating, hand in their consent for Recording/Publications form into Guidance as soon as possible. Once handed in, they can inform us of many guests they would like and this allows us to reserve seating. Please also check if you have paid the \$25.00 Graduation fee.

Holidays and Observances

Islam

Ramadhan is the ninth month of the Islamic calendar. All Muslims who are physically able, fast during this month by abstaining from food and drink each day from dawn to sunset. The beginning of Rhamadhan depends on the sighting of the moon on the previous evening.

Valid Absences

Only absences due to illness, medical/dental/legal appointments, bereavement, and school-sponsored activities are valid. All other absences, including missed buses and oversleeping are invalid. When a student is absent, it is the student's responsibility to ensure that his or her parent(s)/guardian(s) confirm knowledge of the validity of the absence. **Parent(s)/Guardian(s) are asked to call the Attendance Office at 722-3267 (accessible 24 hours daily) the morning of each day their child will be absent or write a note verifying the absence.** Informing of the absence to the day or on the day of the absence will allow the information to be entered and will prevent the need for a phone call home or for the student to obtain an admit slip upon return. If no phone call or note is received, students must obtain an admit slip from the office. In certain instances, medical documentation may be required. Students who are 18 years of age or older are to sign in and out at the Attendance Office when leaving or entering the school for any reason. **Students are responsible for informing teachers in advance of an anticipated absence. Students are responsible for all missed work (tests, assignments, class notes) when absent and are encouraged to obtain this work from their teacher beforehand when possible.**

Students are now required to submit the form for Community Volunteer Hours PRIOR to volunteering. The student will need to get pre-approval from a Guidance Counsellor and have the form returned to them BEFORE they volunteer. This will require a minimum one week turnaround time. Please ensure that you follow these procedures so that you can get credit for all of your Community Volunteer Hours.

Students are reminded that any hours obtained over the summer should be handed into the Guidance office.

As a graduation requirement, students are required to complete 40 hours of community volunteer hours. It is recommended that students complete these hours in grades 9, 10 and 11. «First_Name» «Last_Name» has completed «Community_Servi» hours of community volunteer hours. Community volunteer hour forms can be found in the Guidance Office. Please be advised the completed forms are processed periodically, the hours submitted to the Guidance Office may not appear for up to four weeks.
