On behalf of the Peer Mentors, we would like to thank all of the Grade 9 students who joined us at Ontario Pioneer Camp this week. Students worked on their teamwork and communication skills through the initiative games and challenge courses. They also had the opportunity to choose from activities such as archery, candle making, geo-caching, high ropes, mountain biking, orienteering, rock wall and wilderness skills. Friendships and memories were formed throughout the day and night. A great time was had by all.

The Library Commons is excited to announce that our Makerspace will be up and running on Monday, September 19!!!

What is a makerspace? It is a DIY space where students can gather to create, invent, and learn. We want to spark curiosity and creativity by inviting students to explore and experiment with various items- see list below. The library team wants to spark ideas and your child's imagination.

What we have to offer:

- Lego kits and block
- Colouring Books

The library commons team welcomes suggestions, ideas for improvement and new items. Come check it out!!

School Council

S.D.H.S. School Council is looking for candidate nominations. Please complete the below link for the form and submit to the office.

<http://www.yrdsb.ca/schools/suttondistrict.hs/SchoolCouncil/Documents/FOR-SchoolCouncilNomination.pdf>

School councils are advisory bodies which may make recommendations to the school principal or to the Board on matters as stated in Board policies. School councils are comprised of parents/guardians (constituting the majority of members of the school council), one student representative (optional at elementary level), at least one community representative, the school principal, one teaching staff representative, and one support staff representative.

School councils are responsible for:

- supporting and promoting parent, family and community engagement in support of student learning;
- participating in the development and implementation of the school improvement plan;
- communicating with, and providing ongoing advice to, the principal on matters pertaining to the school; &
- collaborating with the principal to coordinate community resources that support student learning needs.

At Sutton District High School, the School Council is not directly involved in any fundraising. The council offers advice to the Principal regarding fundraising. Individual members may provide additional support on a voluntary basis.

The SDHS School Council will meet at 7 p.m. in the school library on the following dates:

September 19, 2016 November 21, 2016 February 2, 2017 May 1, 2017

(all dates are subject to change and will be posted on our school outdoor signs and website.)

The Ontario Secondary School Literacy Test (OSSLT) is going online!!

On Thursday, October 20, after several years of research, development, consultation, trial runs and system checks, EQAO will take the important step of holding a large-scale assessment of OSSLT-eligible students in a digital environment. Open to all of Ontario's secondary schools, this is a critical trial of EQAO's online testing system and of schools' and school boards' technological capacity to support online assessments. At SDHS, all grade 10 students will be participating in the online administration of this test. In addition, all previously-eligible students who are not enrolled in the OLC (literacy course) for the 2016/2017 school year will be participating. In addition to the classroom preparation provided for this test, there are sample materials and sample tests on the EQAO website. There is even a sample on-line version at the following link:

<http://www.eqao.com/en/assessments/eqao-online/Pages/sample-online-osslt.aspx>

Additional support and/or practice materials can be provided by Lisa Schneppenheim, SDHS's Literacy Teacher. Lunch n' Learn sessions for students will also be offered in October.

Please note, if students are unsuccessful and/or there are technological issues during this online administration, all students will still have the regularly scheduled OSSLT in March 2017 to satisfy their literacy requirement. Those who pass the online test will not have to write the one scheduled in March.

Attendance

Student attendance is directly related to student success. It is very important that students are at school on time and in class daily.

At Sutton District High School, when a student misses a class without a valid reason, our automated attendance program will phone home in the evening stating what grade the student is in and what class(es) were missed that day. If parents have any questions regarding the reported absence, they should check with their child and his or her teacher, as well as the appropriate Vice Principal if necessary.

Being Punctual and Prepared to Learn

We are supporting our students in arriving to class on time every day, for every period. There are strong links between being late, missing classes and lowered academic achievement. We want all students to succeed here at SDHS. So we will be consequenceing those who are late or who miss too much time from class due to excessive hall-walking. Starting on Monday, September 12th all students who are late to class, meaning arriving after the bell, will be issued one warning for their tardiness. Any subsequent late, students will be issued a 20-minute **lunch detention**. Detentions will run from 12:05 -12:25 in a central location within the school. The detention room is supervised by teaching staff and our expectation is that students sit quietly to serve their detention. They can choose to use the time productively and complete assignments, homework, read or engage in other individual quiet study. The intention is to promote being punctual and prepared to learn at the beginning of class.

Valid Absences

Only absences due to illness, medical/dental/legal appointments, bereavement, and school-sponsored activities are valid. All other absences, including missed buses and oversleeping are invalid. When a student is absent, it is the student's responsibility to ensure that his or her parent(s)/guardian(s) confirm knowledge of the validity of the absence. **Parent(s)/Guardian(s) are asked to call the Attendance Office at 722-3267 (accessible 24 hours daily) on the morning of each day their child will be absent or write a note verifying the absence.** Informing of the absence prior to the day or on the day of the absence will allow the information to be entered and will prevent the need for a phone call home or for the student to obtain an admit slip upon return. If no phone call or note is received, students must obtain an admit slip from the office. In certain instances, medical documentation may be required. Students who are 18 years of age or older are to sign in

and out at the Attendance Office when leaving or entering the school for any reason. **Students are responsible for informing teachers in advance of an anticipated absence. Students are responsible for all missed work (tests, assignments, class notes) when absent and are encouraged to obtain this work from their teacher beforehand when possible.**
