BOARD COMMUNICATION: MULTI-YEAR STRATEGIC PLAN

Recently, York Region District School Board launched its new Multi-Year Strategic Plan.

Developed by the Board of Trustees and based on feedback from staff, students and community, it lays out three priorities:

- Student Achievement
- Health and Well-Being
- Human Rights and Inclusive Education

The plan aims to build unity while helping students to achieve excellence by promoting and supporting high expectations for all, building healthy environments and positive relationships and learning and growing together while affirming our diverse identities.

This plan will guide the collective work of the board for the next 4-5 years and we look forward to sharing its success with you in the coming months.
