SPIRIT WEAR IS BACK! – see the flyer here

Our School Council is proud to offer Thornhill Public School Spirit Wear!

Please use [this link](#) to view the items available for purchase and to place your orders. If you choose to have your order delivered to the school, orders will arrive the week of December 18th for distributions. **The last day to order in time before the winter break is December 1st....hurry, don't delay!**

We would like to thank you in advance for your support in raising our school spirit.

EMERGENCY CONTACT INFO

If you recently changed your phone numbers or need to change emergency contacts, please ensure we have the correct emergency contact information on files in our office. It is important that one of your emergency contacts would be available in the event that your child needs to be picked up or attended to. Thank you for your cooperation.

PROGRESS REPORT CARDS

Teacher interviews and report cards are part of the ongoing communication from our school to support students and we trust that you are able to connect with your child's teachers. If you need support, please connect with your child's teacher.

There continues to be a delay this year with loading the system's progress reports for electronic distribution (due to the cyber incident). Your child's Progress Report Card will be distributed electronically at a date to be determined. Further information on how to access this report will be shared at that time.

The Progress Report for Grades 1-8, provides you with information about your child's general progress in working toward the achievement of the curriculum expectations across subject areas. The Report Card has only the following Ministry provided indicators:

- Progressing with Difficulty
- Progressing Well
- Progressing Very Well

The Progress Report also provides you with attendance information (absences/lates). If there are discrepancies in your child's attendance, please contact the main office.

Overall, progress reports provide you information about your child's achievement during the first part of the term. We hope that this report will encourage your child while supporting conversations about learning at home.
