SNACK PROGRAM

The Snack Program will be continuing to provide fruit and Melba Toast for any students who may need a healthy snack throughout their day at TPS!

Thornhill Public School is pleased to be hosting its annual Terry Fox Walk on Tuesday, September 24th. We are asking that all students bring in a donation of \$2 or more in cash anytime between September 17th to the day of the run. All donations will be forwarded directly to the Terry Foundation to further the cause of cancer research. Last year, we proudly raised \$1,595.75.

We are very proud to be associated with the Terry Fox Foundation and believe that our involvement will launch a successful, positive and meaningful school year.

We hope to count on your support. Let's keep Terry's dream to find a cure for cancer alive.

Thank you in advance,
The Terry Fox Team

Student Busing Eligibility

Did you know that students' busing eligibility changes throughout their school career? Your son/daughter's eligibility to ride the school bus may change according to their grade and distance from home to school. Below are the provisions for eligibility identified in the Board's Transportation Policy #680:

- All YRDSB students in **Grades JK-3** who live within 1.2 km of their school are not eligible for transportation
- All YRDSB students in **Grades 4-8** who live within 1.6 km of their school are not eligible for transportation
- All YRDSB students in **Grades 9-12** who live within a transit served area are not eligible for transportation.

To view Board Policy #680 Student Transportation, please visit www.yrdsb.edu.on.ca. For more information about bus transportation and to determine your son/daughter's eligibility please visit www.schoolbuscity.com.

Safety Week

The York Region District School Board is committed to providing safe learning environments for all students.

To support that endeavour, the week of **September 23 – September 27** has been designated as YRDSB Safety Week. Public elementary and secondary schools across the region will be featuring activities and events that highlight various facets of safety at school and in the community.

As part of the Safety Week activities, all schools in the York Region District School Board will be conducting emergency preparedness exercises. To ensure that all members of the school community are familiar with the emergency procedures, we will be conducting a practice Lockdown Drill and a Hold & Secure Drill. In advance of the drills, we will review protocols and expectations during an emergency with all students, staff and affected partners.

Please join with us in helping to ensure that student safety is a top priority during Safety Week and throughout the year.

Part A: ELEMENTS OF RISK NOTICE

The risk of injury exists in every athletic activity. Falls, collisions and other incidents may occur and cause injury. Due to the nature of some activities, injuries may range from minor sprains and strains to more serious injuries affecting the head, neck, or back. Some injuries can lead to a concussion or paralysis or prove to be life-threatening. Injuries as a result of participation in an activity can occur without fault on either the part of the child, or Kidz Can Play Incorporated, or the facility where the activity is taking place. A child choosing to participate in the activity assumes the risk of an injury occurring. The chances of an injury can be reduced by carefully following instructions at all times while engaged in an activity. Kidz Can Play Incorporated attempts to manage, as effectively as possible, the risk involved for children while participating in the athletics program.

I hereby acknowledge and accept the risk inherent in the requested activity and assume responsibility for my son/daughter/ward for personal health, medical, dental and accident insurance coverage.
