These best-in-class security standards provide an actionable framework for developing a robust, online payment card data security process.

School Cash Online does not share your personal information with any third party and we do not store your credit card information on our servers. *School Cash Online* will never contact you to divulge confidential information via phone, email or mail.

How do I use Interac Online?

If you wish to pay online, Interac Online offers you a fast, simple and secure alternative to traditional payment methods.

1 After logging in and adding an item to the cart, proceed to the payment option screen by clicking on "Checkout" at the top of the page.

2 On the Select Payment Method page, select Interac Online as the payment method, and click on "Continue"

3 You will be taken to the Interac Online page, where you can see the financial institutions that supports Interac Online. Please select your financial institution and sign in using your personal banking credentials.

4 You will see an invoice for your purchase, where you can then select an account from which to pay. Accept the payment to continue.

5 You will be taken back to th *School Cash Online* purchase summary page. Here, click on "Complete your order" to complete the transaction and pay for your item. Otherwise, the transaction will not be completed and the payment will be returned to your account.

6 Once you have successfully completed your order, you will be taken to the receipt page where you can print your receipt.
