# OPEN HOUSE MAP

## **Business Studies:**

Interested in Business Studies? Come see displays, courses offered, and student work.

## **History:**

History explores the past, present, and the future. Visit us to see what interesting courses we have to offer!

## **Family Studies:**

Check out the Family Studies department for some tasty treats prepared by students!

## **Computer Science and Computer Engineering**

Come play student created games and Apps. Check out our robots and 3D printer in action.

## **Geography:**

Welcome to Geography! Come and check out the world in which you live! Use Geotechnology to explore, explain and make decisions about various Geographic issues. It's our planet! Geography matters!

## **English:**

"Literature is a reflection of us." Come visit our department to see what we read, study, and see!
