Warm Weather Reminder

As the weather warms up and more students choose to be outdoors for lunch or walk or bike to school, it is important to exercise caution when picking up and dropping off your student. Please work with us to keep everyone safe.

Warm weather is coming!

Don't forget:

- Wear loose light clothing which will help reduce body heat.
- Drink plenty of water.
- Wear a hat outside and apply sunscreen with SPF of 30 or higher.

This is a reminder that engaging in water play on school property is strictly prohibited. This includes using water balloons and water guns. This behaviour creates an unsafe environment for students and community members.

If your child is going to be absent, please inform us.

Message from Our Trustee

June 2024

It is hard to believe we are almost at the end of another school year. I hope that this has been a great school year for you and your child, and you continue to see evidence of your child's learning and engagement at school.

As a school board, there are several things we have been focused on in recent months that I want to update you on.

Thank you to everyone who participated in the [Multi-Year Strategic Plan consultations](#). The plan sets our priorities and direction as a school board. Your input will help ensure our plan reflects both the [priorities established by the Ministry of Education](#) and the community we serve. The revised plan will be announced in the fall and I look forward to sharing those updates.

I also want to thank everyone who shared their feedback in the **budget survey**. Again, we want to ensure that the community has voice in these important decisions. We are committed to transparency and you can find information about the [school board budget on the board website](#) that will continue to be updated.

This is an exciting time of year as schools host end-of-year events including concerts and graduations. I want to offer my sincere congratulations to all of our students on your hard work this year, and a special **congratulations to the graduating class of 2024**. This is an important milestone and a celebration of years of perseverance, commitment, growth and learning. Graduates should feel proud of all they have accomplished. I wish you all the very best for the future and hope you continue to cherish the memories you have made in this school.

I also want to acknowledge all of the many ways that you support your child's learning and our public education system as family members throughout the year, whether it's helping with homework, reading communications, making sure they're out the door on time or volunteering in the school. We recognize that this is a partnership and value the relationship with families.

As we wrap up the school year and look ahead to summer, I want to remind families:

- While report cards are shared online, families can request a printed copy through the school.
- The school board offers a number of **summer learning opportunities** for students in [elementary](#) and [secondary](#) school.
- You can also access links to [resources to support student learning](#) on the Board website to support summer learning.

I wish everyone a positive end to the school year and a safe, happy and enjoyable summer. We look forward to welcoming back returning students in the new school year.
