MESSAGE FROM THE PRINCIPAL

Dear Thornlea Families;

Today is Halloween and our students have come to school in costumes, we have a haunted house that was built by our tech crew and it's open at lunch for our students. Our cosmetology students will be getting our students ready for our annual zombie walk. The students will be using theatre makeup in class with their teacher Ms. Geronikolos. It is a sign that student life at Thornlea is returning to normal. Another sign that we are returning to normal is the return of our Homecoming Semi-Formal after a three year absence due to Covid. The day starts with a Volleyball game in our gym and then dinner and the dance at the Paradise Banquet & Convention Centre on November 17th from 6:30 -11:00 p.m. Tickets can be purchased through school cash online.

This Wednesday November 2nd. Our grade nine students will be participating in take a student to work day. Grade nine classes will not be running at Thornlea on that day. Instead will be welcoming close to four hundred grade eight students to our school so that they can see what a day in the life of a grade nine student is like. If you have any questions please do not hesitate to contact me.

In sports news our basketball, volleyball and soccer teams are preparing for playoffs. Our winter sports seasons are about to begin as well and tryouts will start shortly. Our gym wall will be getting a major makeover shortly and the outer wall will be wrapped in Vinyl and will display our logo and images from the past, our old mascot Farley will be displayed prominently. The installation will take three days and when it is complete we will share it with you.

Our next school council meeting will be November 21st at 7:00 p.m. in our library. During the meeting we will discuss the recent decision to cancel Pre AP programs in York Region Schools including Thornlea. All parents are welcome.

Warmest regards,

Joe Foti

The Thornlea Library is Buzzing!

We have had a busy and exciting start in our library at Thornlea! We are lucky to have with us this semester a Co-op Library Film Student, Keeran L., who has been making amazing videos to get our students excited about books and reading and to learn more about the library.

Please follow us on Twitter, Instagram, YouTube and our Google Classroom to see some of his work.

Here is a brief list of what's been happening lately in our Library Learning Commons:

- Grade Nine Library Orientation Video
- Database and Citation Workshops
- Stress Management & Academic Success workshops
- Our annual Giller Prize and Writers' Trust Fiction Prize contests are running with generous donations from both contests for prizes
- Grade 9 & 12 Culminating Novel Units are well underway.
- We are also running three popular clubs from the library, The Thornlea Creative Writing Club, The Thornlea Slam Poetry Club, and our defending championship Poetry in Voice Team.
- We have also started our Student Book Review initiative where students share their thoughts on their latest reads and are awarded volunteer hours.

Ms. De Luca's stellar students promoting Thornlea's French Immersion courses while representing the History Department on grade 8 parents night. Thanks for your amazing help!

Our students' Robotics Team will be competing in the 2023 FIRST Robotics Competition at the University of Waterloo on March 23 - 25 and at McMaster University on 31 March - April 2. Last year our students did amazingly well by winning awards in the regular season, winning big awards at the Provincial Championships and were invited to compete at World Championships in Houston, Texas, USA. Currently our students are focused on fundraising for this year's competition season. Our students would appreciate your support as they try to raise funds to cover the expenses of this year's competition. Your child would be able to tell you more about our hopes and plans for this year's competition and how you may be able to help our students in their fundraising efforts.

Mr. McCutcheon's period 1 class has collected over 1,200 cans for the Richmond Hill Food Bank. The runner up was Ms. Ross with her can collection exceeding over 200. As a whole school our contribution has exceeded over 2,000 items for the Richmond Hill Food Bank.

Deepavali(also known as Diwali, meaning 'row of lamps'), is known as the Festival of Lights and is a Hindu, Sikh, and Jain festival celebrated throughout the diaspora. The festival of lights signifies illuminating the dark corners of our life and filling it with strength and the zeal to carry on with our goodwill toward others for the rest of the year. To celebrate this joyous and important festival, people may get together with friends and family, exchange greetings and gifts of sweets, and devote time for prayer and introspection. Some

set off fireworks and wear new clothes. Many light little clay lamps, or candles. This year's Deepavali was celebrated on Monday, Oct 24th. Thanks to all the students, admin and staff that joined the Deepavali /Diwali celebration Friday, Oct 28th afternoon in TLC. We had such a fun and festive time with music, art work display, Rangoli or Kolam designs, hanna designs and snacks. Sincere thanks to the teachers and students that contributed to this event in many ways. Special thanks to Mrs. Bern and her students for making flower artwork display, Mrs. Jeor for generously borrowing her shimmery shawls, and all the staff for being sportive with your festive spirit. Appreciate all the help from TSAC members and Tech-team.
