# Message from our Administration

Dear Parents/guardians,

Welcome 2021! 2020 was exceptionally challenging and we want to thank all our students and families for their resiliency and creativity. We wish everyone a happy and a healthy new year!

We are currently in rotation #8 for the Thornlea's adaptive model. A reminder to all our families that the morning session of the adaptive model is for both cohorts and takes place from 8:50 – 11:20 am every morning. Rotation #8 will end on January 29.

## Timetables for Semester 2

The board has determined the number of students that will be attending Thornlea's adaptive model for semester 2. Based on this number Thornlea's teaching sections have been cut by 49. Having carefully reviewed our students' academic needs and pathway aspirations, we have created a new timetable for semester 2. During the last two weeks, guidance and administration have been diligently working to timetable students into their requested courses and to address all requests. On Friday January 22, timetables will be shared with students via teach assist and via additional email.

On Monday, January 25<sup>th</sup> we will open the process for timetable changes and share with you a new bit.ly link for students to submit their timetable requests.

To help with timetable needs of all students in YRDSB the board is offering additional opportunities for students to earn their Gr. 11 and Gr. 12 credits through [Night School](#) and [Night School e-learning](#) and [Day School e-learning](#). If your child is interested in taking one of these courses please connect with guidance through [bit.ly/Thornlea](http://bit.ly/Thornlea) or email their guidance counsellor directly. Night School registration has opened on January 4<sup>th</sup> through myPathway planner. Night School e-learning registration opened on Dec. 7<sup>th</sup> and will stay open until February 10<sup>th</sup>, 2021.

## School Council Meeting

All families are cordially invited to attend our next School Council session on Monday January 18<sup>th</sup> at 7:00 pm where our principal, Mr. Joe Foti will explain the timetable process and answer any questions that you might have. We want to thank-you for your patience as we continue to navigate this process.

## Course selection for 2021-2022 academic year

We wanted to let you know that our Course Selection process this year will once again take place through our interactive online education and career/life planning platform called myBlueprint.

**Choosing the right courses is very important – especially because students are prompted to think about their career aspirations and acquire new skills and knowledge through a variety of elective courses that we offer at Thorlea.**

Course selection may also be the time to have a discussion with your child on where they are most engaged in their learning and where they see themselves in a year from now. Guidance recognizes that choosing courses may be stressful for you and your child and is available to answer questions and help in this process.

Guidance will host virtual grade specific presentations during the month of February to help our students navigate the course selection process. Regardless of whether your child is attending the Thornlea's adaptive model of virtual school, these presentations are important to attend.

All information will be shared in the guidance google classrooms. Please encourage your child to enroll in their grade specific classroom.

Our master list of courses is available on our website: <http://www.yrdsb.ca/schools/thornlea.ss/guidance/Pages/Course-Offerings.aspx>

Students will be able to begin locking their courses on February 16<sup>th</sup> and all course selection must be completed by Friday, February 24<sup>th</sup>.

### **Upcoming Dates**

As a reminder for students applying to university, online application should be completed by January 15<sup>th</sup>. This is an equal consideration date. Students applying to college should apply before February 1<sup>st</sup>.

If you have any questions regarding the application process please encourage your child to connect with their alpha counsellor.

Sincerely,

J. Foti, L. Fisher, S. Papadatos

## LETTER FOR FAMILIES

Dear Families,

Thank you for your ongoing support this school year as we continue to adjust to changing circumstances associated with the COVID-19 pandemic. The York Region District School Board is committed to ensuring our students continue to have effective teaching and learning through access to technology, resources and engaging learning experiences and environments.

To further support students and families, the Board will continue to gather parent/guardian and student feedback on learning environments. We want to hear from families and students to better understand best practices and suggestions for student learning and well-being support.

We are using an online tool called Thoughtexchange to invite meaningful feedback from our students and families. The current Thoughtexchange asks:

### [Students](#)

What successes have you experienced this school year? What supports do you feel will increase your learning and engagement experiences? Please provide any additional comments or suggestions you feel may help us when considering the improvement of your learning experiences.

### [Families](#)

What successes has your child experienced this school year? What supports do you feel will increase your child's learning and engagement experiences? Please provide any additional comments or suggestions you feel may help us when considering the improvement of your child's learning experience.

To participate and learn more, please visit the [YRDSB website](#).

This opportunity closes on Wednesday, January 20 at 11:59 p.m.

Thank you again for your ongoing support.

As always, please continue to visit [www.yrdsb.ca/covid19](http://www.yrdsb.ca/covid19) for school-board information and [www.york.ca/coronavirus](http://www.york.ca/coronavirus) for public health information.

Sincerely,

Joe Foti, Principal

### **YRDSB Mental Health and Addictions Newsletter Returning to Virtual Learning after the Winter Break:**

As a result of a provincially mandated lockdown due to rising COVID -19 cases across the province, we have returned to virtual learning that will continue until February 10. Although this presents a challenge for some and disappointment for others, our focus remains on how to keep one another physically healthy and maintain social connections and mental health while distance learning. This month's edition of our Mental Health newsletter will focus on some suggestions of ways to stay socially connected during this continued time of physical distancing. Please refer to the additional flyer to view the newsletter in its entirety.

### **Black Foundation of Community Networks (BFCN) - Scholarship Application Workshop - January 22**

Black students and their families are invited to join us for another online edition of the BFCN Scholarship Application Workshop on Friday, January 22, 2021 from 7 PM - 9 PM.

The workshop is offered free of charge as the goal is to share our collective knowledge so that Black students and their families can make informed decisions about post-secondary education. Note that the Scholarship Program Coordinator will also be present to answer any questions.

Please share with your friends and family and encourage them to save the date. The online workshop is free but there is limited space available so please register via Eventbrite ASAP: [bit.ly/BFCNWorkshopJanuary22](https://bit.ly/BFCNWorkshopJanuary22)  
Registration via Eventbrite is mandatory in order to participate in this workshop. A Zoom link and further details will be sent to all those who register. For more information or to share accessibility needs, please contact us at [info@bfcn.ca](mailto:info@bfcn.ca) or 416-566-2731

### **College Information Week for Black Students**

The YRDSB Graduation Coaches for Black Students, in partnership with various colleges, are hosting two College Information Nights for Black Students on January 19th and 21st. See their flyer included for further information and registration link.

### **Secondary GSA Google Classroom**

Secondary school students who identify as 2SLGTBQI+ and their allies are invited to join a virtual GSA secondary classroom. The classroom will be moderated by our caring and dedicated GSA advisors, who will make sure the space is following ground rules, safe space guidelines and confidentiality. The classroom is now open and accepting student registrations. Students must [register](#) using their YRDSB GAPPS account. The GSA Google classroom will bring the social and educational aspects, and fun of a GSA online. It will include discussion boards, community services and resources, group social sessions and various supports as students need. **Code to join:** 5czj6na

# DUAL CREDIT PROGRAM

**On-line Dual Credit courses are currently being offered by some of our College partners for students to take in semester 2.**

## **WHAT IS THE DUAL CREDIT PROGRAM?:**

**The Dual Credit program provides senior students with a wonderful opportunity to have a college-level experience while in high school. Students can choose from a variety of first-year college or apprenticeship courses that count towards both their OSSD and a college certificate, diploma, degree or apprenticeship certification – 2 credits for 1 course! Check out our school board's Dual Credit Website for more details: <http://www.yrdsb.ca/Programs/dualcredit/Pages/default.aspx>**

## **WHO IS ELIGIBLE FOR THE PROGRAM?:**

**Priority for the program will be given to students currently in Grade 12 who need one or two credits to graduate. However, any current senior student who faces challenges in graduating or who is in a SHSM or OYAP program can also apply and will be placed on a waitlist before being approved.**

## **LEARN MORE ABOUT THE PROGRAM:**

**There are two virtual information sessions about dual credit programming scheduled by our Regional planning team for all GTA school boards and local colleges on [Tuesday, January 19, 2021 from 12:30pm-1:00pm](#) and [Thursday, January 21, 2021 from 3:30pm -4:00pm](#).**

**The links to access these meetings are hyperlinked above.**

**For more information, please contact your child's Guidance Counsellor.**

THE ALLIANCE OF EDUCATORS  
FOR MUSLIM STUDENTS

## YRDSB and the Alliance of Educators for Muslim Students (AEMS)

### Islamic Heritage Student Art Call for Entry 2020/21

**Theme:** Islamic Heritage Month in the Canadian Context

**Overview:** We are excited to introduce our first ever student contest! We want to focus on Muslim Canadians past and present who have made an impact in our country. The submissions will be compiled into an online resource that AEMS will share with schools. This online resource of Muslim student artwork can be used inside and outside the classroom year round for culturally relevant learning. Educators are encouraged to use the student artwork for discussion points and to make curriculum connections.

**Topic:** Which Canadian Muslim stands out as a leader to you?

**Why an Islamic Heritage Contest:**

- To celebrate Islamic heritage and identity
- To recognize Canadian Muslims who have made a significant contribution to Canada
- To provide an avenue for Culturally Responsive and Relevant Teaching/Learning

**Qualifying Submissions:**

- Open to all York Region District School Board students K-12
- One entry per student
- Must be the original work of the student
- Entries must be received by March 1st, 2021
- Submission through [Google Form](#)

**Criteria:**

- Consistency with theme, creativity and originality
- Portraits, abstract, digital art etc. all accepted.

**Decisions:**

- Outstanding participants will be celebrated via social media outlets

## A friendly message from Thornlea's Physical Education and Health Department:

Are you concerned that your son/daughter is not getting enough **exercise**? Are you looking for a way to help them improve their **mental health**? Exercise and good mental health go hand in hand.

### Why not enrol them in a Health and Physical Education course?

Despite our virtual learning environment, students in our courses are exercising daily and learning how to manage their mental health.

Through our classes, we strive to teach our students how to exercise safely, build healthy habits (different types of exercise, nutrition, sleep habits, hydration, to name a few) and build up a mental wellness toolkit (mindfulness/meditation, strategies for resilience, and more).

If you would like to do some reading on the impact of exercise on mental health, the article below is a good starting point (from the American Psychological Association): <https://www.apa.org/monitor/2011/12/exercise>

And a more recent article by the New York Times: <https://www.nytimes.com/2020/03/02/well/family/the-benefits-of-exercise-for-childrens-mental-health.html>

Consider having your son/daughter join us in the second semester or next year!
