MESSAGE FROM THE PRINCIPAL

Dear Families and Community Members:

The nice weather is finally here and the ice and snow are gone. Here at Thornlea we had a very successful Prom for our graduating students. For the last two weeks our grade twelve students have been writing AP exams and we wish them the best of luck. If you have come by the school, you will have noticed the lovely banners commemorating Thornlea's 50th anniversary. The celebration takes place on Saturday June 2nd and runs from 1:00 p.m. To 10:00 in the evening. The school has been given a number of lovely photographs dating back to the schools opening, they are now on display in the main hallway. There will be decade rooms set up in the school, live music in the cafeteria, art displays and theatre 219 will have a video display of drama shows from the past twenty-five years. The evening will end with fireworks. All Thornlea students and alumni are welcome. Tickets can be purchased at the door on the day for \$35. We hope to see you here on June 2nd.

In the world of sport our Girl's Rugby team is undefeated so far this year. Congratulations to the players and Ms. Bendavid on a great start to the season. Our last School Council meeting for the year will take place in the library on May 22nd starting at 7:15 p.m. All are welcome.

Our grade twelve students are looking forward to graduation and checking their emails on a daily basis. We would like to acknowledge one student in particular. Congratulations to Sharon Kim who has been accepted into the prestigious fashion program at Parson's University in New York City. Parson's is regarded as one of the top three Universities in the world for Fashion. We would also like to acknowledge Reannah Ennis who was awarded a scholarship by the Alliance of Black Educators. Congratulations Reannah we are very proud of your accomplishment.

For those students returning to Thornlea in the fall the guidance department will be reviewing course changes and classes for the 2018/2019 school year. Many students will be called down in the weeks ahead to go over next year's classes. If you have any questions about your child's timetable, please contact Mr. Alkins in guidance.

Warmest regards,

Joe Foti

Salutations from the Guidance Department!

Our team has been busy with providing our students with information about the University and the College Application process, scholarship and community involvement hours and SHSM requirements outstanding for our grade 12's.

The Guidance Team this year consists of Ms. Lovleen Rai (ESL Counselor/Literacy Lead), Ms. Viviane Estafanos (French Immersion Counselor/AP Co-ordinator, F.I. Teacher), Ms. Julie Scott (Student Success), Ms. Maria Merecoulias (Student Success for ESL students). Mr. Nizam Alkins, Head of Guidance (Counselor) and Ms. Gail Burdett (Guidance Secretary).

We also would like to announce the process for making guidance appointments. **First**, please see Mrs. Burdett, our Guidance Secretary. If any student would like to make an appointment with their "area" identified counselor (French Immersion, ESL, Other), they should come to the Guidance Office before school starts (8:30 to 8:45), during their lunch (11:30 to 12:30), or after school (3:00 to 3:30) to make their appointment.

Important Notice for all grade 12's that have applied through OUAC for university!
Your mid-term grades from semester two have been processed by OUAC and sent to the Universities to which you have applied. Please log on to your online application in order to review your academic information. This verification is especially important if OUAC does not have a valid email address on file, or you are not able to receive emails from OUAC/your Universities because of a junk-mail setting with you inbox. If you see an error in your OUAC file, it is very important that you contact your Guidance Counselor as soon as possible to have it corrected.

Important Notice for all grade 12's that have applied through OCAS for college!
Your mid-term grades from semester two have been processed by OCAS and sent to the Colleges to which you have applied. Please log on to your online application in order to review your academic information. This verification is especially important if OCAS does not have a valid email address on file, or you are not able to receive emails from OCAS/your Colleges because of a junk-mail setting with you inbox. If you see an error in your OCAS file, it is very important that you contact your Guidance Counselor as soon as possible to have it corrected.

University Applicants - We highly recommend you accept your offer **before** the deadline of **June 1st**. You should be contacted by **May 29th** if you have been accepted into your program. The next OUAC transmission will be on **July 5th**. The next OCAS transmission will be on **July 6th**.

Graduating students who plan to attend college or university in September should **continue to check their OCAS and OUAC accounts and their email** on a regular basis. College bound students should have received a response from the colleges that they applied to and can expect to receive communication about payment of fees, with mid-June being the earliest that colleges can require payment of tuition fees. University bound students should expect a response from the universities that they have applied to **by May 29th**. University bound students should verify the deadline for **payment to secure a space in residence (usually June 1st)**.

A reminder that **all offers are CONDITIONAL upon the receipt of final grades** in July – students should continue to work hard to ensure the required final average.

College and University Spring Open Houses are a popular way for prospective students to visit various Post-Secondary Institutions and evaluate them prior to applying and/or choosing. It is never too early to begin the search. The Guidance Department encourages all students, especially in grades 11 and 12 to attend the open house program of any potential future University/ College. Please visit the University/College website to confirm Open House schedules during March Break. Spaces can be limited.

For Scholarship information, please make an appointment to see Ms. Rai in the Guidance office.

We also have a handout in the Guidance office.

Three great websites to find out more information on scholarships are:

<http://www.studentawards.com/>

www.electronicinfo.ca/scholarships

www.scholarshipscanada.com

We would also like to remind our learning community that there is a new process in place for Community Service Hours. All students must complete 40 community hours to obtain their Ontario Secondary School Diploma. The Guidance department must approve your community service opportunity before you start your hours. Please see your counselor for approval. Your service must be for a Not-For-Profit organization/event.

We also would like to announce to all our grade 9 students. Grade 9 students that complete their 40 community service hours in their grade 9 year (by June 29), will receive a special certificate of completion.

For more information on volunteer opportunities, please come down to the Guidance Office and pick up a Community Service Hours form and please take a look at our “**Volunteer Bulletin Board**” for current opportunities to fulfill this Ministry of Education requirement.

Finally, a reminder to all grade 12 students; that they should hand in their community service hours as soon as possible. It is highly recommended that this be completed before June 1st, this is the deadline to accept your University Offer.

Commencement for the Class of 2018 (50th Anniversary Graduation Night)

Thornlea’s **Class of 2018** is getting ready to graduate. Please attend our 50th graduation ceremony on June 29th, 2018 to celebrate your graduate’s achievement!

Each year the graduating class of Thornlea Secondary School selects a graduating student to give the **Valedictorian** address at the Graduation ceremony. The students’ choice of Valedictorian should be someone who can be counted upon to skillfully articulate to parents and students a “snapshot” of your years at Thornlea. The Valedictorian should be someone who exemplifies the character traits of responsibility, respect, honesty, empathy, fairness, initiative, courage, integrity, perseverance and optimism; who has demonstrated commitment to student

life through active involvement in a variety of school activities and has contributed in a positive way to Thornlea. Art Murch was the first principal of Thornlea. When he retired in 1976, the staff set up a trust in his name. From the trust, The **Art Murch Award**, a monetary award is given annually to the graduating student who has a high academic standing, is very active in school life, and is highly regarded by his/her peers and teachers. The recipient should best exemplify the motto "Think and Be Thought Of". The winner is revealed at commencement. **Valedictorian Candidates and Art Murch Candidates** are nominated by their peers on a form available in the Guidance office now. Voting will take place on **Wednesday, May 16, 2018** during homeroom. If you do not have a homeroom, voting will then take place during your lunch in the Guidance office on Wednesday, May 16, the same day. **Graduating Students must show their Thornlea student card to receive a ballot and/or confirm on the potential grad master list.**

Nominations for Valedictorian and Art Murch are due this Friday May 11th.

Watercolour and a Creative Challenge in Ms. Lerman's Art Class

We had to stretch our creative muscle! We first made watercolour books so we could practice using watercolour and try out different textural effects like using salt or plastic wrap. Then we had to choose which creative challenge we were going to try: Combine two things to make something new or answer the question "Why did the chicken *really* cross the road?" We spent time illustrating our ideas in our sketchbook before choosing one to paint. Some students made "book works" because they had lots of ideas for one theme. It was one of our favourite assignments and during the critique it was really fun to see everyone's ideas and personalities come out! What creative ideas would you come up with?

PAWS Room Informative Letter

Dear Parent/Guardian,

On date Thursday, May 24th, the Therapeutic Paws of Canada, a Pet Therapy Team, will be coming to Thornlea Secondary School to provide a free pet therapy program called a PAWS Room. Your child will have the opportunity to participate by interacting with the Certified Pet Teams in a group setting to promote health and wellness.

Therapeutic Paws of Canada is a non-profit organization of volunteers whose pets have undergone a strict Therapy Pet Evaluation to determine their suitability to work with children and adults. All pets have been certified in this national organization to work in these programs. All pets involved have up to date vaccinations and handlers have full background checks and Criminal Record Check for Vulnerable Persons clearance.

PAWS Rooms have been used in many other schools as well as many colleges and universities. Medical evidence suggests that the presence of a Therapy Pet has been shown to lower blood pressure and heart rate and release chemicals (oxytocin) in the body that make us feel more relaxed, peaceful, and happy. This program is commonly used in conjunction with other Health and Wellness initiatives within the school to promote a healthier learning environment.

I understand that the Handlers and the Dogs/Cats involved in this program are members of Therapeutic Paws of Canada and have been certified by that organization as Therapy Dog/Cat Teams or where the program is provided to minors, as Child Certified Therapy Dog/Cat Teams. Therapeutic Paws of Canada has strict guidelines in place for the safety of those they visit and for the safety of teams performing the visits. While every possible precaution is taken, accidents can and do happen and can occur without fault of either the participant, the facility, its employees/agents or the service provider being Therapeutic Paws of Canada and its certified teams. The chance of injuries or incident can be reduced by carefully following instructions at all times whilst engaged in the visits. By permitting this activity you accept the associated risk.

If you do NOT wish your child to participate in this program please contact Thornlea staff member Debra Hanff at debra.hanff@yrdsb.ca or 905-889-9696, ext. 335.
