## MESSAGE FROM VICE-PRINCIPAL

Dear Families and Community Members,

As you read this letter, the first semester is quickly wrapping up with only a few days of classes left before the final examination period. As students and staff wrap up courses for the semester, we look back at a wonderful semester filled with a lot of highlights for students through their extra-curricular activities at school.

**A reminder to parents/guardians that tonight's School Council meeting has been cancelled and postponed to tomorrow at 7:15pm in the library. If you are available, please come and attend. All are welcome.**

For students applying to college, the Equal Consideration deadline is February 1<sup>st</sup>. Please see Guidance if you have any questions.

There are a few important dates and events for parents to be aware of. Thursday February 1<sup>st</sup> will be the exam review day when students will have the opportunity to view their exam and obtain their final marks for their first semester courses. With courses that didn't have an exam, students will have the time to discuss the culminating course assignments with their teachers. Students will also be receiving their semester two timetable during period one (homeroom) of the exam review day. Friday February 2<sup>nd</sup> will be a PA Day and semester two will officially begin on Monday February 5<sup>th</sup>. On February 8<sup>th</sup>, semester one report cards will be distributed to students to take home during their period one class. The picture day for semester two will take place on February 15<sup>th</sup>. Family Day will be taking place on February 19<sup>th</sup> and as a result there won't be any classes on that day. The next School Council meeting will take place on February 21<sup>st</sup>.

Looking ahead to the beginning of semester two, students will be selecting their courses for the 2018/2019 school year. It would be a great idea for students and parents to look at the online Thornlea Secondary School course calendar and to log on Career Cruising and plan for the upcoming school year. The guidance department will be having course selection assemblies during the beginning of February to assist students with this process. If you have specific questions about pathway options and about courses, students can make an appointment with their guidance counsellor.

The drama department and students will be beginning to plan and prepare for the one act festival which will be something you don't want to miss.

Sincerely  
Anthony Hu

TONIGHT'S SCHOOL  
COUNCIL MEETING IS  
CANCELLED DUE TO  
WEATHER CONDITIONS.

SCHOOL COUNCIL  
MEETING IS  
RESCHEDULED TO  
TOMORROW NIGHT  
JANUARY 23, 2018 AT  
7:15PM.

## Message From Our Trustee

With report cards coming home, this is a good time of year to review your child's progress and to set goals for the rest of the school year.

As trustees, our goals are set out in the Board [Multi-Year Plan](#). In the coming months, trustees will be reviewing and updating this plan. This process will include opportunities for public input, and trustees will be out in the communities talking about this. More information will be shared about this in the spring.

Developing and reviewing the Multi-Year Plan is just one of our responsibilities as publicly elected officials. Trustee responsibilities also include hiring the Director of Education, setting [Board policies](#) and the [annual budget](#), and communicating with the public.

This is a good time to learn more about the [role of trustees](#) with the next [municipal election](#) taking place later this year on October 22, 2018. York Region District School Board has [12 trustees](#), elected by ratepayers. As a trustee, listening and communicating with families is an important part of my role. Students, families and members of the public are welcome to attend and observe any public Board, Advisory or Board Committee meetings and to share their views with us on policy and Board governance.

As we move into the second half of the year, I hope that you are seeing evidence of your child's learning and progress, and finding opportunities to get involved in their learning and the life of the school.

I wish you all the best for a successful second term.

## Happy New Year from the Guidance Department!

Our team has been busy with providing our students with information about the University and College Application process, scholarship and community involvement hours and timetable requests for 2<sup>nd</sup> semester.

The Guidance Team this year consists of Ms. Lovleen Rai (ESL Counselor/Literacy Lead), Ms. Viviane Estafanos (French Immersion Counselor/AP Co-ordinator, F.I. Teacher), Ms. Julie Scott (Student Success), Ms. Kathryn Pantazopoulos (Student Success for ESL students), Mr. Nizam Alkins, Head of Guidance (Counselor) and Ms. Gail Burdett (Guidance Secretary).

We also would like to announce the new process for making guidance appointments. **First**, please see Mrs. Burdett, our Guidance Secretary. If any student would like to make an appointment with their "area" identified counselor (French Immersion, ESL, Other), they should come to the Guidance Office before school starts (8:30 to 8:45), during their lunch (11:30 to 12:30), or after school (3:00 to 3:30) to make their appointment.

The Ontario University Application Centre (OUAC) deadline has now passed. Currently **197** Thornlea students have applied. We wish them all the best in their exams next week and will continue to answer their questions on the University selection process. Note: Our Guidance Department will upload your grade 12 Marks in early February. No marks will be submitted to OUAC until that time.

Guidance will continue to monitor and support the College application process. We have had **26** students apply as of today. No PinCodes are distributed for College Applications; students will create their own on-line at [www.ontariocolleges.ca](http://www.ontariocolleges.ca).

**The "Equal Consideration" Deadline for your College Application is February 1st, 2018 (recommend to pay on-line with a credit card)**

The next OUAC University grades transmission is scheduled for February 15<sup>th</sup>, 2018.  
The next OCAS College grades transmission is scheduled for February 9<sup>th</sup>, 2018.

For Scholarship information, please make an appointment to see Ms. Rai in the Guidance office.

We also have a handout in the Guidance office.

Three great websites to find out more information on scholarships are:

<http://www.studentawards.com/>

[www.electronicinfo.ca/scholarships](http://www.electronicinfo.ca/scholarships)

[www.scholarshipscanada.com](http://www.scholarshipscanada.com)

If students are planning on making a request for a timetable change for 2<sup>nd</sup> semester, a “request to make a change” form will be handed out by the Guidance Office starting **Feb. 5<sup>th</sup>**. Listen for your Grade level to be called down to the Guidance Office on **Feb. 5<sup>th</sup>**.

**Course selections** for next year 2018/19, will start on Tuesday **February 6<sup>th</sup>**. There will be grade assemblies during **Period 2** to provide information on this process. Grade 9 (Feb 6), Grade 10(Feb. 7), Grade 11(Feb. 8), Grade 12(Feb. 9). **Course selections in Career Cruising are to be completed and submitted by Friday Feb. 23<sup>rd</sup> (equal consideration deadline)**.

We would also like to remind our learning community that there is a new process in place for Community Service Hours. All students must complete 40 community hours to obtain their Ontario Secondary School Diploma. **The Guidance department must approve your community service opportunity before you start your hours. Please see your counselor for approval. Your service must be for a Not-For-Profit organization/event.**

We also would like to announce a new initiative to all our grade 9 students. Grade 9 students that complete their 40 community service hours in their grade 9 year will receive a special certificate of completion.

For more information on volunteer opportunities, please come down to the Guidance Office and pick up a Community Service Hours form and please take a look at our “**Volunteer Bulletin Board**” for current opportunities to fulfill this Ministry of Education requirement.

***A reminder to all grade 12 students; that they should hand in their community service hours by January 31<sup>st</sup>, 2018. Before the next OUAC/OCAS transmission.***

## Women's Fitness is a MUST for all Students!

Here is what the students had to say ...

**PAF2/3/408**

**Why is the PAF course so valuable?**

**By: Ellen Chen**

This course taught me to understand my body. I learned about how it worked and what strength or endurance I needed to improve. While learning about the fitness topic, I learned that it is important to do exercise and try to exercise all of the parts of my body. Doing so can reduce the risk of health problems that can occur when I am older. The healthy eating topic taught me about how important food is. It made me realise how much food affected me both positively and negatively. The body image topic has taught me how to love myself. It showed me how important it is to accept ourselves for who we are and how important self love is. What I took away from this topic was that I need to love myself more and that I should look more on the positive sides of things. All these topics are not normally taught in detail, the topics get overlooked, and skipped

because many people think they are not important. However, they are wrong as these topics are the foundation of a healthy life and they all intertwine together. Since these topics are overlooked all the time, I think that this course is a great opportunity to learn about these topics in detail. This course will also give you some tips you can use and implement into your life.

**By: Aziza Agasee**

This course taught me the value of working out and staying healthy. Looking forward I plan to make some changes in my daily routine. Adding a work out to my weekly schedule such as the individualized workout routine I am currently working on as part of my culminating assignment. Going for runs a couple times a week by slowly increasing my run time each week and making sure I get the right intake of each food group I need in a day to keep my body as strong as possible. Originally, I took this course for a credit and it was one of the best decisions I've made as I learned so much from this course that I will keep with me long after high school. The decisions you make with your body now impacts your life later which is why I am looking forward to these positive changes.

Fitness is the most important part of the course. During the course, you will improve your cardiovascular endurance, muscular strength and endurance, which are beneficial in living a healthy life.

健身的作用在于增强你的心肺功能, 肌肉力量还有耐力。这些在你今后的人生中非常重要。

### Fitness

选PAF课程最大的好处莫过于利用在校的时间来锻炼身体而不去浪费课余时间并且课程轻松有趣。

## Welcome to PAF course !!! 欢迎来选PAF课!!!

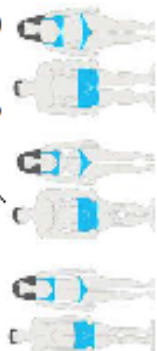

### Healthy Eating

健康饮食也很重要。在健身期间, 选择合适食物能帮助身体更好的塑性。

Healthy eating is choosing suitable food according your eating habits and the food pyramid. Fitness and eating properly can help build a healthy body. So it's necessary to learn the nutrition from PAF course.

### Body Image

It is important to be confident about your body. Although it's hard to have a change of your body because you are born with a certain morphotype, you can stay healthy by eating well and exercising. The PAF course is a good way to learn how these things work.

学会对自己身材自信很重要。即使很难改变体型但是通过健康饮食和健身可以做到, 所以PAF课很重要。
