CURRICULUM E-BULLETIN

EDITION

We are looking forward to sharing highlights from each of our departments next week in our final edition of the e-bulletin for the 2024-2025 school year.

Dear Parents and Guardians,

As the school year draws to a close, we want to express our sincere gratitude for your partnership and support. It's been a year of remarkable growth and achievement for our students, and their successes are a testament to their hard work, our dedicated staff, and your invaluable involvement. From athletics to the arts and everything in between, Thornlea students achieved amazing things this year. We're incredibly proud of what we've accomplished together.

Looking ahead to the fall, we're excited to welcome Vice Principals Heather Leatham and Ralph-Anthony Masciello to our Thornlea community.

We want to especially thank Vice Principals Victoria Johnson-Lee and Jacqueline Sandercock for their dedication and contributions. They will be missed by the Thornlea community. We wish them well as they continue to inspire and support students at their new sites next year.

We wish you all a safe and restful summer break. We look forward to welcoming our students back in September, refreshed and ready for another year of learning.

Sincerely,
Thornlea Administration

A communication has been sent to students reminding them to clean out their lockers by June 25. Any items left behind will be removed. Students should also check our lost and found tables by the main office for missing items before leaving for the summer. We thank everyone for their cooperation.

EcoTeam Achieves Platinum Certification

Congratulations TLEA SS! With over 28 projects, we have achieved Ecoschools Canada Platinum certification! Congratulations to the student leaders: Lucy X, Erik K, Chen L, and Irene Z! Recently, we started a native species pollinator garden. This garden will help butterflies, birds, and bees. Thank you to our dedicated members who carried out the planting during the culminating period. We look forward to new project ideas for next year. Thank you to Chen L and parent Erika G for watering over the next couple of months.
