Thornleareads

There are so many exciting things happening in our library this year! We have energetic teacher-librarians and a library technician working every day in the library, Mr. Capi- longo, Ms. Swailes and Mr. Lui. As well, we are lucky to still have with us our hard- working superhero head teacher-librarian, Ms. Hanff.

Our student book club, **Poison Oak**, has blasted off with a field trip on Tuesday, Octo- ber 13th to see the film adaptation of Andy Weir's *The Martian*. **Poison Oak** also has gone virtual with its first-ever online discussion community where students can share book choices and comments.

We have also launched our newest school wide library project, **thornleareads**. Our goal is to include as many staff and students as possible in our online club. Joining is simple: look for your invitation in your GAPPS email account. Membership is easy: make comments whenever you feel inspired by books you've read, or books others have posted about. Look out for our in- library giveaways and drop by to have your picture taken with a book you love for our digital feed by the circulation desk.

Also online, the YRDSB has allowed all staff and students to download Microsoft Office 365 for free on up to five devices. If you are interested go to this website and log in with your GAPPS account and password: (<https://products.office.com/en-ca/student>).

In the library, we have a new reading area with comfy chairs, an expanding French sec- tion, new display shelves, a thornleareads' television, student artwork, and a workstation full of homework supplies.

Please drop in any time to suggest new titles, share ideas, study and sign out a book!

MESSAGE FROM THE VICE-PRINCIPAL

Dear Families and Community Members,

As we move into fall we hope that you found the start of the school year to be a great one! Courses are fully underway at Thornlea. Interim Reports will be distributed to students on October 14th, 2015. Parents' Night will take place on Thursday October 29th, 2015 at 6:30 p.m. We hope that you will be able to attend with your child as it is a wonderful and important opportunity to find out how your child has been adjusting to the academic and social expectations so far. We look forward to meeting with you.

Last week was safety week at school and you may have heard your child discuss our fire drill, and lockdown drill. Safety is our first priority at Thornlea and your child's cooperation in these drills helps us to ensure that in the unlikely event of an emergency we are prepared and ready to maintain safety.

While we are only in the second month of this school year, we already are preparing to welcome our future grade nines into our building. Shortly, we will begin to visit all of our elementary partner schools to talk to the grade 8's who will join us next September. The school is also preparing for our Grade 8 Open House Night which will take place on Thursday, October 22nd from 6:30-8:30 p.m. A Director of AP Canada will be here that evening to talk about the Advanced Placement Program and there will be department displays and hands on activities for families to enjoy as they get to sample the amazing programs available for our students.

We wish you a warm and sunshine-filled October.

Warmest Regards,

Kimberley Tavares,
Vice-Principal

Dear Parents/Guardians of **Grade 10 students:**

The **Ontario Secondary School Literacy Test (OSSLT)** is a requirement for students who wish to graduate with a secondary school diploma. At Thornlea Secondary School, we are taking many steps to assist our students in completing the test successfully. One way that we have chosen to assist our students is by offering an after school program to reinforce reading and writing skills.

While receiving additional assistance through the after school program, your son/daughter will continue to receive regular instruction from his/her classroom teachers related to the reading and writing skills required for each subject. We believe that this special program will make a difference in your sons/daughter's knowledge and confidence related to reading and writing. For some students, further assistance will be required. For this group of students, a second set of sessions may be offered later in the school year.

Please read and complete the attached Student Registration Form if you think that your son/daughter would benefit from the after school literacy program. Your signature is required as permission for your son/daughter to participate in the after school program. Or alternatively, forms will be available in the guidance office, periods 3 and 4. Please note that the school is not able to provide transportation for students within the time frame of this program, so there may be a need for you to arrange transportation for your son/daughter following each session. In addition, a commitment from 12 students is necessary for this program to be offered.

For more information, please contact Ms. Vatousis at extension 178.

Sincerely,

Joe Foti,
Principal

Salutations from the Guidance Department!

A reminder that the Guidance Team this year consists of Mr. Paul Stephenson (Counselor/ Student Success), Ms. Andrea Tse (Counselor & Head of ESL), Ms. Joan Walker (Counselor & SHSM Coordinator), Mr. Nizam Alkins, Head of Guidance (Counselor) and Ms. Gail Burdett (Guidance Secretary).

The Post-Secondary Visits at Thornlea Schedule is posted in this e-bulletin and outside the Guidance Office on our bulletin board. Copies are also available in our guidance office. Students should listen to the daily announcements for the time and room that they will be presenting. Don't forget that the College Fair is being held (Oct. 19th and 20th) at the Direct Energy Centre. Keep in mind that many Post-Secondary Institutions (Universities and Colleges) will be coming to Thornlea to speak to our senior students in the first semester. We have already hosted Brescia@Western University, Ryerson-Engineering, Western University, Carleton University, Seneca College. We have for the week of Oct. 13th the following are coming: Humber College, Guelph-Humber University, York-Schulich School of Business and many more to follow.

As for Scholarship information for grade 12 graduating students, please make an appointment to see Mr. Stephenson in the Guidance office during period 3. **Mr. Paul Stephenson will be having a Scholarship Seminar on Thursday October 15th at 11:35 in Room 213.**

Two great websites to find out more information on scholarships are:

<http://www.studentawards.com/>

<http://www.electronicinfo.ca/scholarships>

We also would like to remind students of the process for making guidance appointments. If any student would like to make an appointment with their "Alpha/Sector" identified counselor, they should come to the Guidance Office before school starts (8:25 to 8:50), during their lunch, or after school (3:05 to 3:30).

We would also like to remind our learning community that there is a new process in place for Community Service Hours. All students must complete 40 community hours to obtain their Ontario Secondary School Diploma. The Guidance department must approve your community service opportunity before you start your hours. Please see your counselor for approval.

We also would like to announce a new initiative to all our grade 9 students. Grade 9 students that complete their 40 community service hours in their grade 9 year will receive a special certificate of completion. Also, as an added incentive, when the school has special events, such as dances, or buy-ins, they will get into one event for free!

For more information on volunteer opportunities, please come down to the Guidance Office and pick up a Community Service Hours form and please take a look at our "**Volunteer Bulletin Board**" for current opportunities to fulfill this Ministry of Education requirement.

September 30, 2015

Dear secondary school students, parents and guardians,

This letter is to provide you with an update regarding the escalation of job sanctions by the Canadian Union of Public Employees (CUPE), which represents education support staff members.

On September 29, 2015, CUPE escalated its withdrawal of services, which includes:

- not handling money;
- not sweeping hallways or entrances unless there is a safety concern; and
- not cutting grass or cleaning up leaves unless there is a safety concern.

A list of additional activities being withdrawn by CUPE members is available on the Board's website. As a result of these sanctions, parents and students may notice that some programs or activities may be cancelled.

The York Region District School Board is undertaking all possible measures to minimize the impact of labour sanctions on students and their families. It is important to note that the job actions are a result of the bargaining process at the provincial level and Board employees are required to follow the direction of their provincial union. At the local Board level, we continue to bargain with all our employee groups, including CUPE.

You can find updates and information about labour issues on the Board website: www.yrdsb.ca. You may also follow our Twitter account for more immediate updates: [@yrdsb](https://twitter.com/yrdsb).

Please be assured that we continue to have student safety, well-being and achievement foremost in mind.

Sincerely,

J. Philip Parappally
Director of Education
