MESSAGE FROM THE VICE-PRINCIPAL

Dear Families and Community Members,

As we move into fall we hope that you found the start of the school year to be a great one! Courses are fully underway at Thornlea. Interim Reports will be distributed to students on October 13th, 2016. Parents' Night will take place on Thursday October 27th, 2016 at 6:30 p.m. We hope that you will be able to attend *with* your child as it is a wonderful and important opportunity to find out how your child has been adjusting to the academic and social expectations so far. We look forward to meeting with you.

Last week was safety week at school and you may have heard your child discuss our lockdown drill. Safety is our first priority at Thornlea and your child's cooperation in these drills helps us to ensure that in the unlikely event of an emergency we are prepared and ready to maintain safety.

While we are only in the second month of this school year, we already are preparing to welcome our future grade nines into our building. Shortly, we will begin to visit all of our elementary partner schools to talk to the grade 8s who will join us next September. The school is also preparing for our Grade 8 Open House Night which will take place on Thursday, October 20th from 6:30-8:30 p.m. We will discuss the Advanced Placement Program, the French Immersion Program, the Academy of Creativity and Multimedia Institute here at Thornlea. As well, there will be department displays and hands on activities for families to enjoy as they get to sample the amazing programs available for our students. Please let family and friends know about this fun and informative evening.

We wish you a warm and sunshine-filled October.

Warmest Regards,

Kimberley Tavares,
Vice-Principal

TSS Literacy Corner

Hello Parents and Guardians,

I wanted to review the school's upcoming preparation for the Ontario Secondary School Literacy Test (OSSLT).

Results of the Practice Test:

If your son/daughter is in grade 9 or 10, he/she wrote a practice test on September 16. He/she has received the test back from his/her homeroom teacher.

Please review the test with your child.

If you are concerned about his/her results, please remember that the upcoming WSIs will focus on these skills in greater detail.

If you feel your child needs more support, please consider enrolling him/her in the After School Literacy Program.

Information about the After School Literacy Program:

We are planning to offer the After School Literacy Program in 2nd semester.

The Program will take place every Tuesday and Thursday from 3:15 to 4:15 from January 17 to January 24 and February 7 to March 22 (excluding days during March Break).

Preparing for the Test:

The upcoming dates for the Whole School Initiatives (WSI) sessions in the month of October are:

October 11 (Period 2) and October 24 (Period 3)

Salutations from the Guidance Department!

A reminder that the Guidance Team this year consists of Mr. Paul Stephenson (Counselor/Student Success), Ms. Andrea Tse (Counselor & Head of ESL), Ms. Joan Walker (Counselor & Head of Technology), Mr. Nizam Alkins, Head of Guidance (Counselor) and Ms. Gail Burdett (Guidance Secretary).

The Post-Secondary Visits at Thornlea Schedule is posted in this e-bulletin and outside the Guidance Office on our bulletin board. Copies are also available in our guidance office. Students should listen to the daily announcements for the time and room that they will be presenting. Don't forget that the College Fair is being held (Oct. 17th and 18th) at the Enercare Centre. Keep in mind that many Post-Secondary Institutions (Universities and Colleges) will be coming to Thornlea to speak to our senior students in the first semester. We have already hosted Carleton, Ottawa, Waterloo, Schulich, Durham, Guelph-Humber and Queens's. We have for the week of Oct. 11th the following are coming: UOIT, Western, Brock and many more to follow. **Also Note 2 CHANGES – Queen's University will come on Nov. 7th and York University will come on Nov. 23rd.**

As for Scholarship information for grade 12 graduating students, please make an appointment to see Mr. Stephenson in the Guidance office during period 3. **Mr. Paul Stephenson will be having a Scholarship Seminar on Monday October 17th at 11:35 in Room 213.**

But, before that, there will be a special Assembly on Tuesday Oct. 11th at 1:45 in our Cafeteria for Grade 12's only on "Financing Your Post-Secondary Education".

Two great websites to find out more information on scholarships are:

<http://www.studentawards.com/>

<http://www.electronicinfo.ca/scholarships>

We also would like to remind students of the process for making guidance appointments. If any student would like to make an appointment with their "Alpha/Sector" identified counselor, they should come to the Guidance Office before school starts (8:25 to 8:50), during their lunch, or after school (3:05 to 3:30).

We would also like to remind our learning community that there is a new process in place for Community Service Hours. All students must complete 40 community hours to obtain their Ontario Secondary School Diploma. The Guidance department must approve your community service opportunity before you start your hours. Please see your counselor for approval.

We also would like to announce a new initiative to all our grade 9 students. Grade 9 students that complete their 40 community service hours in their grade 9 year will receive a special certificate of completion.

For more information on volunteer opportunities, please come down to the Guidance Office and pick up a Community Service Hours form and please take a look at our "**Volunteer Bulletin Board**" for current opportunities to fulfill this Ministry of Education requirement.

Breakfast Program Pictures

Mazon Canada & Israeli Embassy Awards 4 Area West School Breakfast Programs with Large Gift!

On Friday, September 30th, the Consul General of Israel, Galit Baram, and the Director of Mazon Canada, Jay Y. Brodbar, presented 4 Area West high schools with a cheque of approximately \$8000 to support their Breakfast Programs. The Breakfast Programs sharing the gift include: Thornlea Secondary School (of course!), Maple High School, Vaughan Secondary School, and Stephen Lewis Secondary School.

The cheque was presented at Thornlea during its 'Fruity Friday Hot Breakfast.' On 'Fruity Fridays,' students who bring one fresh fruit from home are provided with a nutritious hot breakfast to eat along with that piece of fruit. This is Thornlea Secondary School's way of encouraging parents to buy more fresh fruit for their families.

Also present for the 'cheque-bestowing ceremony' were: Gila Martow (MPP), Paul Valle (Superintendent of York Region District School Board), Valerie Burke (Ward 1 Councillor, Markham), Stanley Fedun (Government Relations Officer, Consulate General of Israel, Joan Stonhocker (Executive Director of the York Food Network), Jason Dasti (Food for Learning), Noreen Valimohamed (York Region Public Health), John Sebastiano (Principal of Maple H.S.), Ken Shigeishi (Principal of Stephen Lewis S.S.) and, of course, our own principal, Mr. Joe Foti. Patti O'Sullivan, Jennifer Gillespie, and Debra Litvack--all from the YRDSB--worked hard to organize the event and were also present.

In the background, but working hard to cook and serve a hot breakfast of french toast, yogurt, fresh fruit, and juice to hundreds of students, were Thornlea student volunteers (Anabel Pisarevsky, Martin Ma, Cora Ma, Mark Ma, Breanna Schuler, Liam Bull, and Audrey Zheng) and Thornlea staff volunteers (Guisou Daneshmand, Devorah Salsberg, Shiraz Rafik, Marisa Karounos, and Paris Moradian).

A very special thanks to our parent volunteer, Malcolm MacNeil, who does all of the shopping and oversees all of the cooking and much of the organizing for Thornlea Secondary School's Breakfast Program. Mr. MacNeil has provided this generous service for over 5 years now, continuing to support us beyond his daughter Dianne's graduation from Thornlea in June of 2015.

It is the aim of all school breakfast programs to ensure students fuel their day of learning with a nutritious breakfast. On behalf of all of the 4 recipient schools, Thornlea would like to thank Mazon Canada and the Consulate of Israel for their generous gift. We will make good and careful use of the money.

Grade 9 FIT DAY 2016!!

On September 15th, all Grade 9 students, staff and the members of TSAC (student council) spent a beautiful day at Camp Green Acres for Thornlea's annual Grade 9 FIT Day. Students had the opportunity to participate in various team-building activities, allowing them to make new friends and get to know their student council team. Each team created a cheer according to this year's theme, superheroes. Students spent the day cheering and participating in friendly competition activities. Teams were collecting tickets throughout the day, not only for winning challenges but also for showing position team and school spirit! The team with the most tickets at the end of the day would be crowned the winner! Lunchtime included a tasty pizza lunch and music for students to show off their dance moves. The day ended with the announcement of the winning teams, as well as mini-games in the school cafeteria. Overall, Grade 9 FIT Day was a huge success and gave students the perfect opportunity to experience the great school spirit we have at Thornlea.

TERRY FOX RUN

Once again, Thornlea SS hosted its annual Terry Fox Run/Walk on September 22nd, 2016. All students and staff participated in the event and of note, this was the 36th Anniversary of the original event. Our walk/jog/run route was entirely on school grounds and consisted of a 5 km circular course where historical markers representing Terry's run helped encourage the students to keep running/walking. We also had temporary tattoos that helped contribute to the excitement of the event.

We look forward to raising more money next year and are proud to say that our contribution to cancer research is over \$130, 000 since 1989. If you wish to make any other contributions to the Terry Fox Foundation you can visit www.terryfox.org.

What's Your Story, North York? Find out at Fairview Library

Fannie Sunshine

North York Mirror | Sep 28, 2016

If you could write a story inspired by your community, what would you say?

From summer to fall, the Ontario Book Publishers Organization (OBPO) held What's Your Story?, a new series of events funded by Toronto Arts Council focusing on the literacy communities in North York, Etobicoke, East York, and Scarborough.

Both established and unpublished writers were able to submit their work as part of a competition to see who would be selected for the What's Your Story? series.

Four winners were selected from each neighbourhood - three published and one unpublished writer - with preference given to writers who live in, or have lived in, one of the four communities.

What's Your Story, North York? will be held Sunday, Oct. 2 at Fairview Public Library, 35 Fairview Mall Dr., featuring Kenneth Sherman, Richard Rosenbaum, Domenico Capilongo and Sara Y. Cunningham, with host The Real Sun. The pieces will be published on openbooktoronto.com and performed Sunday.

"We are excited to reach Torontonians outside the downtown core," Holly Kent, executive director of the OBPO, said in a release. "The What's Your Story? events will give us a truly unique opportunity to celebrate Etobicoke, North York, East York, and Scarborough and encourage and promote Ontario stories."

Capilongo, a former North York resident who teaches karate at the North York YMCA and high school English in Thornhill, said he began to take writing seriously when he was accepted to York University's creative writing program.

He's written two poetry books and one book of short stories, noting this is the first time he has written directly about North York - and it wasn't easy.

"It was very difficult to get started because I really wanted to capture all of North York: its diversity, nature and overall appeal," he said of his piece, titled

In a north york minute.

"I wanted to try to capture the feeling of North York as opposed to trying to describe any landmarks. I used the idea of comparing it to a New York minute which is very fast and high-paced. I feel that although North York is constantly going through changes, it still retains a laid-back, overall slower pace than the hustle and bustle of a bigger city."

Fannie Sunshine is a reporter for The North York Mirror. She can be reached at fsunshine@insidetoronto.com. Follow the Mirror on [Twitter](#) and [Facebook](#).

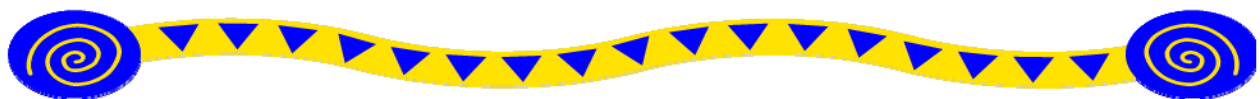

Domenico Capilongo is one of four writers taking part in the What's Your Story? literary event Sunday, Oct. 2 at Fairview Public Library. Similar events have taken place in Etobicoke, East York and Scarborough, September 2016.
