If you have not been at Thornlea Secondary School since Grade 9, or have not been at a school where English was the main language of instruction, you may need to demonstrate a language proficiency requirement (i.e. IELTS, TOEFL) for some programs. See Guidance for more information.

International Students and Refugee Claimants are considered “International Students.” International students are encouraged to apply early as some programs at certain schools have a very limited number of seats for these particular students. Some schools (not all) use a “first come, first serve” system for International Students. Some programs (mostly oversubscribed programs) are closed to International Students. For International applicants, you will need to follow different college application instructions linked on the <https://www.ontariocolleges.ca/en/apply/international-applicants>

Tutorial of online application can be found on www.ontariocolleges.ca by clicking “Applying” and then “How to Apply”
