## Message from the Principal

We made it through another successful year at TDSS! It has definitely been another year to remember. Thank you to all families, staff and students who made this year of memories so special. Your dedication to our school is commendable.

In my last two years as Principal of Tommy Douglas, I am happy to say that it has been a time full of new beginnings and wonderful experiences. The pandemic did not stop us from building new relationships and expanding our knowledge about the world around us. We accepted the challenges that came our way and we did it with care and compassion. Everyone demonstrated such resilience and persistence.

For those students who are graduating...we hope that you look back in the years to come and smile because of the memories created at our school. Your high school memories will last a lifetime. Keep these memories close to your heart and create new ones as you move on to the next chapter in your life. To the parents and guardians of our graduates, we applaud you for being the support that our students needed to make it through some of the most difficult years in education. THANK YOU and have a wonderful summer!
