## School News and Information

### Exams and Culminating Assessments

**Please Note that the first day of grade 12 exams will be on June 20**

**DO NOT** make plans for travel, appointments, etc. during the exam period (**June 20-27**) students are required to write ALL exams at the scheduled time. Failure to report for an examination may result in a mark of "0". If a student is absent from an exam for medical reasons, documentation is required. Illness or emergencies will be dealt with on a case by case basis. Please note that students missing exams for reasons approved by the administration will be required to write all missed exams at the earliest possible date.

### Extended Absences

Regular attendance is closely connected to academic success and we expect that students will attend school every day except in the case of illness. However, we understand that there may be circumstances when it is necessary for students to be away from school for family or personal reasons. Extended vacations are not considered necessary. If a student will be absent for an extended period of time he/she must consult with their teachers, **at least two weeks** prior to the absence to

- Understand the potential impact of the extended absence on learning;
- Identify missed learning goals and assessments;
- Create a plan to complete missed work identified by the teacher. The student is responsible for catching up on all missed work during their absence;
- Schedule a time to complete/submit missed assessments upon return.
- Sign off on the plan- students are responsible for picking up an Extended Absence Form from the main office at least 2 weeks prior to an anticipated extended absence from school.
- ***A meeting with an Administrator may be scheduled if the absence is expected to interfere with the successful completion of a course.***

Absences longer than 15 consecutive days require additional documentation and procedures in accordance with Board Procedure #NP 681.0. Failure to follow these procedures will lead to a student being removed from the school's register. In these circumstances, please speak directly to an administrator prior to completion of this form.
