In this Issue:

- OSSLT
- Mid-term Reports
- Final Semester Assessments

OSSLT - The assessment is scheduled for Thursday, November 24th. Students expected to write this assessment have been informed by the school. Further communication will be sent to families if a CUPE strike impacts school timelines and the OSSLT assessment.

Midterm Reports - Reports will be distributed electronically to families via student Gapps accounts. Communication will to families on how to access the reports electronically.

Final Assessments - January 26th to February 1st. As of the 2022-23 school year, the Ministry of Education requires we resume the policy on final evaluations. For Grades 9 to 12, a final grade (percentage mark) is recorded for every course. Final grades will be determined as follows: Seventy percent of the grade will be based on evaluation conducted throughout the course and thirty percent of the grade will be based on a final evaluation administered at or towards the end of the course. This evaluation will be based on evidence from one or a combination of the following: an examination, a performance, an essay, and/or another method of evaluation suitable to the course content. The final evaluation allows the student an opportunity to demonstrate comprehensive achievement of the overall expectations for the course. Students are expected to be present for their final evaluation as such this is not a good time for absences for family vacations. Please plan accordingly.
