3. Principal's Report

- Additional 2 classes:
The School Board Planning Department has received the projection chart from the TWPS. The chart was presented keeping in mind the numbers as approved by the board and not the actuals headcount.
- Two Portables being added: YRDSB has approved the addition of 2 new portables to accommodate the new extra classes. It has not been decided yet, which grades will sit in the portable. Currently there are 28 classes however, due increased number of student registrations there will be 30 classes from the next school year. This increase in number of students and classes has created vacancy positions for 2 more full-time teachers.
Principal Mrs. Morgan took this opportunity to discuss about the combined classes and how it benefits the students.
Teacher assignment shared with the community in August.
Parents will receive a form from the school requesting important inputs regarding their children – for

example; what are the strengths and passions of their children, skills they are working to develop. This information will help teachers to group the students for combined classes and activities.

4. Teacher's Report

- Arts Night is on April 25, 2019. The evening will be showcasing variety of art forms including Drama, Music, Visual Art as well as opportunity to win exciting raffle baskets .
