

# Inclusive School & Community Services

## Community and Partnership Developers (CPDs)

### Information for School Communities

---

Through building and maintaining strong collaborative partnerships with school communities, community organizations and social service agencies, the **CPDs** respond to the emerging needs of your school community.

To ensure that the diverse needs of your school community are met, we deliver equitable and inclusive education practices by providing programs and resources along with direct support for students, parents and staff.

#### In collaboration with community organizations, we may support schools, students and families with:

- school community initiatives
- extracurricular programs
- community outreach and engagement
- nutrition programs
- parenting supports and education
- community resources and supports
- issues of equity and inclusivity
- student and parent engagement
- early years
- transition to high school and post-secondary
- opportunities for youth
- basic needs (food, clothing, medical, housing)
- professional development
- affirming identity

We support your school community, students and families of all needs and backgrounds in York Region through various community resources and supports. Additionally, we also support all YRDSB schools regionally with our areas of specializations.

We invite you to contact your **CPD Team** directly or through the [family and student referral form](#) .

For a full list of contact details, please visit our [YRDSB contact page](#).
