Dear families,

The purpose of this letter is to share cohort and start date information regarding the fourth rotation, where block/period 4 is running in the morning, face-to-face.

Please be reminded that cohorts were already created for block/period 4. Starting next week, this will be the only block/period that students will attend face-to-face.

- You can identify your cohort using the two-digit number beside the course code. If the last two digits are between 01-49, you are in Cohort A. If the last two digits are between 51-99, you are in Cohort B. For example, ENG1D1-06 is Cohort A.
- Students should check Teach Assist to verify their cohort for block/period 4.

When students access TeachAssist they will see a chart similar to below:

The screenshot shows the 'Student Reports' page in TeachAssist. It lists courses with their names, block/period, room numbers, and dates. Annotations highlight key information:

- A yellow box explains the two-digit number in the course code: 'This two digit number indicates the section and cohort. 01 ~ 49 is cohort A, 51 ~ 99 is cohort B'.
- A yellow box points to the room number: 'The room number of the course'.
- A yellow box points to the block/period: 'The period/block'.

Message from Our Trustee

Dear families,

I hope that you and your loved ones are healthy and well. 2020 has been a challenging year in so many ways, and the global pandemic has affected individuals and families in different ways.

I want to reassure you that we continue to work closely with York Region Public Health and to prioritize the health and well-being of our students, staff members and families. It continues to be important that we adhere to the health and safety measures in place to help reduce the spread of COVID-19. You can learn more about what schools are doing at www.yrdsb.ca/school-reopening.

While we have seen cases in some of our schools, we continue to work with public health to respond quickly, identify cohorts that need to self-isolate as a precautionary measure and take all appropriate measures. I want to thank all of our students, families and staff members for their diligence in adhering to the public health recommendations and health and safety measures in place in our schools.

One of our priorities in our [Multi-Year Strategic Plan](#) is to foster well-being and mental health. As a result of the pandemic, many of us are facing changes and new challenges that can take a toll on our mental health. It is more important than ever that we check in on one another and practice self-care. There are [mental health resources for students and families](#) on our Board website that address the unique nature of our current situation. You can also find information about our [Mental Health and Addiction Strategy](#) and the [work we are doing in schools](#) to promote positive mental health and provide support for students.

While there are challenges, we also continue to have so many reasons to feel positive. Our students continue to impress us with their kindness, creativity, innovation, resilience, courage and perseverance. Visit us on [YouTube at YRDSBMedia](#) to see just some of these stories.

In the coming weeks and months, many of our students and families will be celebrating days of significance and holidays, and I wish you all the very best for the season. While we may be celebrating a little differently this year, I hope everyone has a safe and happy winter break and we look forward to welcoming students back into our in-person and virtual schools in January.
