Grade 8s spend a day at high school!

On Wednesday, while our grade 9's were experiencing the world of work, our school hosted over 400 grade 8 students from our various feeder schools.

The day began with the students meeting their group leaders and an enthusiastic welcome from our student leader group—TSAC

Students had the opportunity to experience a day of a day of high school. They attended three grade 9 classes, from a variety of different subjects areas. Students also heard a panel of current PETHS students, who shared valuable information about their high school experience.

Thank you to our student leaders, grade 9 volunteers and TSAC for making the future graduating class of 2024 feel welcome and excited for September 2020.

Full Disclosure Information:

The following applies to all students who may **consider withdrawing from a grade 11 or grade 12 course** this semester:

- Students who drop their courses within **five** instructional days following the issue of the first provincial report card will not have the withdrawn course recorded in their transcript.
- Students who choose to withdraw from a course after five instructional days following the issue of the first provincial report card will see "W" in the Credit column of their transcript, thus noting a late withdrawal. The current grade received by the student at the time of withdrawal is also recorded.
- Students who repeat a Grade 11 or 12 course that they have already earned a credit in, cannot earn an additional credit. However, each attempt as well as the percentage grade obtained is recorded on the transcript and an "R" is entered in the "Credit" column for the course(s) with the lower percentage grade.
- For students submitting to OUAC, the last day to drop a Grade 12 course without it appearing on the transcript is **Monday, November 25**. All paperwork must be completed, approved and in Guidance by this date. Students are required to book an appointment with a guidance counselor to drop a course.
