# School Updates

## Attendance

We now have a direct email to our attendance desk. To report an absence or for questions about your child's attendance, please call 905-887-2216 ext. 190 or send an email to [pierre.elliott.trudeau.hs.attendance@yrdsb.ca](mailto:pierre.elliott.trudeau.hs.attendance@yrdsb.ca)

If you receive notification that your child has been marked absent and you believe this to be incorrect, please have your child ask the teacher to notify the office to make the correction. All attendance corrections must be verified by the classroom teacher.

**Please Note:** Parents/guardians should call/email in absences for students who are experiencing symptoms and are not able to attend classes.

Students who are experiencing symptoms and/or have COVID may be given temporary access to their virtual classes when reported by a parent/guardian to the school. Face to face learners should not join virtual classes without school notification; those that do will be marked absent by their teacher.

## PETHS Graduation Ceremony - Tuesday, June 28, 2022 at 7:00 pm

Our ceremony is being held at the school in our gym. Graduates can confirm their attendance at our ceremony by completing this [Graduation Form](#). Due to the size of the graduating class, each graduate is eligible to invite two guests only. Graduating students should pick up their guest tickets from June 1 to June 3 at lunch time (11am to 11:45am) or after school (2:30pm to 3:15pm) from the office conference room.

For those students who have ordered Graduation Caps and Gowns, these can be picked up beginning Monday, June 13 to Wednesday, June 15 at lunch time (11am to 11:45am) or after school (2:30pm to 3:15pm) from the office conference room.

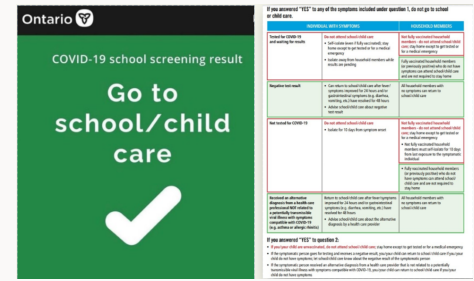

If you haven't already paid your \$40.00 graduation fee, please be sure to visit [SchoolCashOnline](#) to make your payment.

Students and families are strongly encouraged to [self-screen](#) prior to attending the ceremony, as well as wear masks throughout the evening.

**We are looking forward to celebrating our graduating class of 2022!**

## Self-Screening:

All students are required to complete the [COVID daily screening](#) prior to entering the building. The screening tool will out-line if/when you can come/return to work and duration of isolation or self-monitoring requirements. Individuals experiencing one or more common symptoms, or two or more other symptoms are presumed to have COVID-19 and must isolate (regardless of vaccination status)

## Textbook Returns

As the school year comes to a close, we are asking families to check at home for any textbooks distributed to your children this year or in previous years. Textbooks that were loaned to students in this school year should be returned to the subject teacher. Textbooks from previous years are to be returned to the Main Office.

## Become a co-op partner today!

Our co-op program continues to grow and our students gain valuable work experience at businesses and organizations in our community. Some of our current co-op partners are parents of students at Trudeau! As the demand for the program continues to increase we are reaching out to you, our parent community, to ask for your support. If you are a business owner or your place of work would be interested in hosting a co-op student, please complete this [form](#) and a co-op teacher will contact you shortly to discuss the program and available opportunities. We are in particular need of placements in the business field (any type of business) and technology (IT, computer programming, robotics, engineering, graphic design). Further details and testimonials can be found on this [flyer](#). Feel free to share it with anyone you think may be interested. Thank you for your support!
