Update on Student Timetables

Dear Families,

This is to provide families with an update on student timetables.

We are aware that there are several students in grades 9 and 10 that have incomplete timetables and understand that this is not an ideal situation for our students. You can be assured that our school is using all resources available at this time to provide students with complete timetables. This process of completing student timetables may take 1-2 weeks, which is typical of all YRDSB secondary schools at the beginning of the school year.

We ask for your continued patience and understanding as we work through this process. Teachers are aware that new students may be added to their courses and they will be supported, to catch up on any missed class materials.

Student Health Plans

Today, in homeroom, health care plans forms were distributed for students identified in our system. If your child has a medical condition and did not bring home a form, please use the links below to access the appropriate form.. Return completed forms, Ms. Chen in the main office

School Updates

Self-Screening

All students are required to complete the [COVID daily screening](#) prior to entering the building. The screening tool will out-line if/when you can come/return to work and duration of isolation or self-monitoring requirements. Individuals experiencing one or more common symptoms, or two or more other symptoms are presumed to have COVID-19 and must isolate (regardless of vaccination status)

Textbook Returns

As the school year begins, we are asking families to check at home for any textbooks distributed to your children in previous years. Textbooks are to be returned to the Main Office.

Cafeteria Update

Our cafeteria survery will be open for the 2022-2023 school year. At this time, we are working toward having our cafeteria open for sales the week of **September 19**. We will continue to keep you updated as more information becomes available, and

dates are confirmed. Students, who eat at school, should bring their lunch. The cafeteria will be open for all students to eat their lunch.
