Parents/guardians received an email from YRDSB Update with important school start-up forms to complete. It is important that these forms are completed as soon as possible at the start of the school year as they contain important information and permissions.

The forms can be found at <https://startupforms.yrdsb.ca/>.

A link to the forms can also be found on the Family Resources page of the Board website at [www.yrdsb.ca/familyresources](http://www.yrdsb.ca/familyresources). Secondary school students can complete the secondary school student form at <https://startupforms.yrdsb.ca/students>. They will also receive the link in their student GAPPS account. Elementary school students **do not** need to complete these student forms.

Please note:

- You **must be signed in to your child's student GAPPS account** to complete the form. Please remember to sign out of one account before signing into another. Additional information is available on the Board website on [how to login to the student account to complete the forms](#).
- The forms should be completed for each student, whether they are attending school in person or participating in remote, online learning.
- If you prefer to complete the forms on paper or have questions about the information in the forms, please contact the school office.
- Parents/guardians must complete a separate form for each child attending school. Please ensure you log out of one student account before logging into another. You will not be able to submit the form twice logged into the same student account.

## YRDSB Anti-Asian Racism Research Project

York Region District School Board (YRDSB) is conducting research on the experiences of Asian students, educators, staff, and community members, in an effort to dismantle anti-Asian racism and to foster belonging and create safer spaces for Asian members of the YRDSB organization. If you are an Asian identifying member (East Asian, South Asian, South East Asian) of the YRDSB, then you are invited to participate in a virtual focus group (small discussion group) to talk about your experiences within the YRDSB institution. For your participation, you will receive a small gift. If you are interested, please RSVP by deadline.

## Civic Action Opportunities for High School Students

We are sharing two unique civic action opportunities for high school students to learn and get involved in issues at the local level as we head towards municipal elections across Ontario on October 24th. These extraordinary young leaders are working to create spaces for youth to become active citizens of York Region.
