Parent/Guardian Teacher Interview Night

Thursday October 24, 2019 from 6:30 pm - 8:30 pm

Good news, we have changed the format of our parent/guardian interview night. We recognize that many parents/guardians would like to drop by and meet the teacher personally. This is the perfect opportunity for you to do this. Please see below for the evening's agenda.

Agenda for the evening

6:30 - 7:00 Parents/Guardians are invited to join all our staff in the large gym for refreshments and snacks. Curious about your child's teachers, drop in, say "hi", and visit with us. All departments will be in a designated area that will be marked with a sign.

7:00 - 8:30 Parents/Guardians are welcome to have a personal interview with your child's teacher to discuss your child's progress, strengths, needs and next steps.

Below is a link to the form to schedule teacher appointments:

Take Our Kids to Work Day: Each year our grade 9 students have the wonderful opportunity to participate in Take Our Kids to Work Day (TOKTW). TOKTW is a Canada-wide program that involves grade 9 students and is supported by YRDSB. Grade 9 students spend the day at work with their parents, relative, family friend or a community host to develop an understanding of the world of work and begin exploring career options. Regular grade 9 classes are cancelled to allow students to participate in the day. ***This year TOKTW will be held on Wednesday, November 6, 2019.***

Consent forms were distributed earlier this month. ***All consent forms should be returned to the office by Tuesday, October 22, 2019.***

In addition, if you are looking for further resources about the day, please visit [The Learning Partnership website](#).

Trudeau's Birthday Celebration: We celebrated our name sake Pierre Elliott Trudeau's 100th birthday today with cake, beavertails and trivia! Thank you to TSAC for your hard work organizing this event.

From our Co-Op department: Do you work in Markham or the surrounding area? Would you consider hosting a co-op student at your place of work?

The co-op department is always looking for new community partners to act as hosts to our students. Some of our Trudeau parents continue to offer enriching work experience opportunities at their local businesses. Recently, we have had student requests in the area of **computer software & computer programming**. If you might be interested in hosting a co-op student at your place of work or have a contact in Markham or the surrounding area, we welcome you to contact the co-op department.

To learn more about how you can share your expertise to ignite interest in a student in your field of work, please speak with a co-op teacher. Feel free to contact us at (905) 887 - 2216 ext. 371 or by email at leah.butler@yrdsb.ca . We look forward to hearing from you!
