### NOTES TO PARENTS AND GUARDIANS:

**Take Our Kids to Work Day:** Each year our grade 9 students have the wonderful opportunity to participate in Take Our Kids to Work Day (TOKTW). TOKTW is a Canada-wide program that involves grade 9 students and is supported by YRDSB. Grade 9 students spend the day at work with their parents, relative, family friend or a community host to develop an understanding of the world of work and begin exploring career options. Regular grade 9 classes are cancelled to allow students to participate in the day. ***This year TOKTW will be held on Wednesday, November 6, 2019.***

Consent forms were distributed earlier this month. ***All consent forms should have been returned to the office by Tuesday, October 22, 2019.*** If you have not already returned your child's form please send it to school with them on Monday, October 28.

In addition, if you are looking for further resources about the day, please visit [The Learning Partnership website](https://www.learningpartnership.ca/).

**Parent Teacher Interview Night:** Thanks to all the parents/guardians who were able to attend our Parent Teacher Interview Night. It was quite a busy evening. If you were not able to meet with your child's teacher, please contact them by email using the following format: *teacher's first name.teacher's last name @yrdsb.ca*

**La Pirouette:** The first edition of the school newsletter called La Pirouette was released this week during Parent-Teacher Interviews. If you did not have chance to see it please click on the following link and read it on our website: [October 2019 Newsletter](#)

**Halloween @ PETHS:**

Halloween is an exciting day at Pierre Elliott Trudeau HS. Our Student Council has been very busy planning some exciting activities for the day, including a haunted house.

Please remind your children to exercise good judgement when planning their Halloween costumes. If a student is unsure about the appropriateness of their choice of costume, please encourage them to discuss their ideas with someone at school.

Costumes that depict someone's social identity or perpetuate a stereotype of someone's culture, gender, gender expression, race, ethnicity, sexual orientation, ability, heritage, religion, class, etc. are both oppressive and offensive. Such costumes are not permitted to be worn at PETHS.

Students' costumes must adhere to the school's dress code. Please keep the following guidelines in mind:

- Costumes and props must be appropriate to a school setting (i.e. replica weapons are not permitted).
- To ensure everyone's safe participation, masks are not permitted.
- Costumes that are provocative, offensive, or reveal too much of the body are not permitted.
- Costumes that depict violence, alcohol, or drugs are not permitted.

Thank you for your assistance in helping our students understand these costume guidelines.

PETHS is going to have an amazing day on October 31!

**From our Co-op department:** Do you work in Markham or the surrounding area? Would you consider hosting a co-op student at your place of work?

The co-op department is always looking for new community partners to act as hosts to our students. Some of our Trudeau parents continue to offer enriching work experience opportunities at their local businesses. Recently, we have had student requests in the area of **computer software & computer programming**. If you might be interested in hosting a co-op student at your place of work or have a contact in Markham or the surrounding area, we welcome you to contact the co-op department.

To learn more about how you can share your expertise to ignite interest in a student in your field of work, please speak with a co-op teacher. ### ***What you need to know as a parent about student accident insurance?***

Accidents can and do happen. Families can spend thousands of dollars if their children are injured at school, on field trips, while participating in extra-curricular activities, or at home. If a student is injured, parent(s)/guardian(s) are responsible for any costs not covered by a government health insurance plan or their employer's health care plan. This leaves the parent/guardian financially responsible for these unexpected expenses.

While the York Region District School Board does not provide student accident insurance, it has arranged voluntary insurance plans through Old Republic Insurance Company of Canada's insuremykids® program. These plans are available to families of all students attending the York Region District School Board. It is recommended that you consider purchasing a student accident insurance plan.

Insuremykids® student accident insurance offers three plans with a variety of benefits at affordable rates – the most affordable plan is available for as little as \$13.00 per year for 24 hours a day, 7 days a week coverage. The most popular plan is the Platinum at \$33 per year and it includes out of province emergency medical coverage and travel benefits. Family rates are available for three or more children in the same family, even if attending different schools.

Plans provide coverage for a wide range of expenses, including:

- **Dental expenses**, includes 10 years unlimited dental benefit coverage, future dental up to \$1,650 per tooth, and injury related orthodontia coverage up to \$2,500 per accident.
- **Total and permanent disability**, up to \$350,000
- **Loss of limb/loss of use**
- **Accidental death**
- **Ambulance fees and more...**
