Voting for Student Trustees

Students in Grades 5-12 will have an opportunity January 23-30 to participate in voting for the student trustee candidate who will represent our area of the board. Student trustees play an important role representing students in the school board. They network with students, staff and the Board of Trustees to share information that gives students a meaningful voice.

All students will receive an email in their GAPPS account. The email will include a link to a site where they will find information about candidates in our area, and a link to a form where they can submit their vote. One candidate will be selected by students to represent each of the four areas of the school board in the final vote. Later in February, students can vote for the final two candidates who will represent them during the next school year.

This is an important opportunity for students to participate in the student trustee elections and vote for the students who will represent their voice, so I encourage all students to check their email and take the time to vote.

Learn more about the role and the election process at www.yrdsb.ca/studenttrustees.
