Congratulations class of 2024; we look forward to seeing you for your graduation photos.

Extended Absences

In the event that your child intends to be away for more than three days due to vacation, please ask them to fill out the Extended Absence form, which can be obtained from the main office. This helps facilitate transparent communication regarding assignment expectations and the coordination of makeup assessments with their teachers.

It is also important to be aware that choosing to miss an exam for a vacation will lead to a grade of "zero." Exams cannot be written at an earlier or later date. The first semester exam period runs from January 25th to February 1st. Also if we have an Inclement Weather (Snow Day) exams would be postponed and written on a later date that week. The first semester exam schedule will be shared prior to the Winter Break.

GRADE 10 BUSINESS TREAT PROJECTS

Our Grade 10 (BBI201) Business students will host a treat sale after school from November 28th to 30th. A portion of the proceeds will be donated to charity. We invite all students to join us, indulge in a snack, and show their support for our students. **Cash only! No debit**

School Bus Zone - NO PARKING OR STOPPING

Our school bus drop off and pick up zone is beside the curb in the parking lot on the east side of the school. This is a reminder to parents when you are dropping off and picking up students to keep this area open for our buses to stop and allow students to get on and off their bus. Automobiles blocking this area are subject to a ticket from the Town of Markham.

Smoke Free School Environment

We want to remind students that the use of electronic products such as vaping, electronic cigarettes and cigars as well as cartridges of nicotine solutions and related products are not permitted on or within 20 metres of school property. This means 20 metres *beyond* the school boundaries as opposed to simply off of school property. [Health Canada](#) reports health risks associated with vaping particularly for young people.

This is in compliance with the Smoke-Free Ontario Act, which is enforced locally by York Region Community and Health Services and the [Tobacco and Smoke-Free Environment Policy and Procedure](#). A progressive form of discipline, including suspension from school and [fines](#) (up to \$5,000), is in place for students who break the law.

For more information visit Health Canada or the Board website. [Partnership for Drug Free Kids](#) also provides a resource on how to talk to your kids about vaping.

New School Sign In and Out Procedures at Trudeau

We want to inform you about a new visitor procedure that we are implementing at Pierre Elliott Trudeau High School. This new procedure is part of our ongoing efforts to create a more welcoming and secure environment for our school community.

We kindly request that all visitors to our school begin their visit by signing in at the main office. This includes parents, guardians, volunteers, and any other guests. After signing in you will be asked to wear a guest tag which can be returned when you are leaving the building and sign out.

This process will help us keep track of who is in the building. By doing so, we aim to create a safer and more secure environment for our students and staff.

Prayer Room

The York Region District School Board promotes respectful and inclusive working and learning environments. In recognition that there are staff and students who would like a quiet place for prayer, reflection or meditation, Pierre Elliott Trudeau HS is pleased to announce the availability of a Multi-Faith prayer Room/quiet space in the Guidance Office Reception Area.

Health & Safety

The York Region School Board is committed to ensuring the safety of students, staff, building occupants and visitors

in the event of an emergency situation. As such, during Safety Week (September 25 to 29, 2023) and throughout the school year, schools in our Board practise various safety drills including Fire Drills, Lockdown Drills, Hold and Secure Drills and the newly established Bomb Threat Drill. It is critical that all members of our school community become familiar with emergency protocols as they are designed to keep all of us safe at school. Please refer to

[Board Policy #669.0](#) for more information about Emergency Preparedness and Crisis Management.

Practicing drills may create some anxiety for some students. If you are concerned about how these situations might impact the mental health and well-being of your child, please contact school administrators, as we have school mental health professionals available to support your child.

PETHS Library is open after school until 3:30 pm for students to utilize its resources and study.

All students are encouraged to exit the building by 4:30 PM unless they are engaged in one of the following activities:

For the safety and security of our students, we kindly request your cooperation in ensuring that your child adheres to this policy. If your child is not involved in any of the above activities, please make arrangements for them to leave no later than 4:30 pm.
