Total Courses	8	8	8	7

## CHOOSING PATHWAYS AND COURSES

- Students in collaboration parents, teachers, guidance counsellors, student success/support teachers and administrators
- Students should do an honest self-assessment, matching their ability with their interests and aptitudes
- Choose a combination of course types to support different learning interests and styles
- Remember there are many pathways to initial post-secondary destinations

# 34 CREDIT THRESHOLD

**Pathways Planning for Secondary Students**  
Helping Students to Graduate Within Four Years

What you  
**NEED TO  
KNOW!**

**34**

**credit threshold** →

What is the  
**34 CREDIT THRESHOLD**  
and how does it apply to me?

→ **Did you know that...?**

- You need 30 credits to meet Ontario Secondary School Diploma graduation requirements. Most students will complete these credits within four years. If needed, you may earn up to 34 credits within five years.
- While enrolled in your first four consecutive years of secondary school, you may go beyond 34 credits.
- After secondary school, going beyond the 34 credit threshold is possible with:
  - E-learning • Night School • Summer School
  - Independent Learning Centres • Adult Day School

→ **34 Credit Threshold does not apply...**

- if you have an Individual Education Plan (IEP)
- if you are not enrolled in secondary school
- To English as a Second Language (ESL) core language courses and/or English Literacy Development (ELD) core language courses

For more information about the  
**full Graduation Requirements**  
**and 34 Credit Threshold,**  
visit [www.yrdsb.ca/students](http://www.yrdsb.ca/students)  
or contact your school's guidance department.

*or book an appointment with a Guidance Counsellor*

# COOPERATIVE EDUCATION

- This program is for students going to **university, college, apprenticeship or work.**
- Allows students to earn grade 11 or 12 credits in a **workplace setting** while exploring a career of their choice.
- Two co-op credits can be counted towards the compulsory groups.

*See a Co-Op Teacher in the Co-Op Office, Room 109*

# Apprenticeship & Skilled Trades

The OYAP program – students earn high school credits and hours towards their apprenticeship in a trade.

*For more information, contact a Co-Op teacher in the Co-Op Office, or speak to a Guidance Counsellor in the Guidance Department*

# College Admission Guidelines

- High school diploma required
- Additional requirements may include an interview, portfolio, audition, English Entrance Test, Math test, portfolio, etc.
- Health/Science programs may require 12 Math
- Consult specific college programs for entrance requirements
- Check out: [www.ontariocolleges.ca](http://www.ontariocolleges.ca) for information about the different colleges and their programs

# University Admission Guidelines

eINFO

- High school diploma required
- English – ENG4U1
- Check individual university program prerequisites
- Universities may consider Gr. 11 and 12 (“U” and “M”) courses for admission &/or prerequisites
- Check out: [www.electronicinfo.ca](http://www.electronicinfo.ca) for information about the different universities and their programs

# What if you want to take summer school?

There is no longer an  
“Other Credit” box available to  
indicate your **intended** summer  
school course

# What if you want to take summer school?

- If you **PLAN** on taking a compulsory course at summer school, you can change the discipline for that course in myBlueprint and choose the course that you want to take next year instead.
- You **DO NOT** need to indicate, at this time, that you want to take a summer school course

# What if you want to take summer school?

- Register for summer school in the spring (April/May) when Summer School and eLearning registrations are opened on the Board Website ([www.yrdsb.ca](http://www.yrdsb.ca))
- If you do not end up taking summer school (and you have taken the course off of your course requests), it is your responsibility to ensure it is back in your timetable for the next school year.

# Not returning next year?

Especially for Grade 12  
Graduating Students,  
this is for you . . .

Complete this step!

# Not returning next year

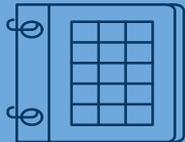

The image shows a user interface for a 'High School' plan. The main content area displays a progress bar with three steps: Step 1 (Add Courses), Step 2 (Review Courses), and Step 3 (Submit Course). A red error message states 'Your courses are Not Submitted'. A blue button labeled 'Not returning next year?' is circled in blue. A yellow arrow points from this button to a dark blue callout box on the right that says 'Step 1: Click on Not Returning'. Another yellow arrow points from the callout box to a modal dialog box in the foreground. The dialog box is titled 'Not returning next year?' and contains a dropdown menu with the text '-- Select Destination --'. Below the dropdown, it says 'Courses you have added for next year will not be submitted.' At the bottom of the dialog are 'Cancel' and 'Confirm' buttons. A second dark blue callout box on the right says 'Step 2 - select reason and hit confirm'. The background interface also shows a 'View Plans' button and a 'View Progress' button.

Step 1: Click on Not Returning

Step 2 - select reason and hit confirm

# DEADLINES

Click the “submit” button on myBlueprint by

## February 24, 2020

◆  
Print your selections and have them **signed** by  
your parent or guardian.
