

The logo for 'Toy Mountain' is rendered in a large, green, rounded font. Above the word 'toy' is a green Christmas tree with yellow ornaments and a blue star on top. To the left of the tree is a yellow gift box with a red bow, and to the right is a blue gift box with a red bow. A brown biplane is flying to the left of the word 'mountain', and a brown teddy bear wearing a striped shirt is standing to the right of the word 'mountain'. The background is a light blue geometric pattern with white snowflakes.
