

Updated MARCH 2019

What is SHSM?

Specialist High Skills Majors allow students to focus on a career path that matches their skills and interests while meeting the requirements of the Ontario Secondary School Diploma (OSSD)

Why consider SHSM – Health & Wellness

This program enables students to:

- Customize their secondary school education to suit their interests and skills
- Complete sector recognized certifications to build their resume
- Prepare for post-secondary opportunities
- Explore and refine their career goals
- Earn the SHSM Distinction on their OSSD
- Engage in experiential learning with like-minded peers

Required Certifications (4)

- CPR level C (with AED)
- Standard First Aid
- WHMIS generic
- infection control

NEW***
